# ACTIVITIES

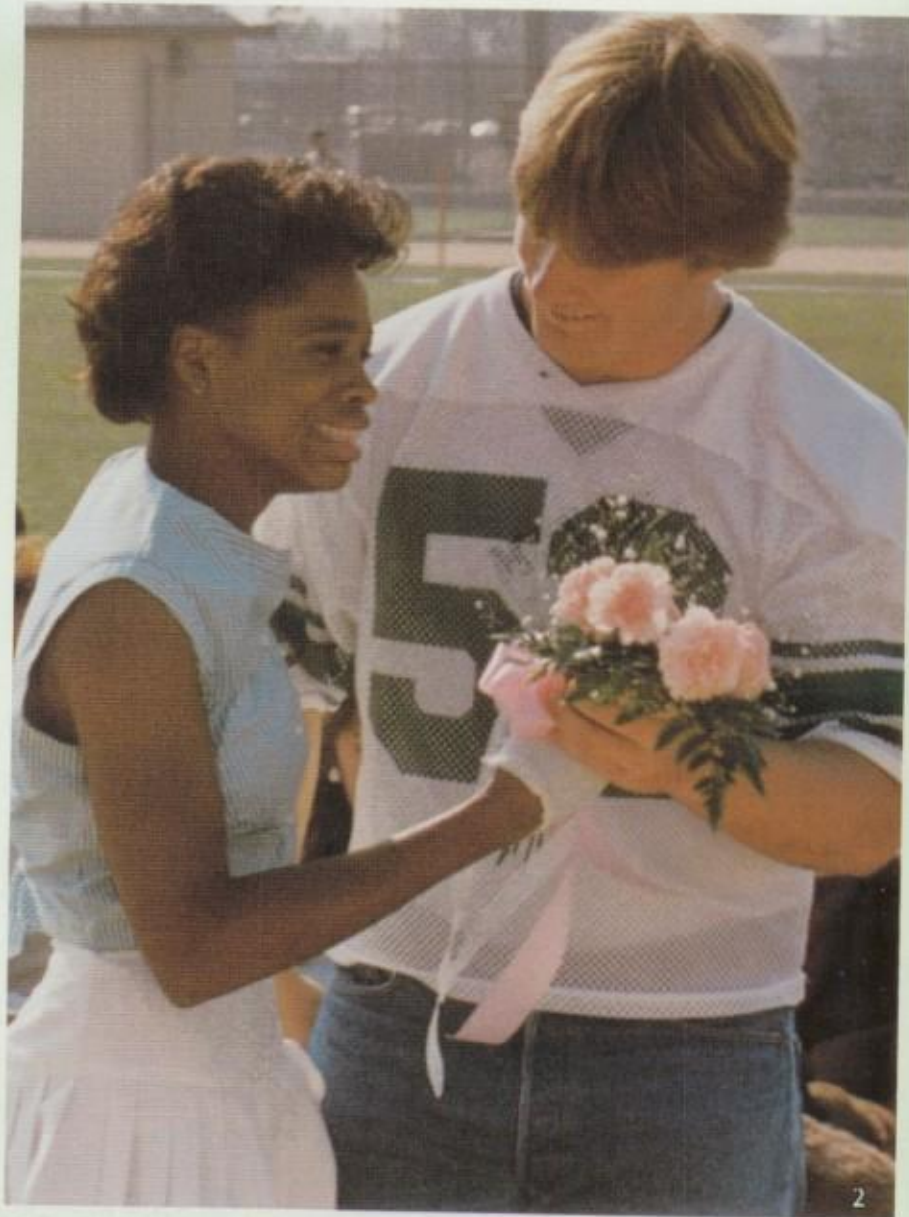

*“... And The Envelope Please”*

Escorting in the past and present cheerleaders was the Fullerton Fire Department's fire engine at the Homecoming football game which was held on October 21. With one enthusiastic team the Coyotes pulled out an upset victory of 18-17 against the Sonora Raiders.

Halftime festivities started with the Homecoming attendants being escorted in on Mercedes & Corvettes. The Freshmen Princesses were Jocelyn Masinsin and Christine Wagner. Tanja Pate was the Sophomore Princess and the Junior Princess was Marcy Booth. The lovely Senior Princesses were Tammy Todd and Dana Wagner. Of course, let's not forget our beautiful Queen, Senior Kelly Barclay.

Our new Principal, Mr. Bremer, was the honorary host for the halftime activities. Everyone was anxiously waiting for the name of the new Queen to be revealed. After Mr. Bremer said, "... And The Envelope Please," a hush came over the audience. The large envelope had a sign that revealed Kelly Barclay as the 1983 Homecoming Queen.

Homecoming was completed by the dance which was held on October 22, in the Coyotes gymnasium. With the theme, "Memories That Last Forever", the dance was a successful and special moment that will last in our hearts for many years to come.

# Dedication Unites Leadership Class

Organized, reliable, and hard working students are what brought the 1983-84 leadership class together for a very successful year that pleased all, students and staff alike.

Mrs. Gatling has accomplished much with this group of students. She has guided a very tough class through many trying activities.

This class includes, not only the A.S.B. Cabinet, but all those who want to learn leadership skills for the use in the future. They worked hand in hand with the administrating staff in running the school activities.

The Leadership class helped all the class elections run smoothly. They also organized the successful 1984 Nominating Convention set up and ran the Student Congress. One of the most important jobs the cabinet had was to approve and coordinate all types of club functions including candy sales, sport banquets, assemblies, student body activities, etc.

This class has provided many activities that will be remembered by the student body for many years to come.

# Yearbook Honors "Quest For The Gold"

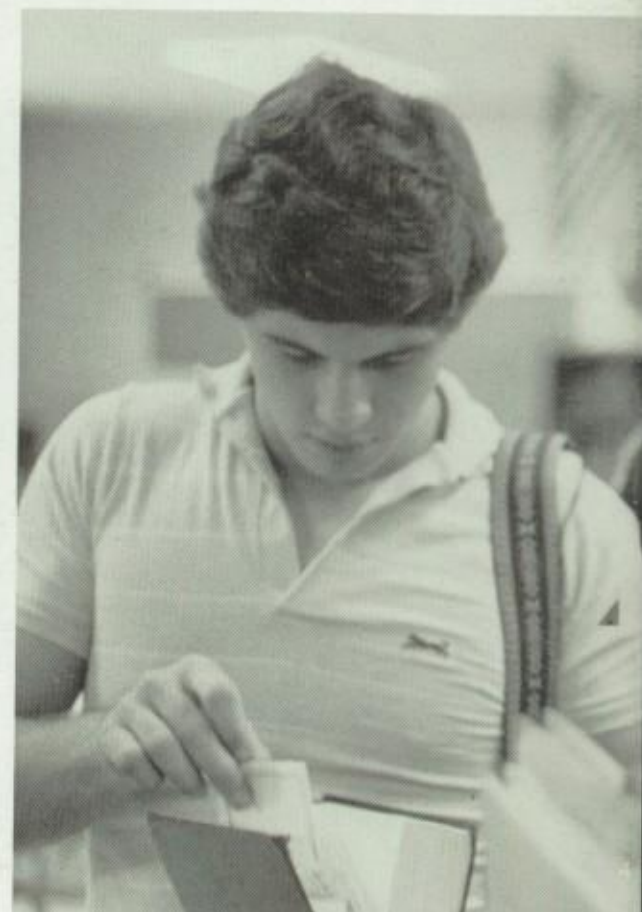

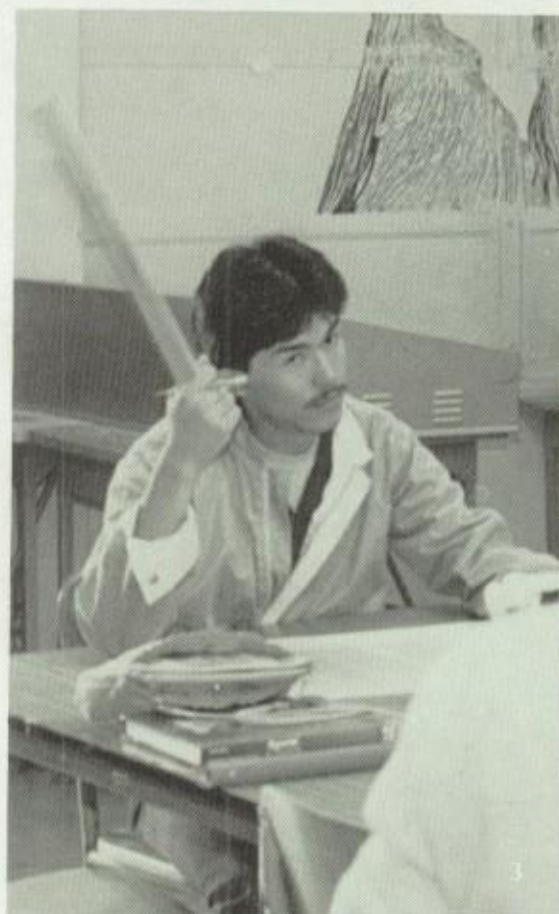

Every four years the world over is focused on one event, the Olympic Games. It would hardly seem justifiable to let this major occurrence pass by without recognition, especially since it will be taking place this summer in our very own state.

The yearbook staff chose to honor the Olympics by dedicating our annual to it. The reason for choosing this theme was not only for its historical merit but also for what it represents. It portrays achievement, ambition, self esteem, mastery, persistence and challenge; the things which make up a competing athlete in the Olympics as well as a graduating high school student. Even though athletes and students have different tasks to perform in dissimilar ways, both have the same goal to Quest for the Gold. The Olympics competitor strives for the glory of having an Olympic gold medal draped around his or her neck while the scholar endeavors for that special moment when he or she is handed that one piece of paper, a diploma, with a gold seal on it justifying their completion of years of hard work put it to gain a great deal of their knowledge.

Though people can perform and accomplish goals individually, it also takes teamwork to achieve certain tasks. Putting together a yearbook requires hard work, dedication, and a large amount of teamwork on the part of the members of the class staff. With the help of Advisor Jack Orme, Editor-in-Chief Kevin White, Assistant Editor Jami Vacek and other various editors; the staff pulled together to meet their deadlines and complete an outstanding annual. With their ambition members stayed after school to make sure things were done carefully, correctly and on time. A tradition that publications is proud to carry on is the entire Senior Section illustrated in color. In order to cover the enormous cost of printing the section, staffers held fund raisers such as candy sales, sales of ads, bake sales, plus the sale of yearbooks. Additional money was furnished by the Senior Class.

The staff's cooperation, unity, determination and hard work made this years annual an eventful book filled with memories to be remembered forever of a time in life that will always be looked back on and cherished.

## Paw Prints Upholds Traditions

Holding up to tradition, this year's Paw Prints' staff has done an outstanding job in providing the Buena Park community with all the latest news and sports events along with several well written opinion articles.

Various specialty sections have made themselves known by continually appearing in the newspaper throughout the year. Two of the more popular sections are "Sportalk" by Senior Ron Kim and "Gloria's Corner" by Senior Gloria Badal.

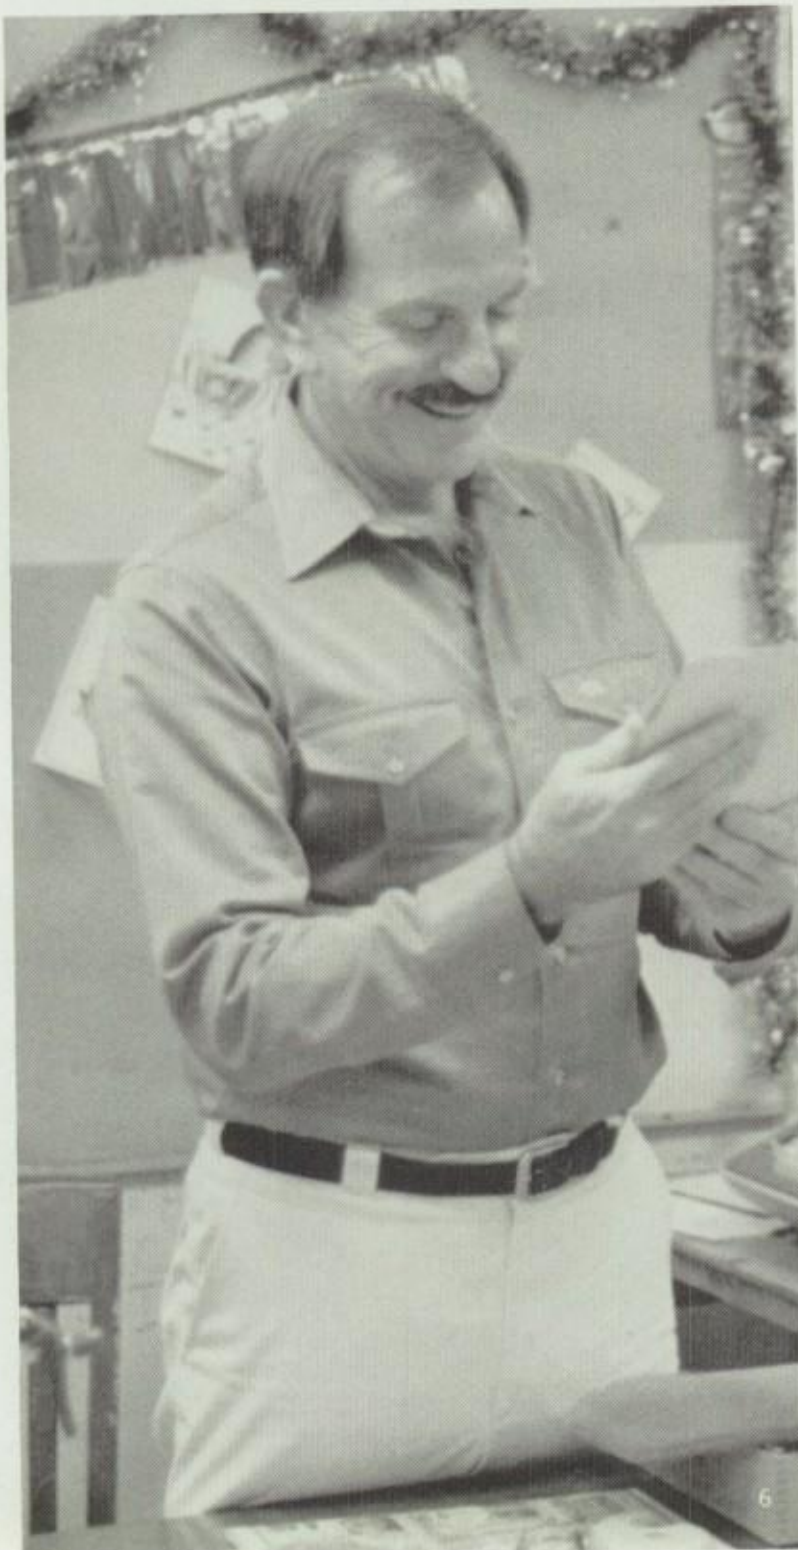

One of the greatest contributions to the success of this year's paper is the abundant amount of letters and replies submitted to the editor by individuals who care enough to take time and let their opinion be known.

Through careful selections of students by Editor Theresa Downing and Advisor Jack Orme, the tradition of excellence will be carried into next year's staff.

# SIP/PTSA Reveals Talent And Ability

Working to improve the school and to accomplish many challenging projects was SIP (School Improvement Program). This year the state granted our school about \$100,000 to improve the educational program. The SIP members took part in completing many projects.

SIP provided many classes with computers, films, and books, a regular campus could not afford.

Besides equipment, SIP also furnished many programs such as, the writing lab and Pilot Reading Program to help students improve their reading and writing skills.

Another unique thing SIP did was supply a new marquee for our school. The new marquee now proudly stands on the corner of Magnolia and Academy where the old sign was.

The PTSA (Parent-Teacher-Student Association) contributed their talent, skill and time so students could engage in many fun activities this year. The PTSA provided us with the stag dances which were all chaperoned by parents. The snack bar at the football games was organized by the PTSA. This organization also assisted in the library and helped out with things such as the vision and hearing test.

# BP Clubs Capture New Members

## BP Chess Triumphs

Seizing the United States Amateur Team Championship Western Division, their most prestigious title, the Buena Park High School Chess Team has had a well-rounded year. They are considered the Orange County Chess League Champions, and first Scholastic Team.

The Chess Club has been very active, too. Players spent their breaks and lunches in Advisor Mr. Stan Tinkle's room to perfect their skills and to learn special playing techniques.

Their ranking consists of a pyramid. Each member tries to beat a higher member on the board. The highest member was Jonas Kulikauskas, who was also the captain of the Chess Team.

The chess club was a major club on our campus and was a club that was well-recognized for its efforts.

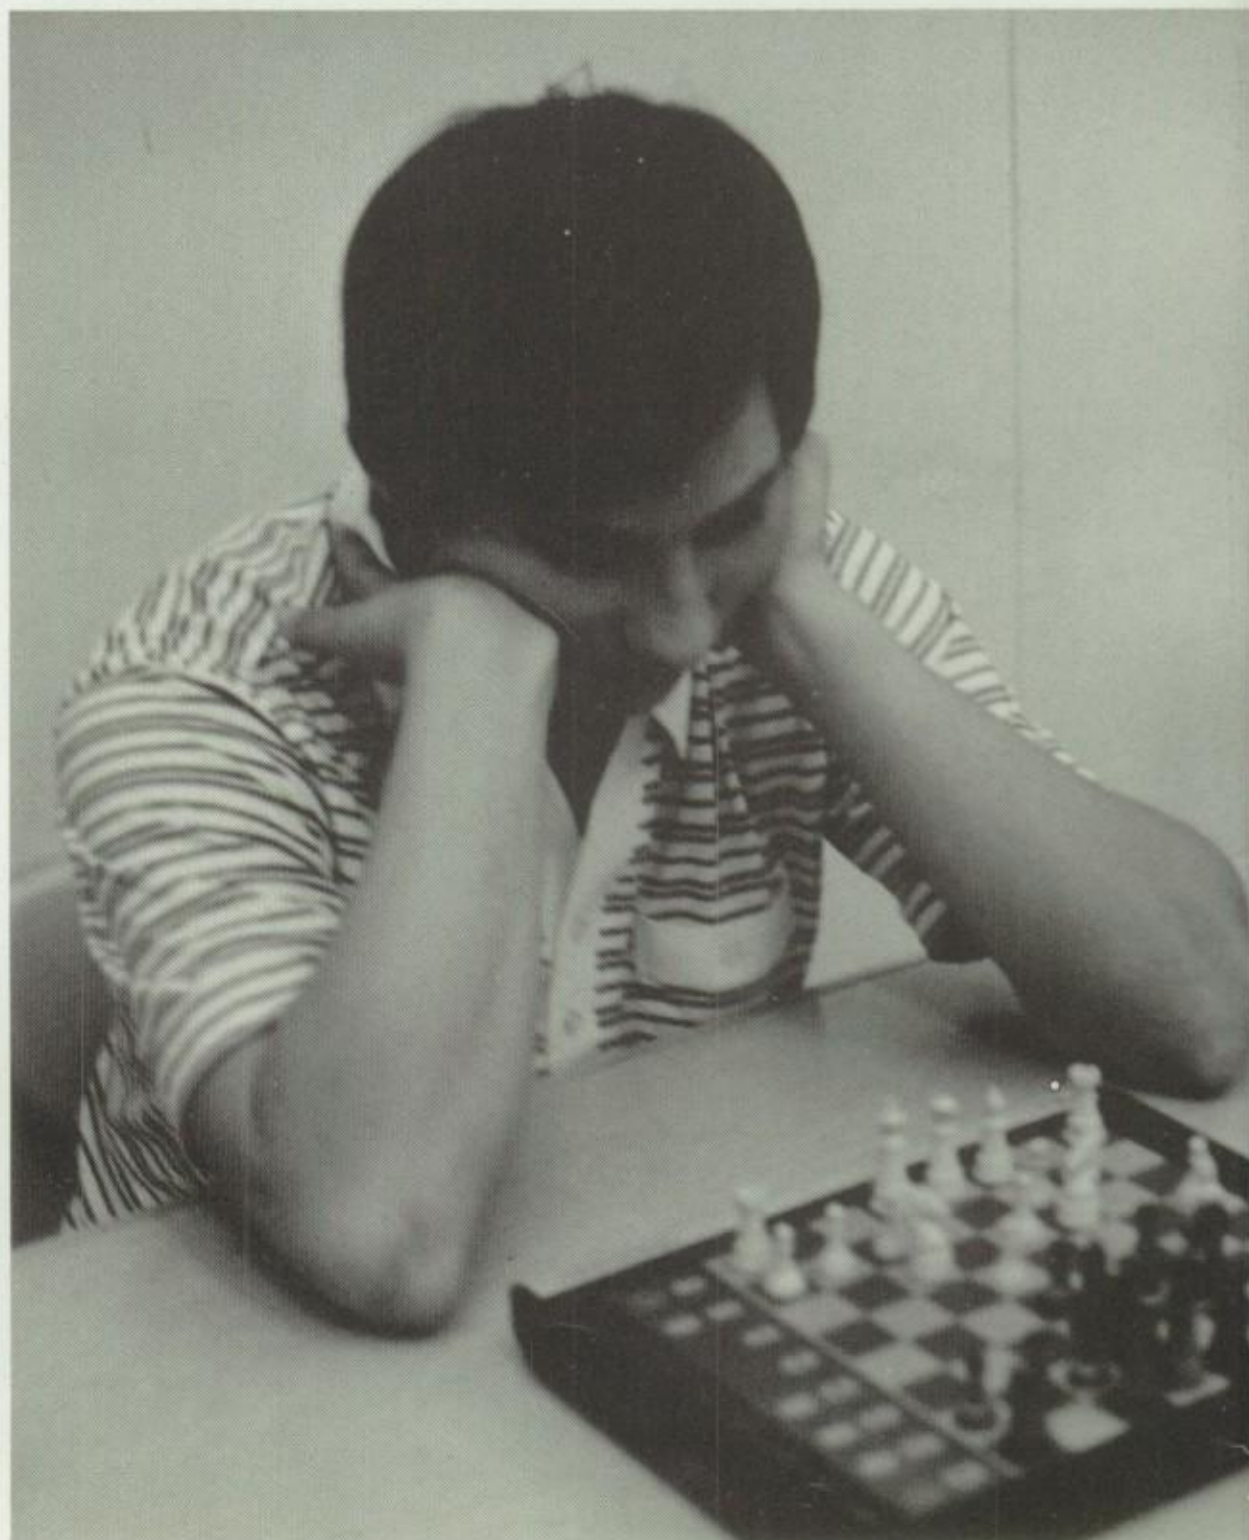

## Computer Classes Expand

With more and more job opportunities opening up in the computer fields, Buena Park High School is certainly keeping up in the new technological world of computers. Last year, the school ordered a whole shipment of new Apple computers which they promptly put to good use. Although the computer club was dropped because of disinterest, there certainly seemed to be a lot of interest when the classes started.

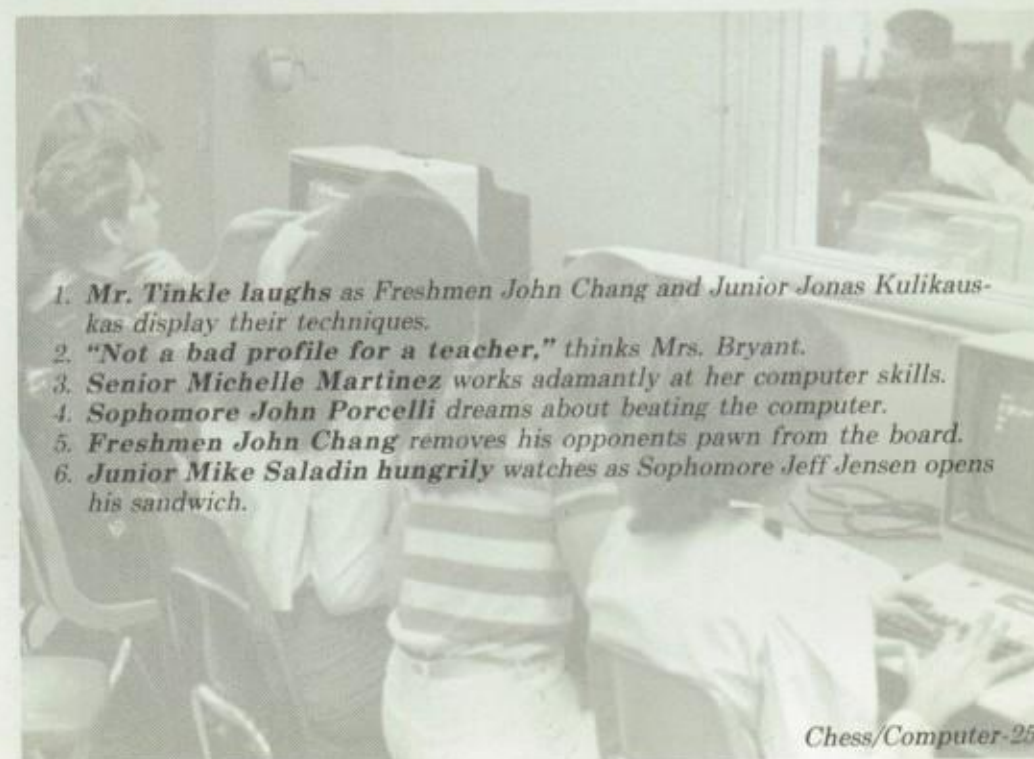

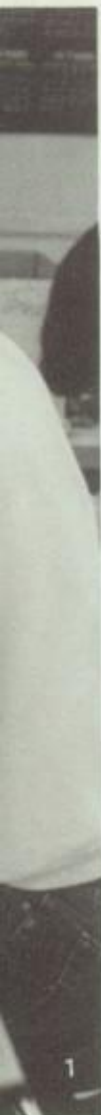

Classes for beginners gave an introduction to computers and their literacy. Mrs. Nancy Bryant, one of the teachers involved with this program, strongly suggested that students take this class in order to complete in the world of business.

If students preferred to further their knowledge they could take an ROP computer class for more in-depth study of basic programming. Several teachers were involved with this program such as Mrs. Dicksie Meier, Mrs. Nancy Bryant, Mr. Prentis Porter, and Mrs. Joyce Rosenberger.

# Two I's For BP

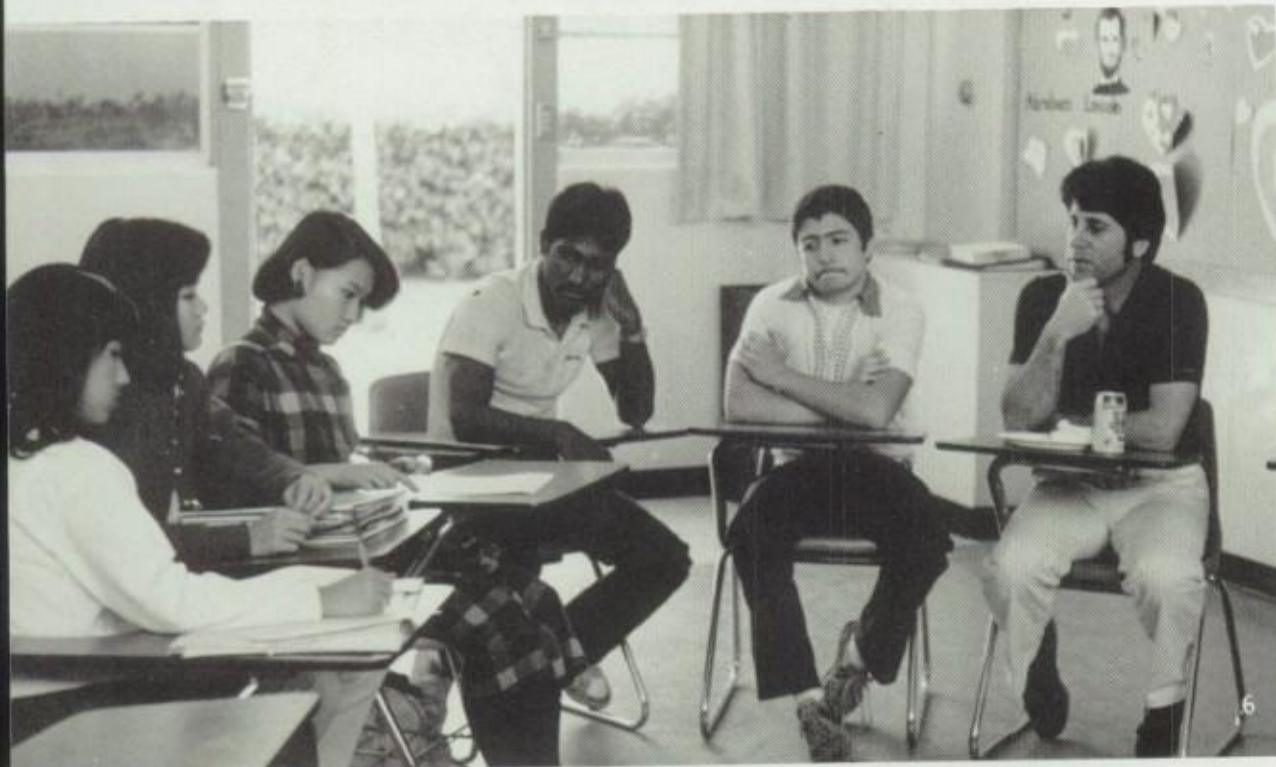

## International-Melting Pot Of All Clubs

Another new Club has formed on the B.P.H.S. campus. It's name is the International Club. By many people it is to be considered to be the "Melting Pot" of all clubs. The club relates different people with different cultures to each other. This club helps us communicate with each other in mutual and friendly ways. The club has a lot of potential and has the ability to help one another. Since this is it's first year the club asks for support from the students of Buena Park. Hopefully, the club will get more recognition next year. This is one club that can go far. President Thuytien Trinh added, "I enjoyed being the President of this club. I only wish I could do it again."

## Interact-Tried And True Club For BP

The school year of 1983-84 was a good one for the B.P.H.S. Interact club. After many years of existence led by Mr. Saul Schacter the Interact did not ruin their perfect track record. With many successful fundraisers, the club has helped with the new Marquee in front of the school and they have also granted \$100 to a guidance department. The club has also attended the Rotary International Conference at the Irvine Mariotta. The things that they have accomplished should be much appreciated by all of us.

# Clubs Enjoy Activism

One of the more prominent clubs on the BPHS campus was the Speech Club. Under the direction of Advisor John Hufferd, the Speech Club promoted oral competition between club members and rivals elsewhere in various events throughout Southern California.

Some of the events attended by the Speech Club this past year included All Southern California, Orange County Speech League, and the Rotary, Optimists, and Lion's Clubs. Members competed in various categories from Dramatic Interpretations to Humorous Interpretations to Original Oratory. This year's outstanding achievements were given by Dawn Karpinsky as best in Orange County, and Brent North who served all year undefeated.

The Speech Club was sponsored by the National Forensics League, and was lead by President Brent North, Vice-President Dawn Karpinski, Secretary Stephanie Shaw, Treasurer Cheryl Fellenz, and Advisor John Hufferd.

With a successful year behind them the Speech Club is raring to go. When asked how he felt about their successful year, President Brent North said, "We've had an awesome year, and we're looking towards next year with enthusiasm!"

Where on the BPHS campus can one find excitement in learning? The answer is the awesome Science Club. The Science Club promotes the "outdoor" educational experience in various fields of science and nature.

Some of the club's activities included an overnight weekend trip to El Capitan, Sea World, the tidepools in Corona Del Mar, and finally the highlight of the year, Yosemite Institute. This excursion spanned a full week filled with hiking, backpacking, and getting back to nature. Students wishing to take part in this adventure had to be extremely dedicated as they missed an entire school week in the beginning of May.

This year's Science Club was led by President Marcy Booth, Vice-President Joe Lindsey, Secretary April Bach, Treasurer Amy Foust, Sergeant-of-Arms Joel Masinsin, and Advisors Gary Peebles and George Fairchild. The cabinet worked very hard to provide the best leadership in planning the fundraisers and activities that lasted throughout the year.

Science Club by far had the highest number of members of any campus organization and will continue to grow in the future.

# Fine Arts Ends Productive Year

Perhaps the greatest ordeal which the choir had to deal with in the 1983-84 school year, was the many substitutes they went through until Regina Jensen was finally chosen to replace Frankie Kill, who passed away in April. The choir however, kept on going full strength. They performed at convalescent homes, shopping malls, Knotts Berry Farm, the Christmas concert, and put on a successful Spring Concert themselves in early June. Several members were also selected to perform with an Honor Choir at Fullerton College which proved to be an enriching experience. Senior Jeff Whittiker stated "Though the choir had been through a lot of change, we stuck together and made a team effort."

Without formal instruction for such a long period of time, most of the responsibility was weighted on the cabinet consisting of: Presiden Jennifer Allan, Vice-President Michelle Jimenez, Secretary Martyn Castleberry, Treasurer Jeff Whittiker, and Choir Manager Lee Hall. President Jennifer Allan did an excellent job in leading her group and feels very good about what they accomplished—as was the general opinion of many of the members. They conducted several fundraisers such as a stuffed animal sale and a keychain sale. As the end of their race for the "gold" approached, they topped off the year with an Awards Banquet at a nearby restaurant where they honored outstanding members, which in this case, every single one of them proved to be.

## Choir Overcomes Obstacles

Directed by advisor Joseph Parrish, the 1984 drama club led a very productive year. Their year started off with the fall production, "Our Town," starring John Butcher and Jennifer Allan. Their follow up play this spring, entitled "Pillow Talk," was a smash it, and was also led by John Butcher, as Brad, and Rhonda McNeilly, as Jan.

participated in the district Drama Festival and were considered the best group to participate. The end of April saw the drama club going to see the Broadway production, "42nd Street." Then to conclude the year, they held a Drama Workshop where club members learned more about their trade of acting.

# Energetic Clubs Seek Outdoors For Fun

## Skiers Blitz Mountain Slopes

Although the 1983-84 Ski Club was not one of the larger clubs on campus, its few members traveled together to find their fun.

The club, led by advisor, Mr. Ed Terwilliger, went on several trips this year. With the start of a fairly good snow season, the skiers left on their first trip to the Utah resorts. Some of the other resorts they visited throughout the skiing season included: Brianhead, Alta, Park City and Snowbird, Utah; Lake Tahoe, and Mammoth Lakes, California; and local trips to Snow Summit, Mountain High, and Holiday Hill.

Each year the ski club chooses an outstanding skier to who the "Skier of the Year" award goes to. This is not necessarily the best skier in the club, it's the one who participates the most in the club. The skiers sold T-shirts with the coyote mascot silk screened on them in order to raise money to purchase something for the recipient of this award.

When asked what she thought of this year's ski club and season, Becky White, club President, commented, "We really had a lot of fun this season and I hope next year the club will have more participation on the trips."

## Backpackers Blaze New Trails

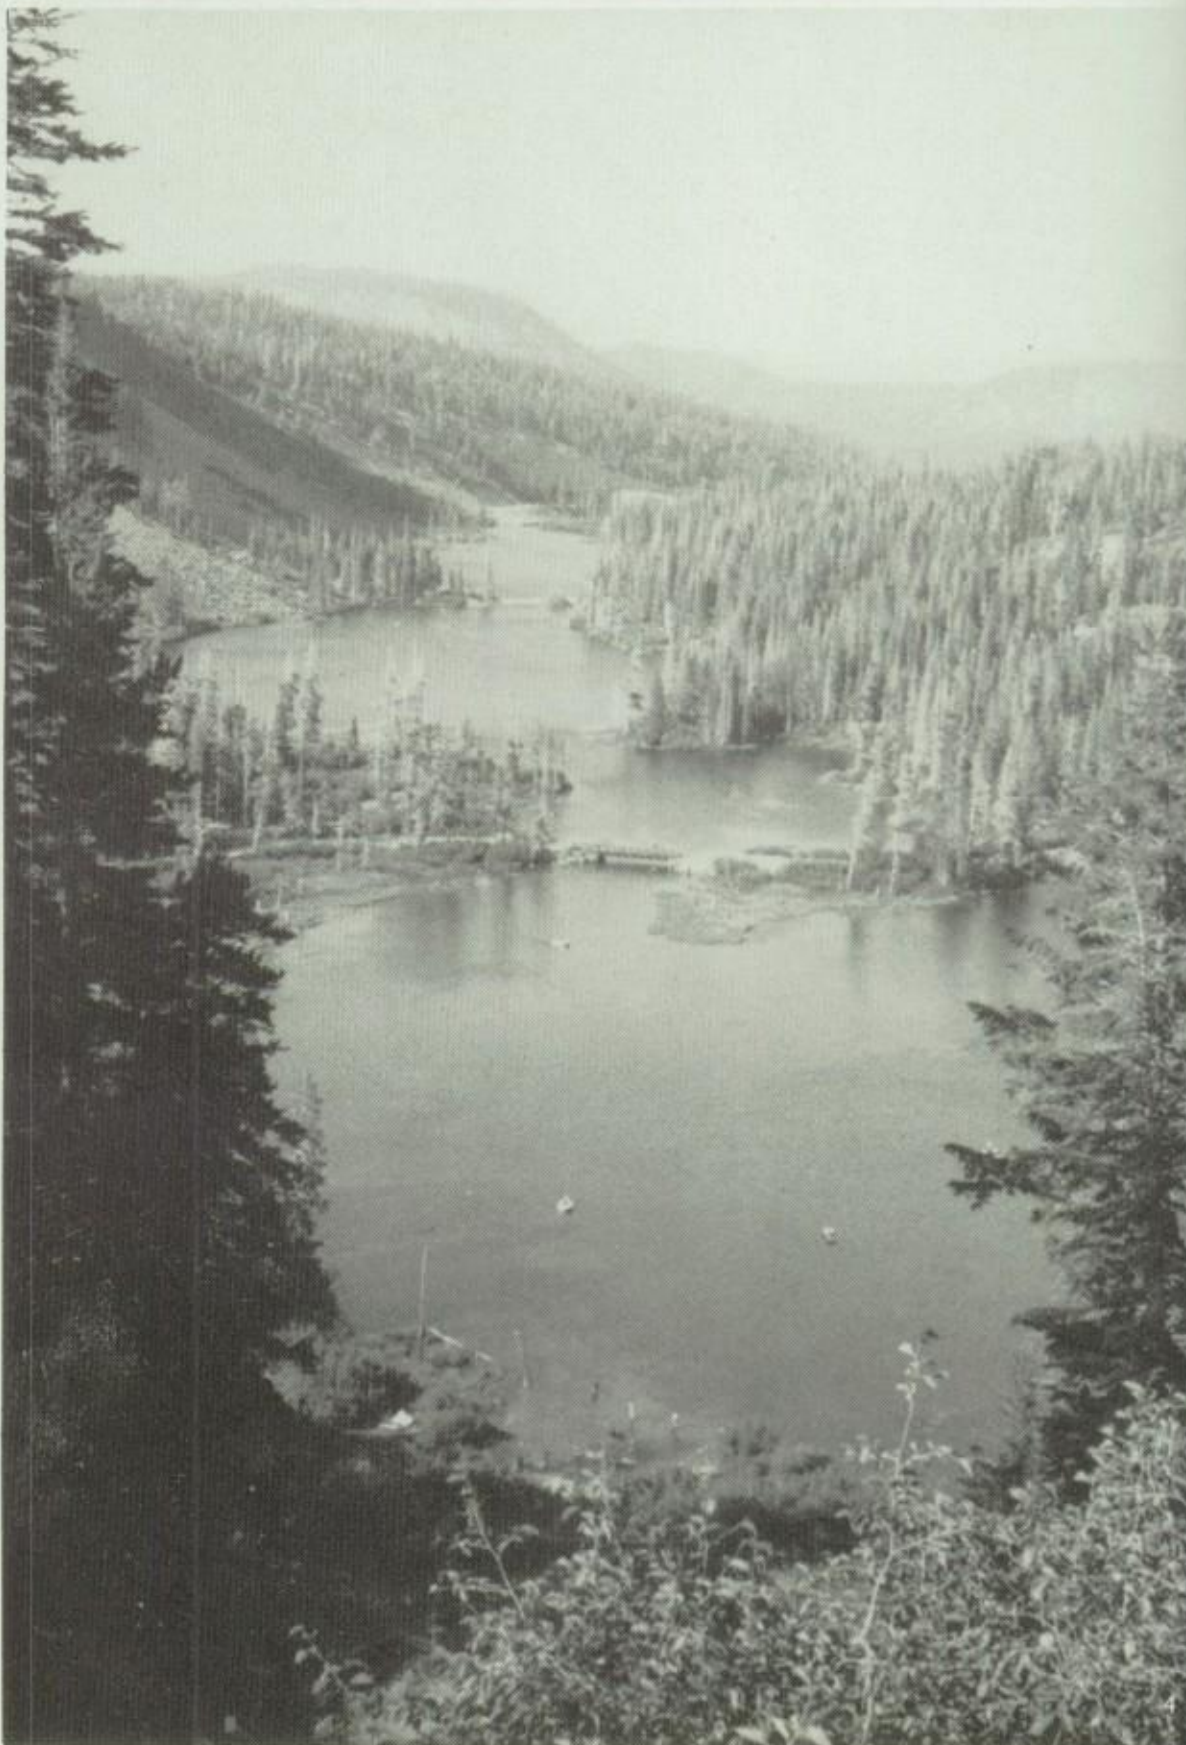

Under the direction of advisor Mr. Tye Hillger, the 1983-84 Backpacking Club enjoyed another fun-filled year.

The Backpacking club was started just three years ago. Its very first President, and current secretary, Kevin White said, "The club has come along way since its first year in existence and I think it will continue to grow as more people find out about it."

This year the club planned to visit many places. Among these were: Mount Rubidoux, Strawberry Peak, Joshua Tree National Monument, and the highest mountain in our Continental U.S. - Mt. Whitney. Not only did they go backpacking at these sites, they also went cross country skiing, rock climbing, and of course camping.

Because of the various activities the club participates in, some of its members think they should be called the "outdoorsmen club." Whether or not the club will change its name is not known, however its members will always have things in common. Adventurous attitudes, energetic spirits, and the willingness to try new things will always be associated with the Backpacking Club.

## *Salute to Hawaii Aloha '87*

*The Freshmen Class of '87 chose to salute Hawaii with their pep week theme "Aloha '87".*

*This was a first attempt at pep week for the class of '87. The attempt was a good one. Beginning at break, the Freshmen sponsored a class wide pineapple eating contest.*

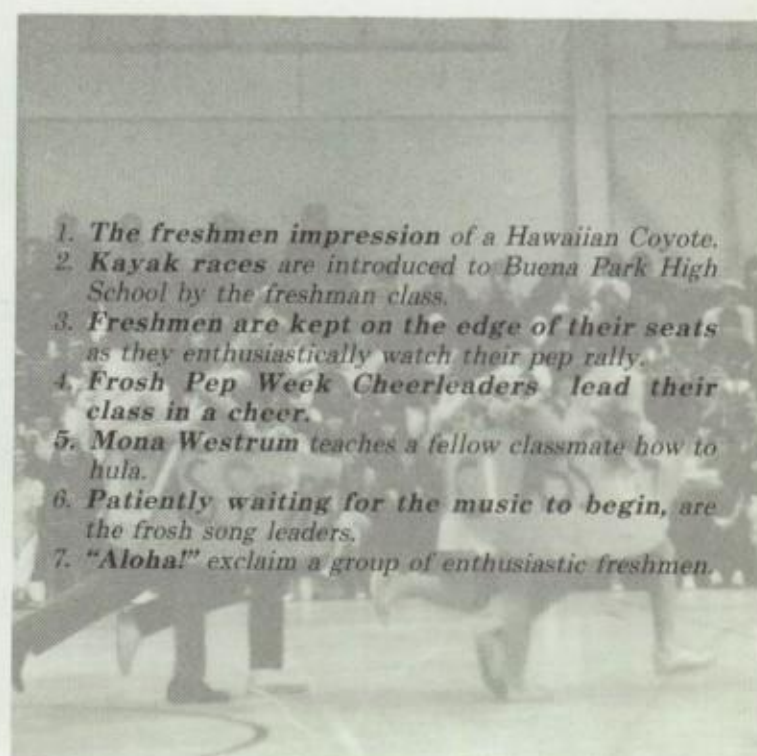

*Next came the big pep rally. The kayak race had the Freshmen racing the upperclassmen, and of course, winning.*

*The Freshmen class won no awards for their attempt, but did get an honorable mention for cleaning up the gym. Overall, the Freshmen did a good job and will definitely be back for more next year.*

# Soph Take Shot In The West

The Sophomore's Pep Week was very spirited this year, with their theme "A Shot of the Old West in 86".

The sophomore class lead their pep week with a western song at break. The class of 1986 showed alot of spirit with their western type costumes and hats.

The pep rally at lunch consisted of a saloon skit, and a horse race; each horse representing a different class. The sophomores obviously won by a land slide. They shouted many cheers and they showed their pride in being a sophomore. They concluded their pep rally with the Alma Mater.

At the end of the week, the sophomores were still going strong in showing their sophomore class spirit. They proved to the other classes that they had pride in the year of 1984.

Success and alot of fun was the end result because of the outstanding guidance of cabinet members. They were; President, Lisa Studebaker, Vice President, Sylvia Mendez, Secretary, Ann Pham, Treasurer, Lein Ho, and class Representative Kathie Kaihewalu.

# 85 Goes South Of The Border

Arriba!! This was the call of the Junior Class on Febuary 8, 1984, the Junior Day of Pep Week.

Although Wednesday was the official beginning of the Juniors' Day, many juniors got together on Tuesday night to decorate the school for the next day. They put up posters and hung up streamers to get into the pep week spirit. Some people spent the night in their cars to make sure the wind didn't blow down the streamers.

On Wednesday morning the class had breakfast at the International House of Pancakes on Beach Boulevard. This was a good beginning to what proved to be a great day. Walking down the hall that day, you couldn't help but feel like you were a a village somewhere south of the border.

For the break, the Juniors put on an imaginative activity. There was a pinata and several juniors participated representing the other classes. The skit ended with the "Junior" breaking open the pinata after the "Freshmen," the "Sophomore," and the "Senior" had failed.

Of course, the pep rally at lunch was the biggest event of the day. The class came running in together like they've done for the past two years. For their skit, they had a "bull fight" with the bull being killed by the Junior Matador. They also made a Coyote Spirit Burrito." Along with the skits, the pep week song and yell leaders performed. The class showed a lot of enthusiasm and energy throughout the entire rally.

Finally, on Friday came the big day the junior class had been waiting for. The juniors won two awards for their pep week activities. With the theme "85 goes South of the Border," they tied with they seniors for Most Original Theme. The class of 1985, the second year in a row, won Best Yell Squad. The members of this year's squad were Joe Rhodes, Kim Robinson, Joanne Weber and Kathy Baca. President Nancy Multalo," I was really excited with the outcome of pep week. I'm proud of the way the class participated."

Pep week was fun for all the juniors involved. It helped to promote class spirit and school involvement. As the class of 85 says "Adios" to their junior year, they will remember this pep week for years to come.

# 84 Triumphs At Toga Party

"Friends, Romans, and Underclassmen, lend me your ears. The mighty seniors are here for the Roman War: Toga 84!" Once again the class of '84 has put on an excellent and enthusiastic pep rally with the envy of fellow students.

After contributing to three previous years of spectacular pep rallies, the class of 1984 left a definite impression on underclassmen and faculty members. They put on an ultimate performance as their finale of pep week.

To launch the beginning of pep week, seniors wore different symbols each day of the week to represent their allegiance. The first day they wore hats, second day sunglasses, and third day buttons. Thursday and Friday were left for their uniquely designed togas.

As a tradition, many seniors stayed late into the night decorating the Senior Quad in preparation for their big day. To give Buena Park High School a touch of Roman times the quad became known as "Senior Palace". In accordance to its new title a red carpet was rolled out at the entrance, white sheets hung in front, and white pillars stood tall. Paper wrapped around the quad was illustrated with Roman symbols and lettering. A web of toilet tissue and streamers were interlaced through near by trees and posters were hung throughout the campus.

Senior day began with breakfast at Bob's Big Boy of Buena Park. When break arrived energy began to flow as Thom Pionke and Mark Sundelius carried a torch through the halls of B.P.H.S. to the Senior Palace where they lit the '84 "torch of spirit" as the theme Chariots of Fire echoed across the school. The festivities continued with dancing and cheering around the quad and a dance routine was presented by the song squad.

Finally lunch arrived and the seniors demonstrated how crazy, lively, and uproarious they could get at their last pep rally. The rally got underway when Jim Valenzuela, dressed as the school mascot with a toga draped around him, was carried into the gym followed by screaming seniors. Next was a battle with a ferocious lion, Brent Boice, which was slain by Senior Gladiator, Ray McCormick. Then began the Chariot Races, with the Senior Chariot, Apollo Speed, leaving underclassmen in the dust. The song squad once again entertained everyone with another great routine. As the songs "Louie Louie" and "Shout" were played the class of '84 ran to the gym floor and did a dance called the "Worm". The celebration came to a close when devoted seniors stood arm-in-arm while singing ALAMA MATER.

It was very evident that the class of '84 had what it took to live up to the role of being the best spirited class. They won seven of eight trophies to prove it. They were: best Song Squad, Pep Rally, Break Activity, Skit, Participation, Original Theme and the '84 Courtesy Award. Kevin White received the Best Individual Effort Award.

Thanks to the fantastic leadership of Class President Ruby Michiue and Vice President Kevin White and to the rest of the involved seniors, the rally along with other activities were very successful. The memories that it left behind will definitely always be treasured.

# Athletic Clubs Get Involved

Despite many administrative changes this year the Lettermen's club and the Girls Athletic Association (GAA) have accomplished a very successful year.

There were many adjustments to be overcome at first because of policy changes, yet the organizations managed very well.

The Lettermen's club has the responsibility each year of organizing the "powderpuff" and "super stars" competitions along with several other similar activities.

GAA is responsible for organizing and putting on the annual and very popular Sadie Hawkins Dance in March.

The main function of these two organizations is to promote the boys and girls sports and getting the student body more involved in the athletic activities.

In order to be in one of these organizations you must letter in a sport. In order to letter you must be on a varsity team.

This years GAA cabinet consisted of: President Shoko Kitazumi, Vice President Joanne Borik, Senior Representative Doreen Molnar, Junior Representative Marcy Booth and Sophomore Representative Marcy Carr. Advisor was Janice Howard.

The Lettermen's club was made up of: President Mark Sundelius, Vice President Jeff La-whorn, Treasurer Brent Boice, and Secretary Wayne Fruneaux. Advisor was Dan Hirsch.

In preparing for their most important performance of the year, the annual Spring Concert, the 1983-1984 Dance Production worked exceptionally hard. They practiced over 162 hours during the month of April, not to mention all the other personal time not accounted for.

Dance Production also danced at several other places throughout the community. Some of these included: Silverado Days at William Peak Park, in Buena Park, Maple School in Fullerton and several performances at Leisure World in Seal Beach. All these performances led up to the most important one-Spring Concert. With the theme being, "Dance Dimensions", the thirty-seven dancers opened the four-day concert with flashy costumes, and jazzy dances. The concert produced a variety of entertainment and provided the audience with a memorable evening.

In order to prepare for the high costs of a concert, Dance production had some fundraisers. They sold candy bars, held several bake sales and received additional funds from ASB. The 1984 Spring Concert not only produced a great profit for BPHS, but will be remembered for a long time to come as being an entertaining evening.

FFA

## Unique Club Promotes Success

One of the unique organizations we have here at Buena Park is the FFA, Future Farmers of America. "The kids that join FFA are very dedicated to their work," says FFA advisor, Curtiss Combs.

The FFA is known for their many animals which they raise and auction off at the Orange County Fair, but the FFA does more than raise animals. They also raise plants and sell them to nurseries and learn about agriculture mechanics, how to set in sprinkler systems, learn about irrigation, etc.

The FFA tends to the animals and plants during class, only about once or twice a week. The rest of the week is spent in class learning about agriculture science, medicine, different breeds of animals and many other different topics having to do with farming. They really had a broad section to cover throughout the year and they learned many interesting things about farming. They also came everyday after class hours to tend to their animals.

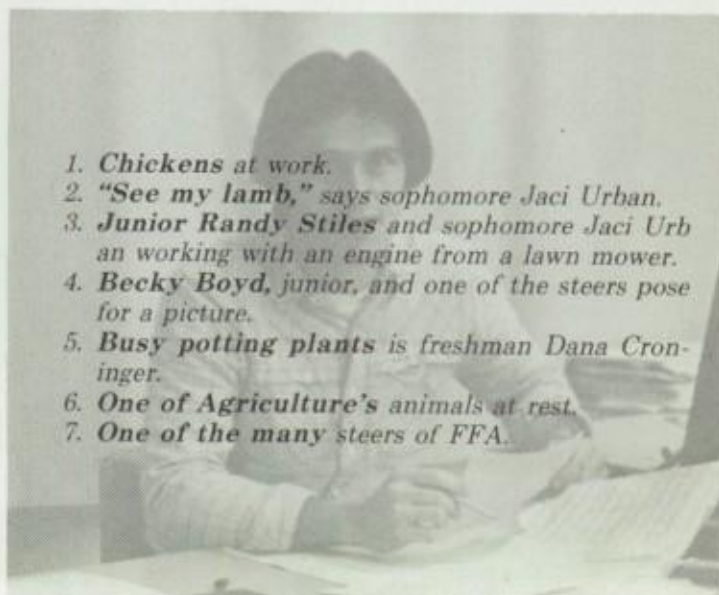

This year's cabinet members were President Melissa Eckert, Treasurer Richard Gourd, Reporter James Boyer, Secretary Willie Herman, and Sentinel Kelly Lewis.

Combs has been with the FFA for six years and was proud to say, "We did really good. This has been the best year ever."

# Movie Production Spotlights Films

Under the direction of Mr. John Hufferd, the 1983-84 Movie Production class has completed another successful year of filming and producing.

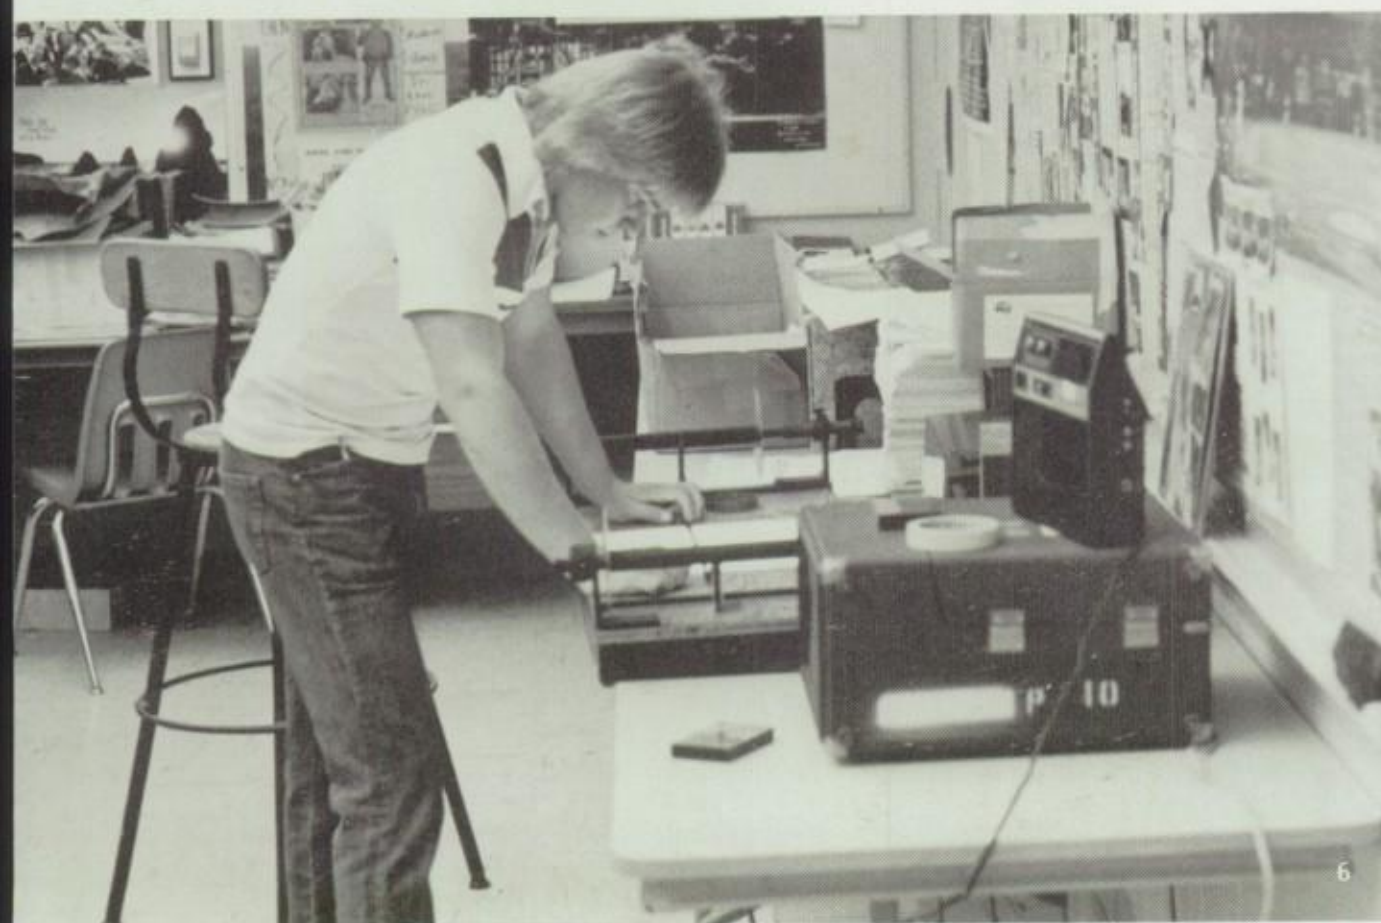

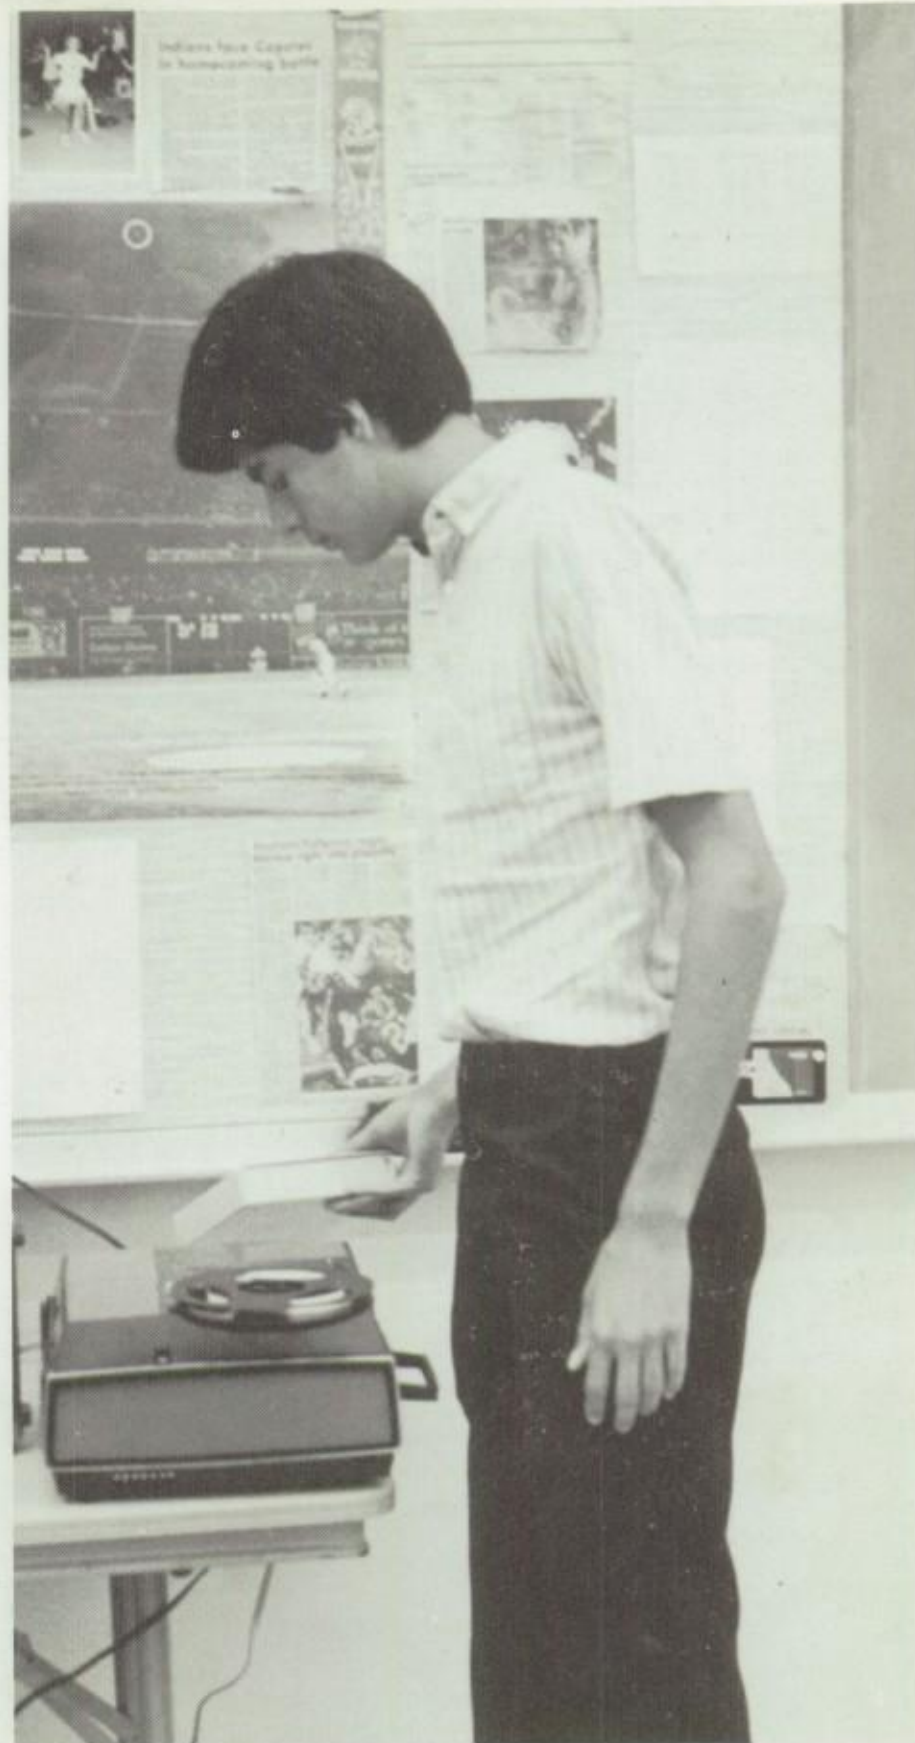

With "Senior Film 84," the class has continued with a meaningful Buena Park tradition. "Senior Film 84" has captured memories that all students will remember for many years to come. With a fine cabinet of officers, and a hard-working class of seniors, the Movie Production class has not only been successful with Senior Film, but also with the Film Festival. The Film Festival was a showing of films written, directed, and produced by the students in the Movie Production class. Students paid a small fee to see these films during the week they were shown in the P.A.C. The films are judged by a selected panel of students. Prizes were given for different catagorial accomplishments.

The '83-'84 Movie Production class is a special group of graduating seniors and has done an excellent job in their field. Mr. Hufferd has also done an excellent job working with these students on Senior Film and the Film Festival.

# UNDERCLASSMEN

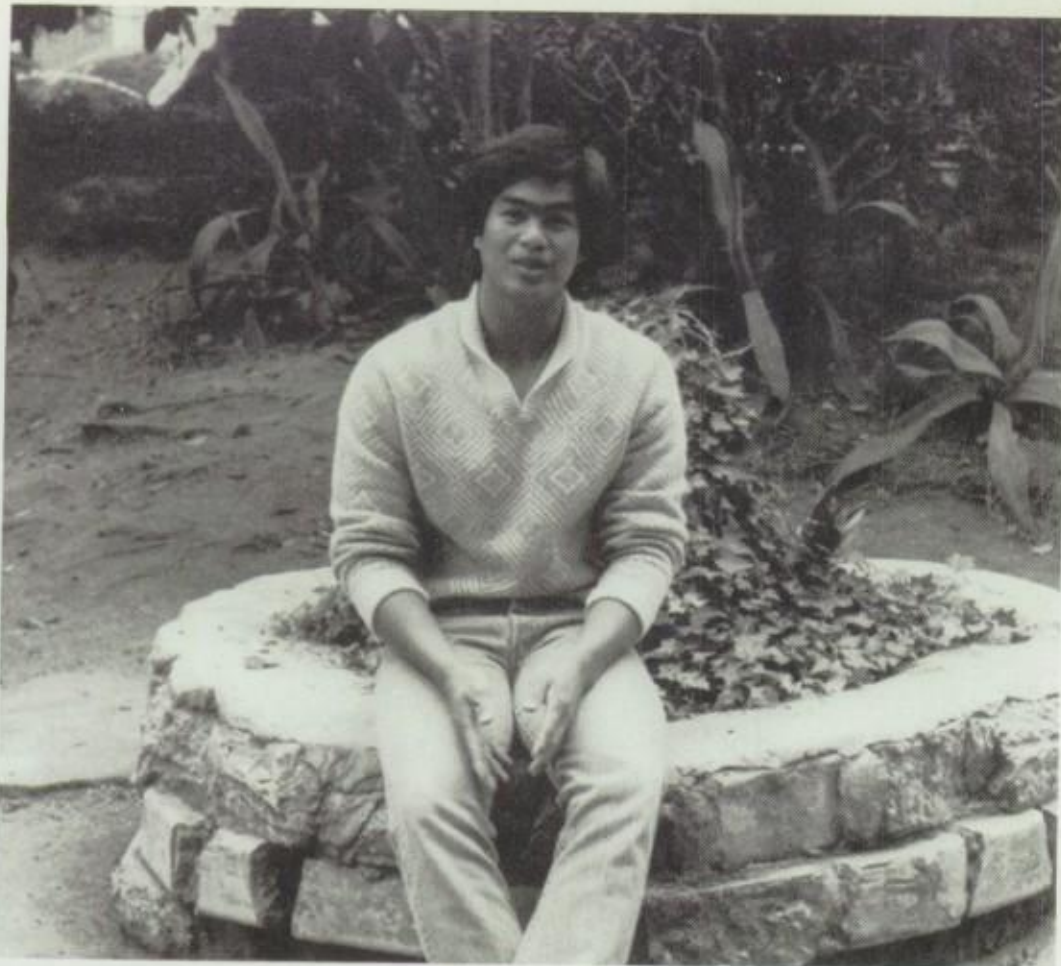

1. **"Do you think we can be New York models?"**, wonder President Nancy Mulitalo and Vice Marcy Booth.
2. **"Do you think we'll get dates for Friday night?"**, inquire Secretary Vicky DeLeon and Rep. Marisa Garcia
3. **"You see it's like this . . ."**, explains Treasurer Joel Masinsin.
4. **One big happy family** is the Junior Class Cabinet.
5. **President Nancy Mulitalo** tells Santa what she is expecting for Christmas.
6. **Vice-president Marcy Booth** ponders whether she will be the next Miss America.
7. **"It's great to be the only guy on cabinet,"** says Treasurer Joel Masinsin, fondly surrounded by Vice-president Marcy Booth, President Nancy Mulitalo, Rep. Marisa Garcia, and Secretary Vicky DeLeon.

## Juniors Ignite With Spirit

With perhaps the most spirit in the entire school was the Class of 1985! Exuberant in spirit at all pep functions, the juniors continued to sweep the awards at rallies, tying in number of wins with the seniors. President Nancy Mulitalo said about her class, "What can I say, we were a very spirited and united class."

With Mr. Fisk as head advisor, President Nancy Mulitalo, Vice-president Marcy Booth, Secretary Vicky DeLeon, Treasurer Joel Masinsin, and Representative to ASB Marisa Garcia strived to elect the best site for the 1984 prom, their chief function as officers. The cabinet organized many fundraisers, including the omnipresent gram sales, football program sales, Homecoming flowers, and a classwide candy sale. Through zealous effort, the cabinet managed to organize a great prom and gave the Class of '85 a great name!

The major attractions for the juniors throughout the 83-84 school year were Homecoming and Pep Week. Class Vice-president Marcy Booth was chosen to represent the Junior Class in the Homecoming festivities. Marcy shone beautifully and was an ideal emissary for the class at Homecoming. Pep-Week festivities were successful and united the Junior Class under their "South of the Border" theme.

The Class of '85 will continue to grow in spirit and mature in the future, proving to be great seniors and a valuable asset to BPHS!

## *Enthusiasm Was Trademark Of Sophomore Class*

The Sophomore Class has proved that they are an active and contributing force on the Buena Park campus. They have shown us their influence on the school and its activities.

With a year of high school under their belts, the class of 1986 started off the 83-84 school year in high spirits. Their excitement was obvious to everyone by their enthusiastic attitude at the traditional opening day assembly. This enthusiasm carried throughout the year in many pep rallies, and was especially evident in their very successful pep rally during pep week. With the theme, "Shot of the Old West in '86," the sophomores showed the school that they are a force to reckon with.

This year held many highlights for the sophomore class. Tanja Pate represented the class on the 1983 Homecoming Court. Barbara Brouhard was the sophomore princess at the CSF Winter Dance, "Crystal Dreams." Pep week was the major accomplishment in the class' year.

A contributing factor to the unity of the sophomore class was its cabinet. The cabinet planned and executed many fundraisers throughout the year. Under the guidance of their advisors, Miss Flora Anderson and Mrs. Bonnie Hayslette, the cabinet learned many leadership skills that will help them in the future.

The Sophomore Class has made this year an exciting one. The spirit and unity of the class of '86 foretells of an even more important role in their remaining years at Buena Park High School.

## The Class Of '87

# Freshmen Class Seeks Adventure

Off to a great start in their high school adventure is the Freshmen Class of 1987. This year's freshmen have shown an unprecedented interest in many school functions; such as dances, games, and pep rallies. In fact, the Class of '87 has especially shown an eagerness to be involved with class activities and around school as a whole! Under the leadership of President Jocelyn Masinsin, Vice-President Georgina Dimasin, Secretary Blanca Grajeda, Treasurer Anita Watkins, Representative Jennifer Starr, and Advisor Mr. John Pirkle, the activities the freshmen took part in were highly successful.

The Homecoming ceremonies played a key part in boosting the spirit of the Class of '87. Two attendants, Christine Wagner and Jocelyn Masinsin looked fantastic and heightened their class spirit significantly. This year's freshmen also did an excellent job at the Pep Week festivities. The cabinet and their designated Pep Week cheerleaders labored long and hard to unite their class under their theme, "Aloha 87". On Monday, they started off with a pineapple eating contest at break, and sponsored a "class-wide" canoe race at their pep rally in which they naturally won. Moreover, the freshmen class shocked the rest of the school with their overwhelming attendance of most of their 520 classmates at Monday's pep rally. They were officially commended at the Pep Week awards rally for the most thorough gym cleanup after their rally.

The Class of '87 promises to be a most productive and a valuable asset to B.P.H.S. throughout the upcoming years!

# Coyotes Manage To Break-Even

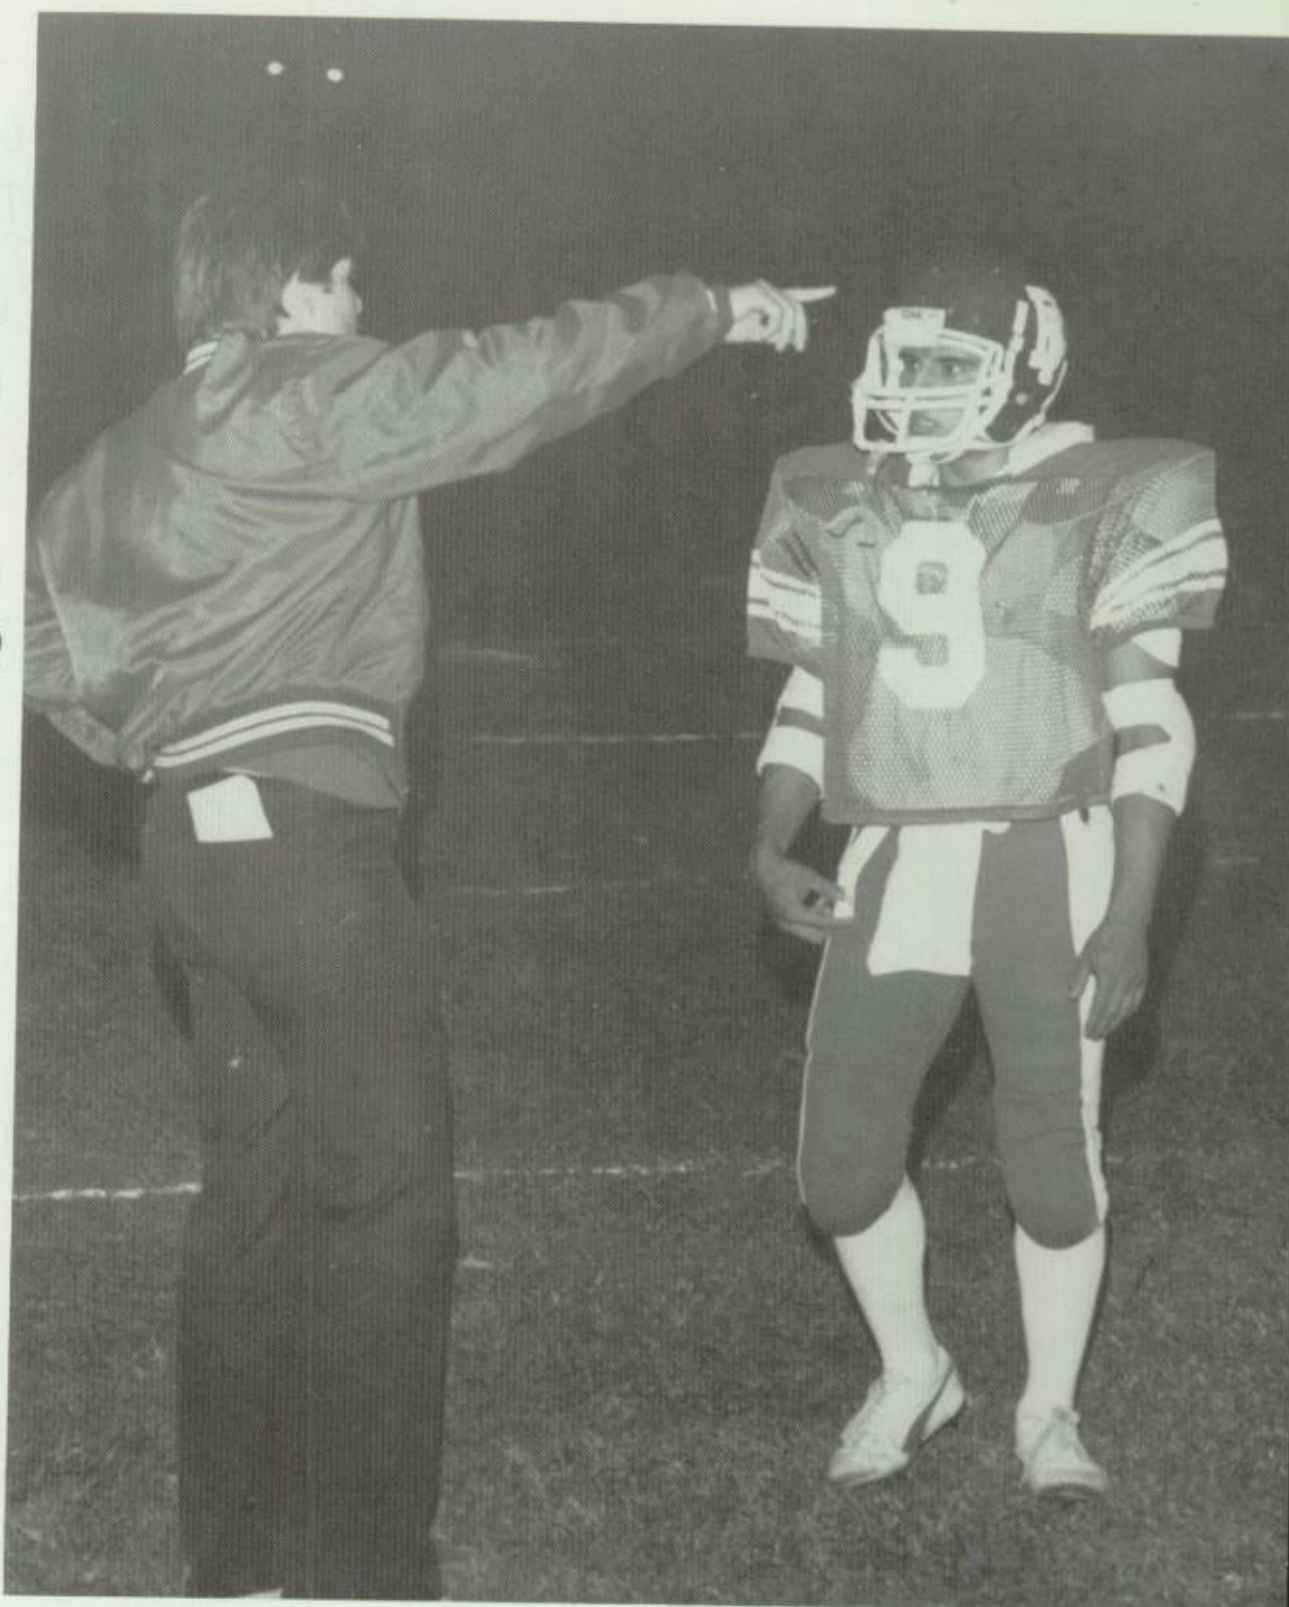

Once again this year, a great number of fans appeared to watch their beloved Coyote Football Team. Not wanting to disappoint their fans, the Varsity squad pulled through with a striking performance.

The season opened with high expectations from everyone. The Coyotes started off strong with victories over the Bolsa Grande Matadors (26-0) and the Savanna Rebels (28-7). Great optimism rose as the season progressed and the chances of reaching C.I.F. became even better.

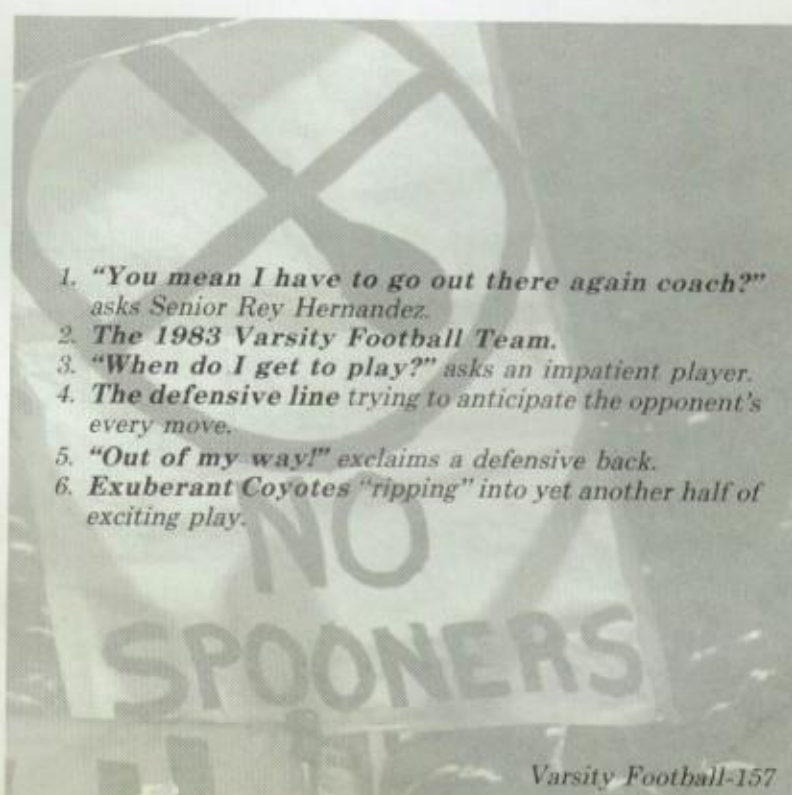

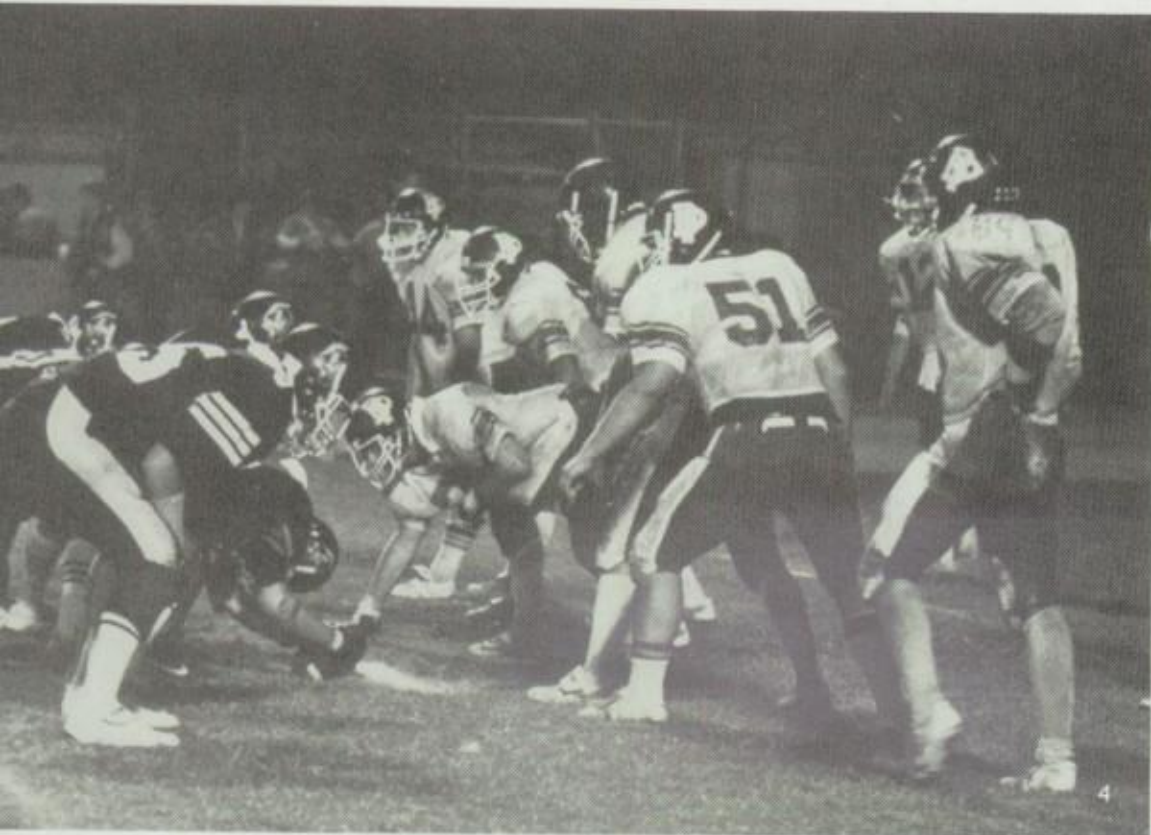

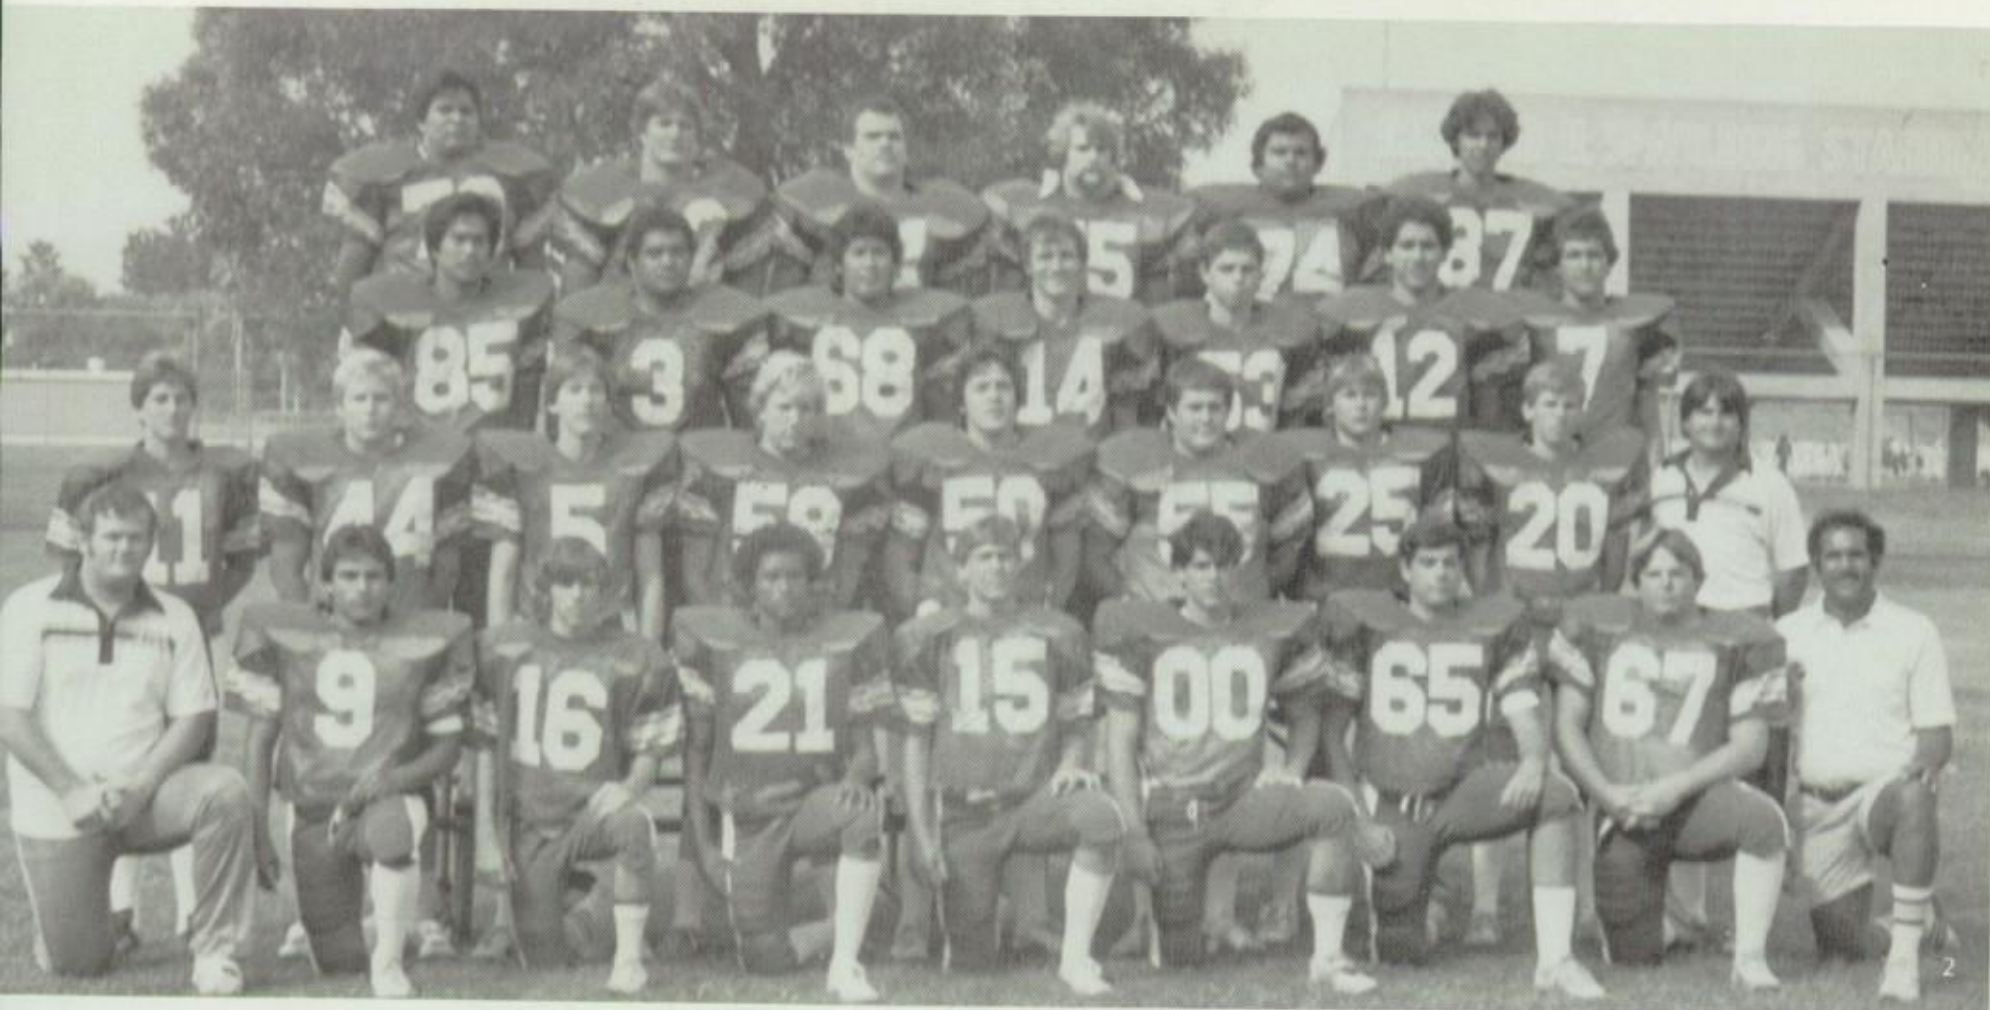

The highlight of the season came upon the night of the Homecoming game. After a long three quarters and most of the fourth quarter, the Coyotes led 18-17 over the Sonora Raiders. Sonora's last chance to score came with only ten seconds left in the game, fourth down and seventeen yards to go. Deciding to go for the touchdown, the Raiders sent up a pass intended for a Sonora receiver. Yet, the ball fell into the hands of the Coyotes' own Jeff Lawhorn.

In the games that followed, tragedy bestowed itself upon the Coyote hopefuls. A disappointing loss to the Fullerton Indians jeopardized C.I.F. hopes. Then a tough defeat to the La Habra Highlanders influenced the league to choose El Toro over Buena Park to continue to the play-offs.

# The Futures At Stake

## Frosh Encounter Frustrating Year

Encountering a most frustrating season, the young Freshmen football team finished with a depressing 0-10 record. This situation, however, doesn't reflect the whole story.

At the start of the season, Coach Prentiss Porter and team captains such as Robert Spino and Wayne Goddfrey stressed teamwork and commitment. In their first contest, the Coyotes fell to the La Mirada 30-6. One defeat followed another.

One of the brighter spots of the season, came against cross town rivals, Sunny Hills Lancers. The games heart-breaking defeat went down to the wire with the Lancers prevailing 14-6.

One of the Freshmens better players, offensive tailback Alfonso Negrete said, "We had a good enough team to win every game, but we just didn't get the breaks." He also added, "We had a good enough team and we did good for a first year." Defensive cornerback David Studebaker expressed his thoughts by saying, "We wanted to win and we tried really hard."

Although the team was upset about their defeated season, the returning boys are determined to make a strong showing on next year.

## Soph Packs Mighty Punch

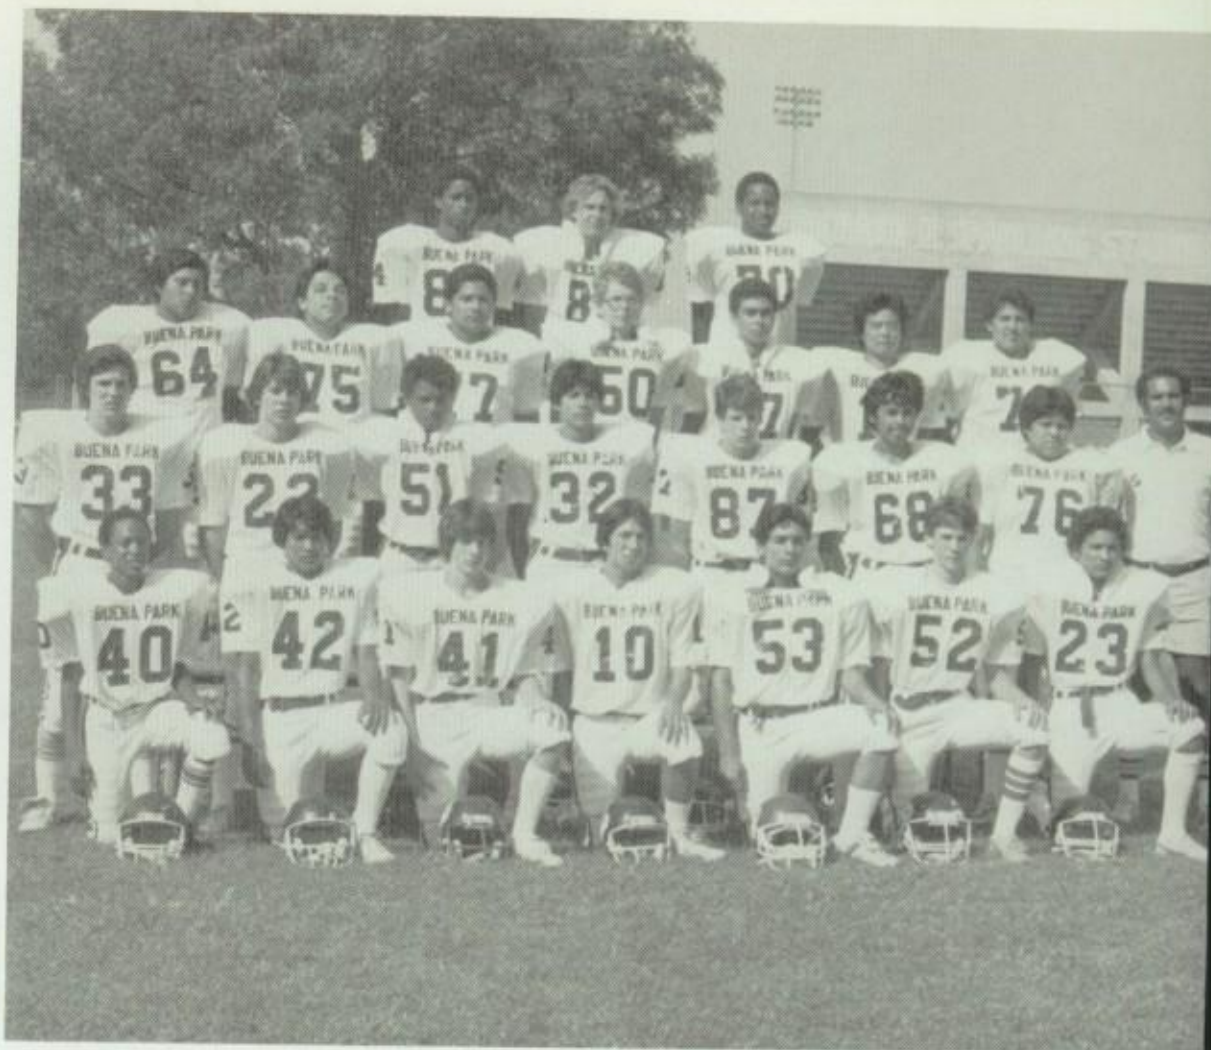

Although the Sophomore football team finished with a 3-7 record it was one team that refused to quit. In experience and youth is always an excuse other teams use but the Coyotes refused to be classified under the odds.

This year the Coyotes were led into battle by Coach Allen and Coach Reynolds one of the newest additions to this year's football staff. With exciting victories and depressing defeats the Coyotes finally realized that league was lost but they continued to win as a team.

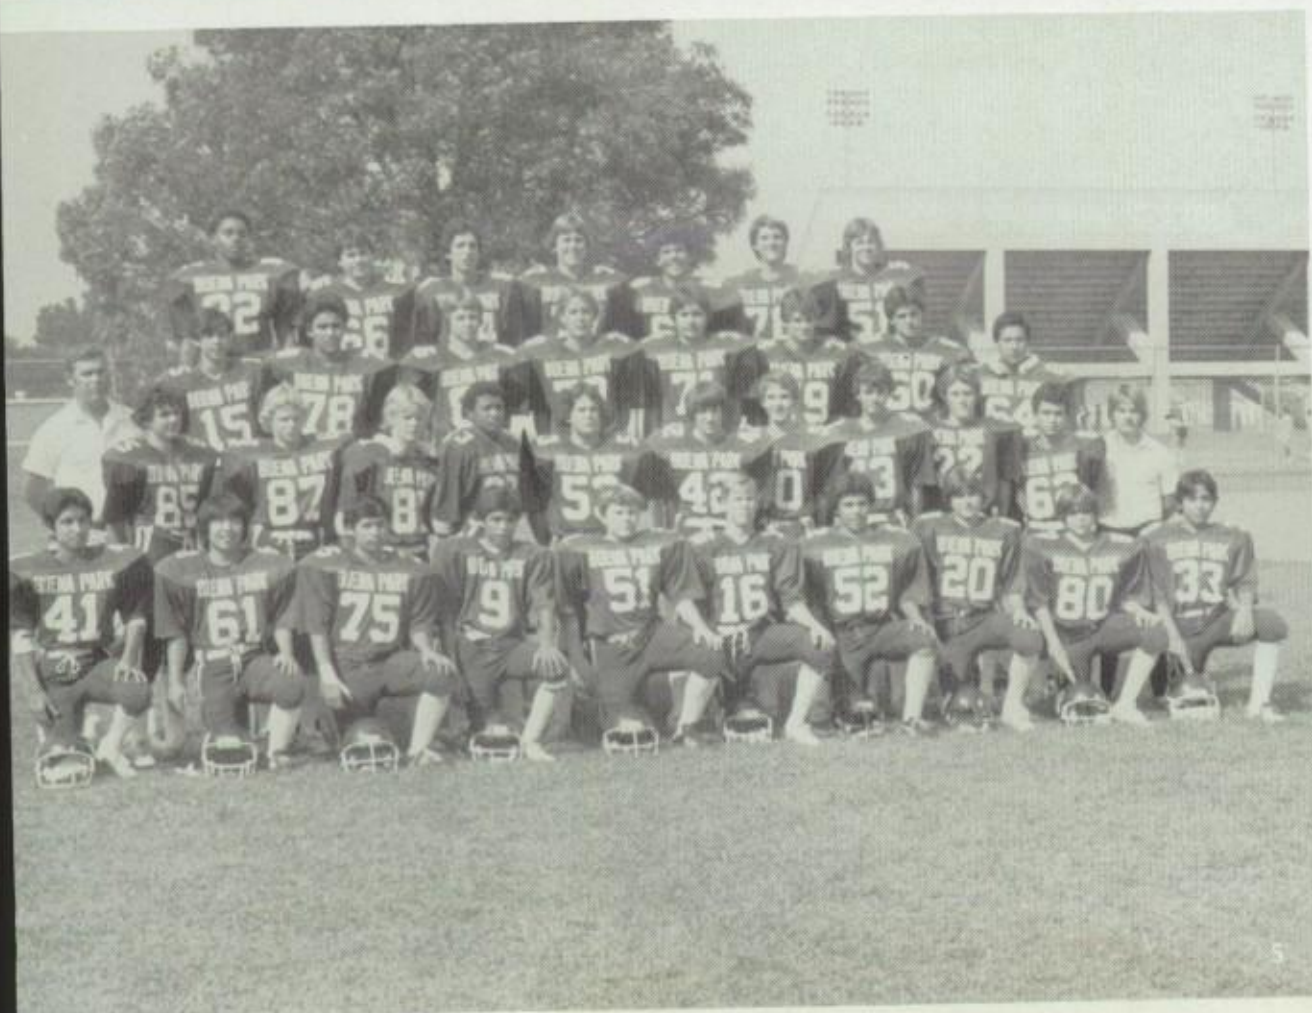

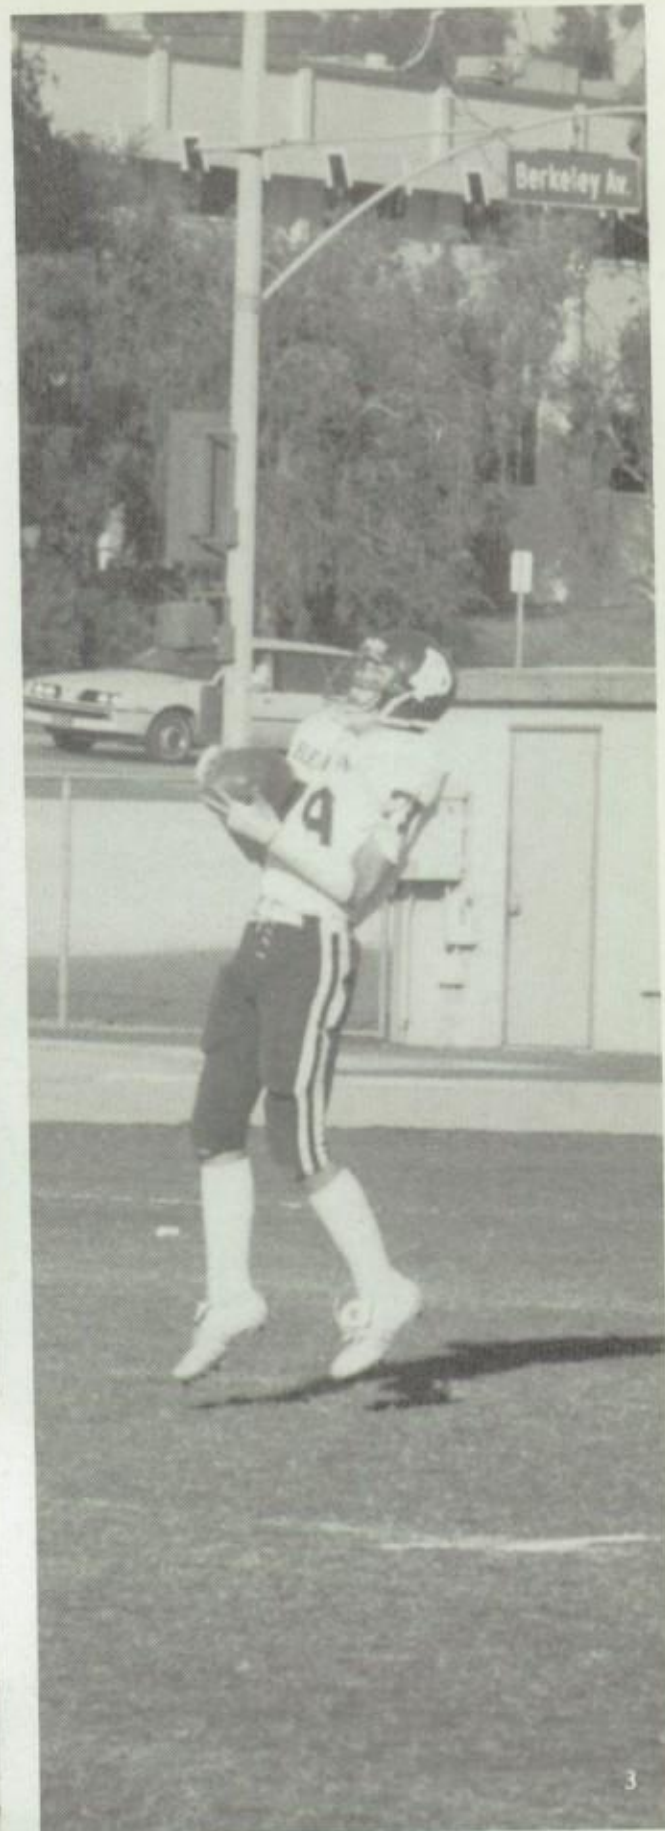

The best part of the over-all season was the victory over cross-town rivals Sunny Hills 13-7. With them captains M. Robins, R. Lemon, and J. Guglielmana the taste of victory wasever so sweet.

Even though it wasn't as promising as they hoped, the Coyotes will return more capable and experienced next season so as they can capture the Freeway League title.

## Team Makes CIF Finals

# Cross Country Sets Goals On CIF

With the goal of a team usually being to win a league championship, the Buena Park Cross Country team set their goals higher—a CIF Championship.

The team started training early in the summer, having workouts at 6:00 a.m. every morning. Their training came to a climax when they went to their high-altitude training camp for two weeks at Mammoth, CA. While at Mammoth, the team entered its first race of the year, the June Lake Loop 20 Mile Relay. With five runners running four miles each, the team beat our school's record. The team consisted of Seniors Kevin White, Jim Valenzuela, Juniors Steve Scardina, Wayne Fruneaux, and Greg Pusey. From that point on, the team knew they would be heavy contenders for the CIF Championship.

The team's first race of the year was against Dana Hills, Foothill, and Esperanza. Dana Hills was ranked second in the CIF pre-season polls. Buena Park almost pulled off an upset, except with seventy yards to go in the race, a runner for Buena Park took a wrong turn, and the team lost by one point. This didn't bother them because they knew, and so did Dana Hills, who actually won the race.

The only difficult competition faced in league, was arch rival Sunny Hills. With about 100 yards into the race, a runner from Buena Park tripped in the pack causing himself and two other runners to fall, while another had to come to a complete stop. By the time the four runners got up and running, they were fifty yards behind. But, they eventually caught up and pulled off a narrow victory.

Buena Park entered many invitationals—Woodbridge, Esperanza, Buena Park, Orange County, and Mt. SAC. The highlight was the Buena Park Invitational, where the team came within two points of beating Villa Park, which was supposedly the best team in Southern California.

By the time League Finals rolled around, the Buena Park Cross Country team was undefeated in league, and on the way to its eighth consecutive league title. They easily won at League Finals with four runners winning All-League First Team honors—Junior Steve Scardina, Sophomore Tom Fortney, Seniors Kevin White, and Jim Valenzuela. Buena Park was on its way to CIF.

CIF was held at Mt. SAC, which is known as probably the toughest 3 mile course in Southern California. However, at CIF Prelims, due to rain, they had to run the rain course, which they had never run before. Despite this, they qualified for CIF Finals—Buena Park had not made it to the Finals in the last two years. When CIF Finals came, the weather was clear; therefore, they had to run the regular course. The team ran good, but not great. They ended up taking 11th place. Junior Steve Scardina, however, ran exceptionally well, taking 8th place in the race.

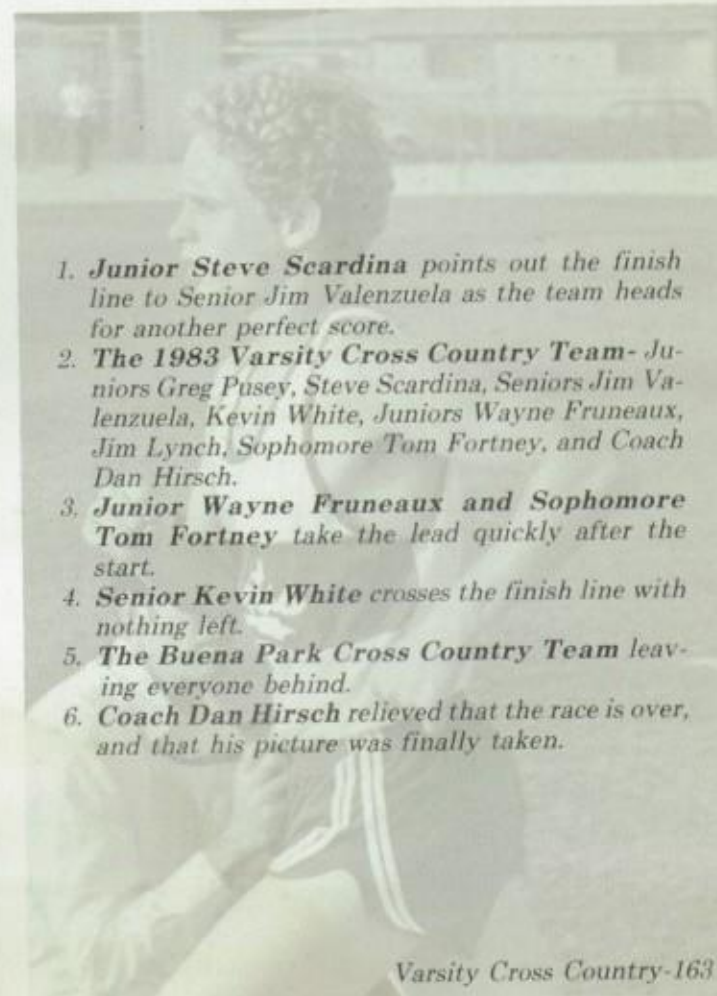

Although their goal was not reached, the Buena Park Cross Country team felt that they had a very successful and exciting season.

Coach Dan Hirsch was thankful to Steve Boaz, the team's assistant coach, who ran with the team and became their friend. Coach Hirsch is looking forward to next year since he is only losing two runners to graduation that were on the Varsity squad.

Running to league titles is what the Frosh-Soph and J.V. cross country team accomplished. The Frosh-Soph has now won 9 straight league titles and the J.V. team has won 8 league titles out of the past 9 years. This year the J.V.'s perfect scored the Freeway League 15-50 in the league invitational.

The outstanding Frosh-Soph runners were: Dave Gilmore and Joel Gomez. The best J.V.'s were: Senior Steve DiGerlando and Juniors Steve Koch and Jose Terriquez. The Frosh-Soph and J.V. teams were both 5-0 in league competition. Both teams started off the year with workouts in early July and progressed to where many runners attended running camp at Mammoth Mountain in late August.

## Girls' CC Ends Year W/Success

The Girls' Cross Country team consisted of 12 dedicated runners. With their efforts they managed to do extremely well in the League Finals. Junior Varsity placed first, and they won five medals. Varsity tied for fourth place.

The coach of the Girls' Cross Country Team was Coach Donna Kramer. Her runners were Georgia Carrera, Yvette Carrera, Sandra Dominguez, Susan Lux, Donna Oyos, Karen O'Neil, Kim Schafer, Liz Terriquez, and Penny Wholford.

At the end of the year the team got together and voted Most Valuable Runner, Liz Terriquez; Most Improved Runner, Donna Oyos; and Most Inspirational Runner, Patty Blair.

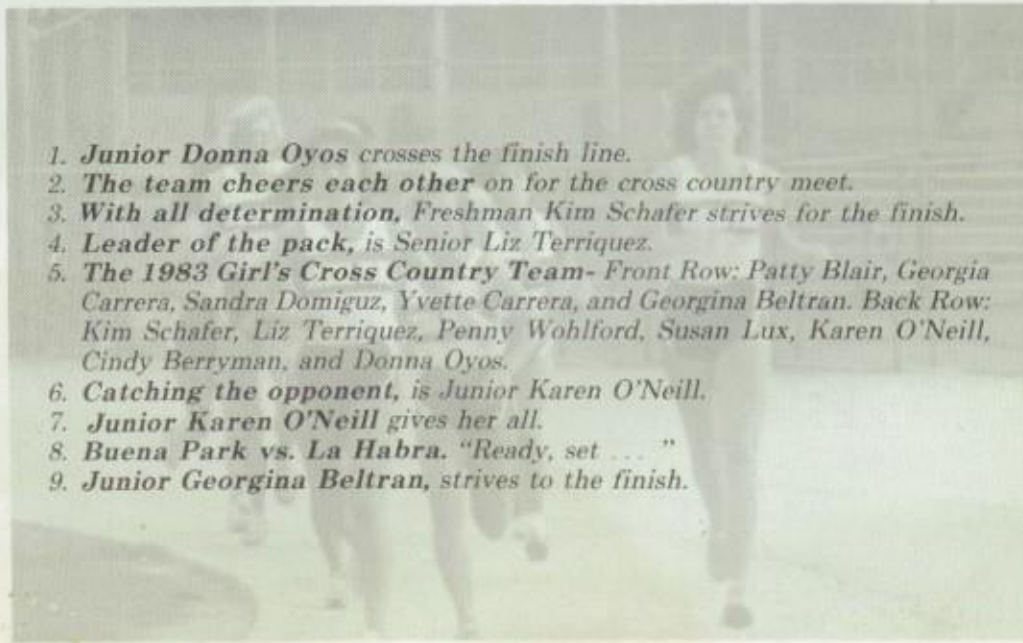

Liz Terriquez had placed tenth in Buena Park Invitational and received a medal. Her best time this year was 21:04.

Mrs. Kramer commented on the team's good sportsmanship and was proud of their efforts.

*Eighth In C.I.F.*

## *Water Polo Finishes Third*

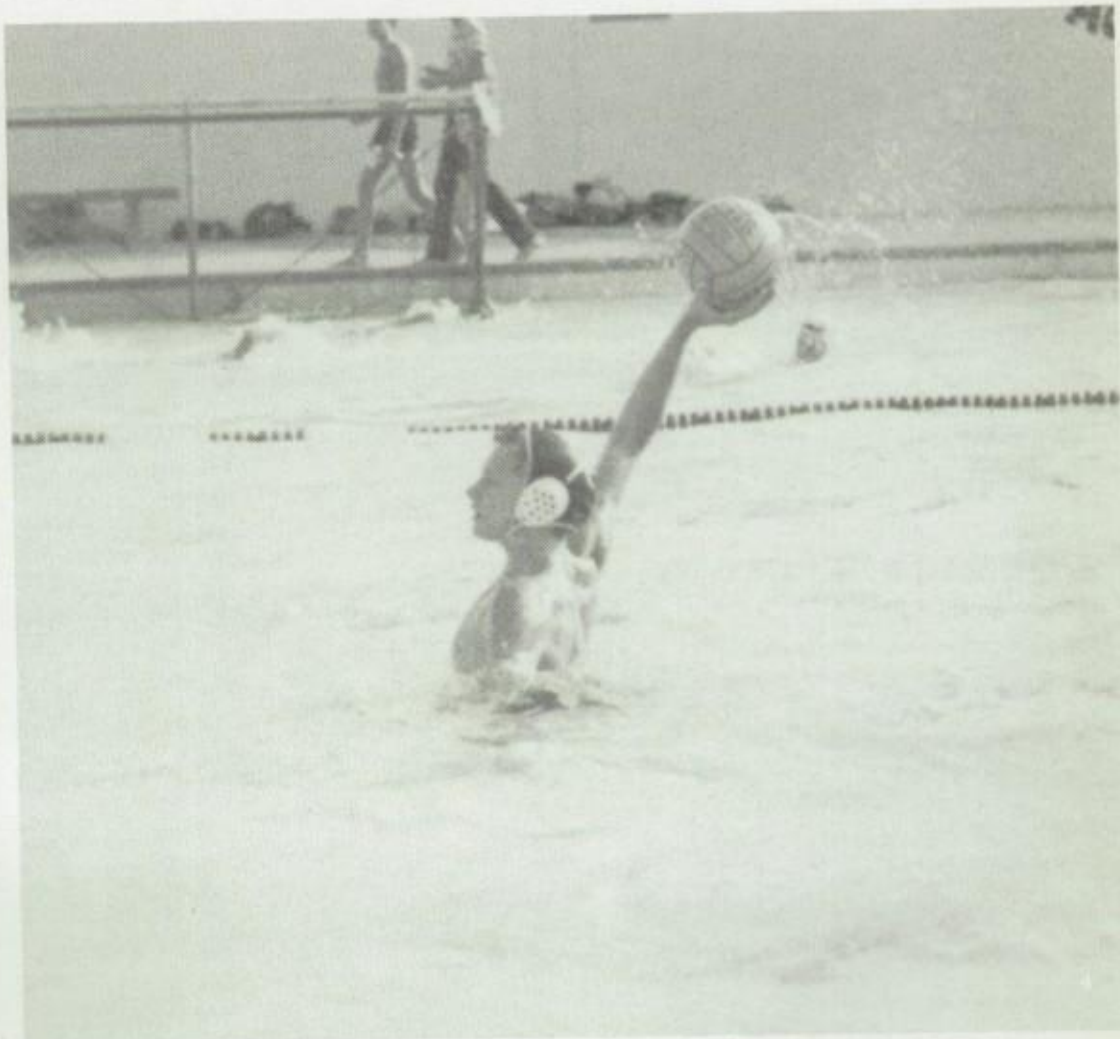

With a record of three wins and two losses in league, fifteen and nine over all, and a ranking of as high as eighth in C.I.F. standings, our Varsity Water Polo team has had another good season. With Assistant Coaches, Mike Bone and John Machade helping Head Coach Ted Clark make the calls, the team played great. The team only went as far as the first round in C.I.F. playoffs, but the team they lost to

went on to be C.I.F. champions.

When the season was completed, different players were recognized for certain achievements. Most Valuable Player went to Greg Stoddard, Most Inspirational went to Ron Kim, And Most Improved went to both Brent Boice and Richard Fierro. A few outstanding players were awarded with different league titles. Greg Stoddard was ranked first team All

League, second team All Orange County, and third team All C.I.F. Ron Kim was also ranked first team All League and third team All C.I.F. Brent Boice, Trent Binger, and Jeff Bone were all ranked second team All League.

Although there are a few senior players graduating, many players are returning. With these returning players we can look forward to another fine season next year.

6. Mark Patron passes the ball to a teammate.
7. Freshman Mike Thede looks on as the team plays.
8. Tebore Fekete gets ready to block a pass.

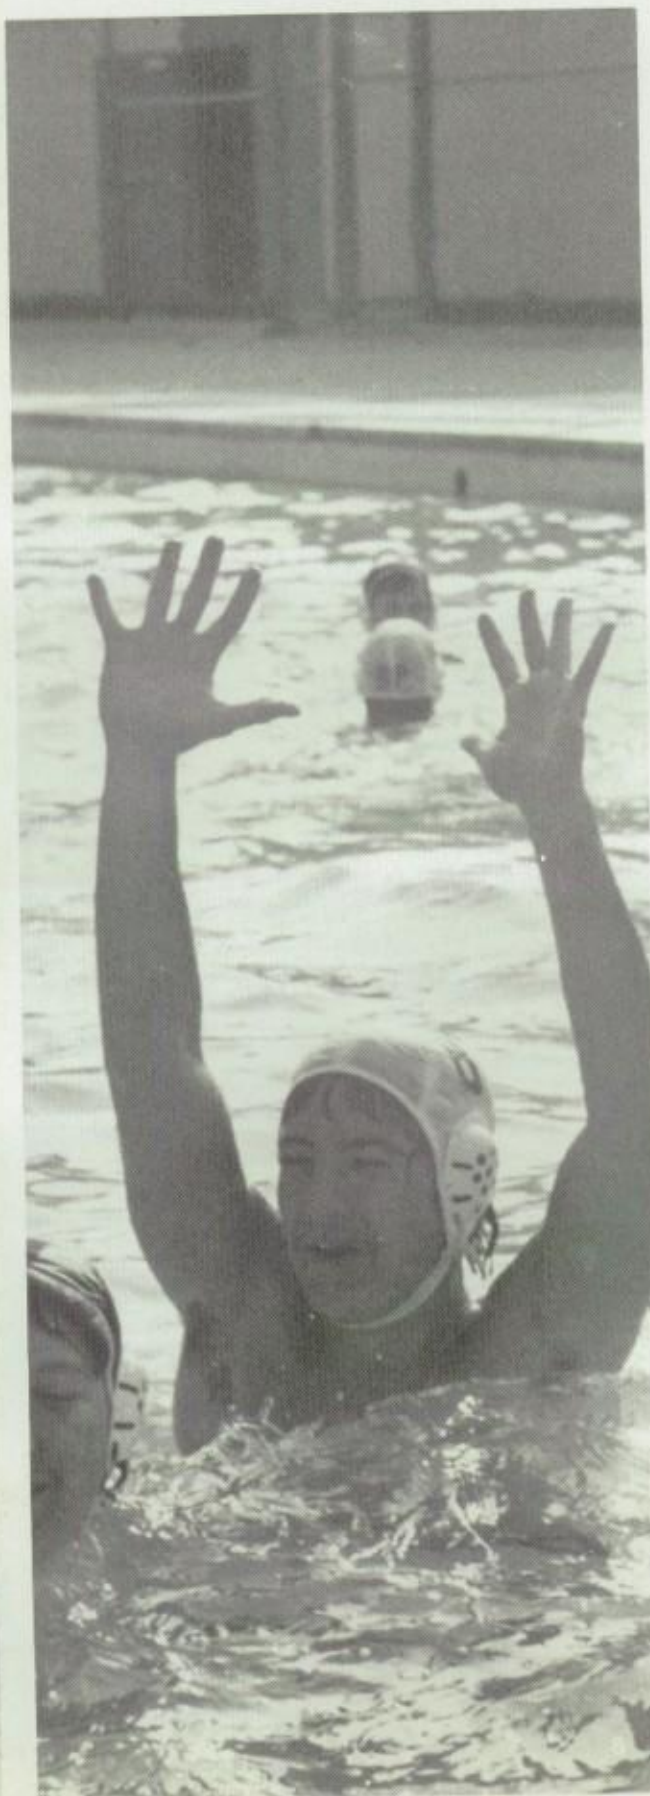

## F/S Compile Upsetting Season

This year's Frosh-Soph water polo team provided a 9-12 record for this season. Despite the respectability of this record, it was still a disappointment when compared to seasons past. The past two seasons, the Frosh-Soph team had compiled a 45-0-1 record.

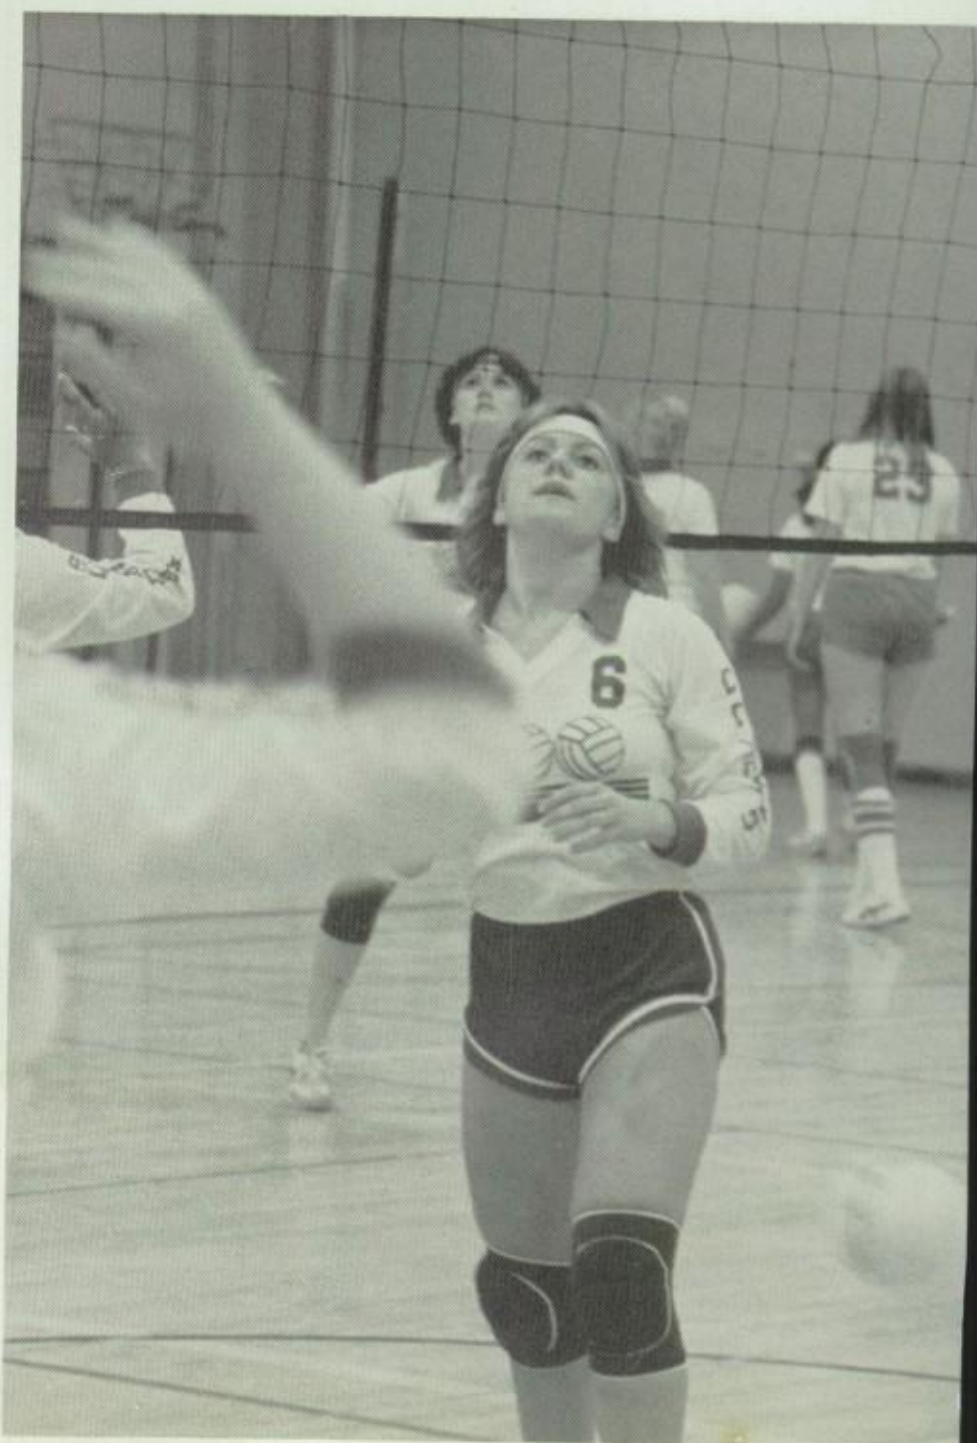

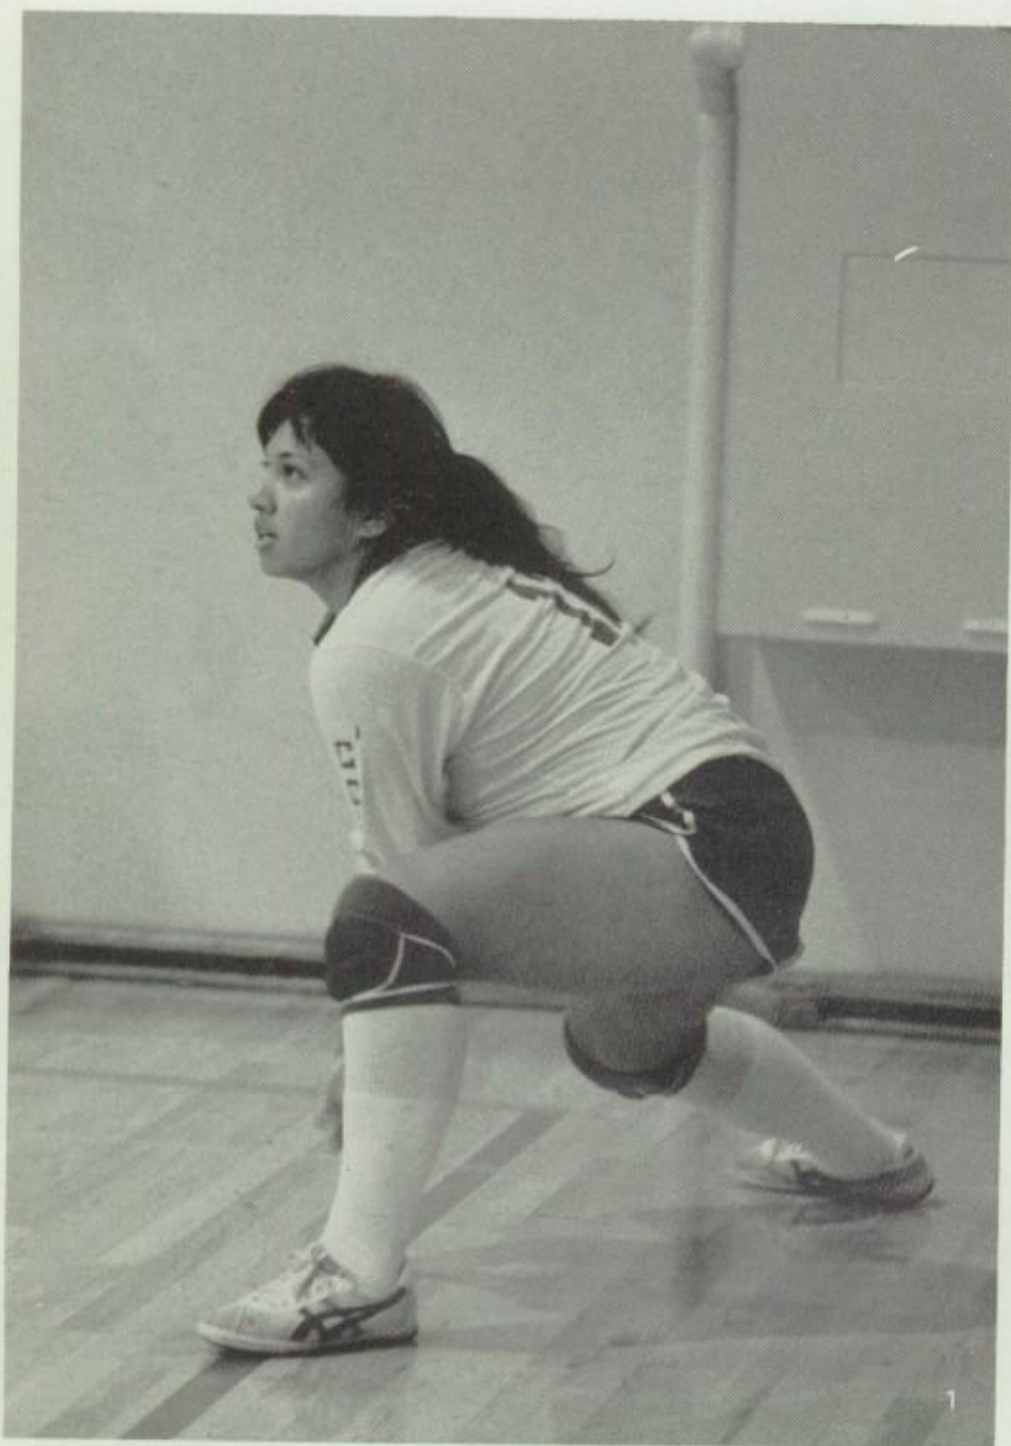

This year's team was led by Sophomore Mark Patron and Freshmen Reggie Torrez and Rhett Binger. Binger lead the team with 50 goals while Patron received the Most Valuable Player Award. Jim Eckels was voted as Most Inspirational.

First year coach, Mike Bone, said, "The team was very inexperienced, but they kept trying and they managed to win a few games."

## *Volleyball Ends Unfortunate Season*

Varsity Volleyball had a disappointing season this year. Though they did do a good job, coming close to wins often, they just didn't quite make it.

This was a slow year for the team. Not participating in any outside tournaments, the team only played in league matches, ending the year with an 1-10 record. Senior Yvonne Usmany said, "Our spirit kept

us afloat all season, but we just couldn't pull through when it came to winning matches." She also added, "We can only hope for the best for next year's team."

The 83-84 season ended with the departure of six senior girls. Four will return next season, along with some new teammates, to try to conquer the league.

- 1) Senior Yvonne Usmany shows the proper techniques for returning the ball.
- 2) Giving the team some added pep is Senior Michelle Martinez.
- 3) Senior Anne Standeford sets the ball up for her teammates.
- 4) "Oh no, not again!!" says Coach Ruth Morris.
- 5) Congratulating their opponents, the girls show their good sportsmanship.
- 6) Angelika Hellmeyer, senior, practices before a game.
- 7) Powerfully returning the ball is Senior Dennice Luce.
- 8) Varsity Volleyball for the 1983-84 season were: Front Row: Angelika Hellmeyer, Michelle Martinez. 2nd Row: Anne Standeford, Dennice Luce, Joanne Borik, Yvonne Usmany. Back Row: Marcy Booth, Shannon Donohoe, Coach Ruth Morris, Claire Standeford, Kelly Hilliard.

# *Inexperienced Team Shows Promises*

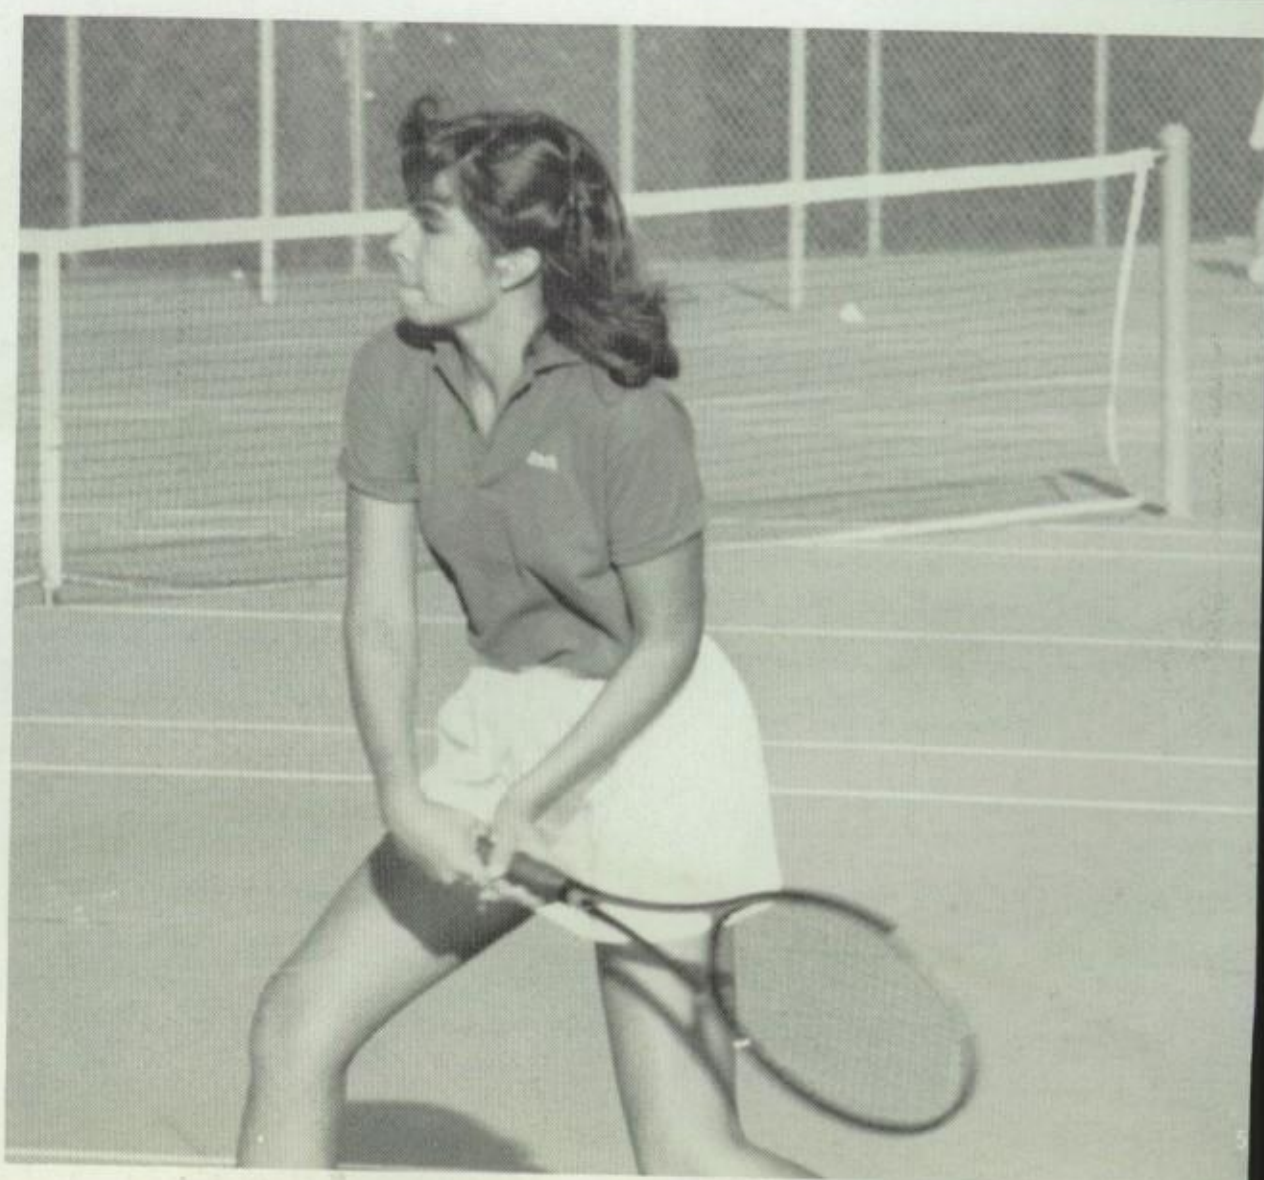

Consisting of Freshmen and Sophomores only, the J.V. Volleyball team compiled a 0-10 record. Due to their inexperience, they did win some games. But, the games do not count, the matches do. The team lacked experience to finish off a match with a victory. Team captains Tresa Sue and Eloisa Gomez lead the team as best they could. The Most Valuable Player was Tresa Sue, while Most Improved was Cheryl Harrada.

Throughout the season, the team showed much improvement, which looks very good for the varsity Volleyball team for the next couple of years. The Varsity coach, Mrs. Morris, is looking forward to receiving these athletes which will contribute greatly to her team in the upcoming years.

1. "1, 2, 3, Let's win" shouts the J.V. volleyball team.
2. Ready to serve is Eloisa Gomez.
3. The 1983 J.V. Volleyball Team: Front Row-Renee Yerger, Penny Hernandez, Eloisa Gomez. Second Row-Sherry Gaus, Cheryl Harrada, Linda Kawahara, Pam Long, Denise Duncan. Back Row-Christina Brown, Terry Chatreau, Coach Vicki Morris, Michelle Bach, and Tresa Sue.
4. Giving a high five is number 5 Sherry Gaus.
5. Terry Chatreau and Tresa Sue spike it in there face.
6. Linda Kawahara sets up for the return.

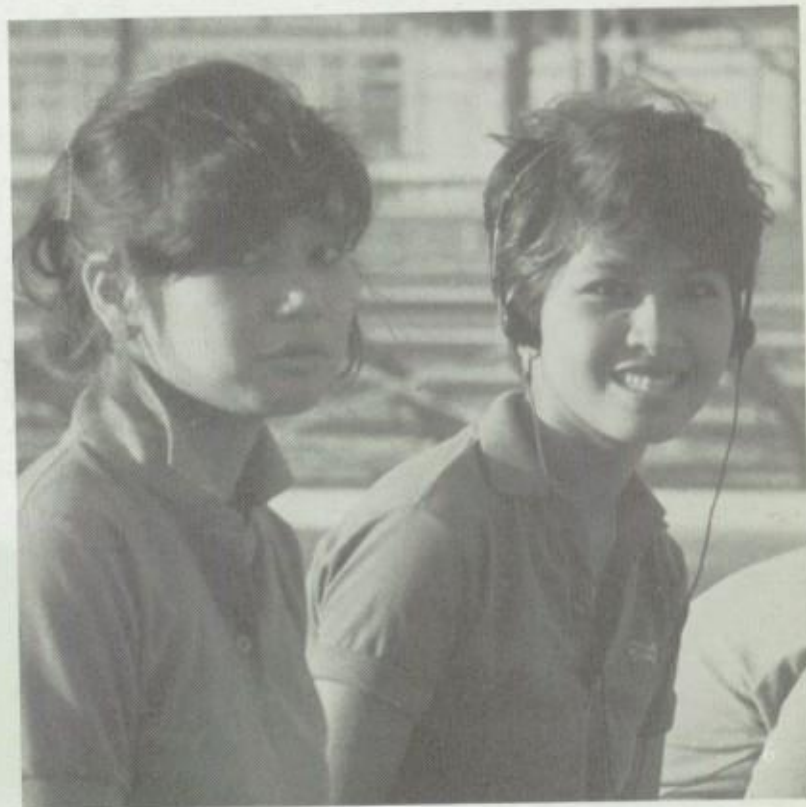

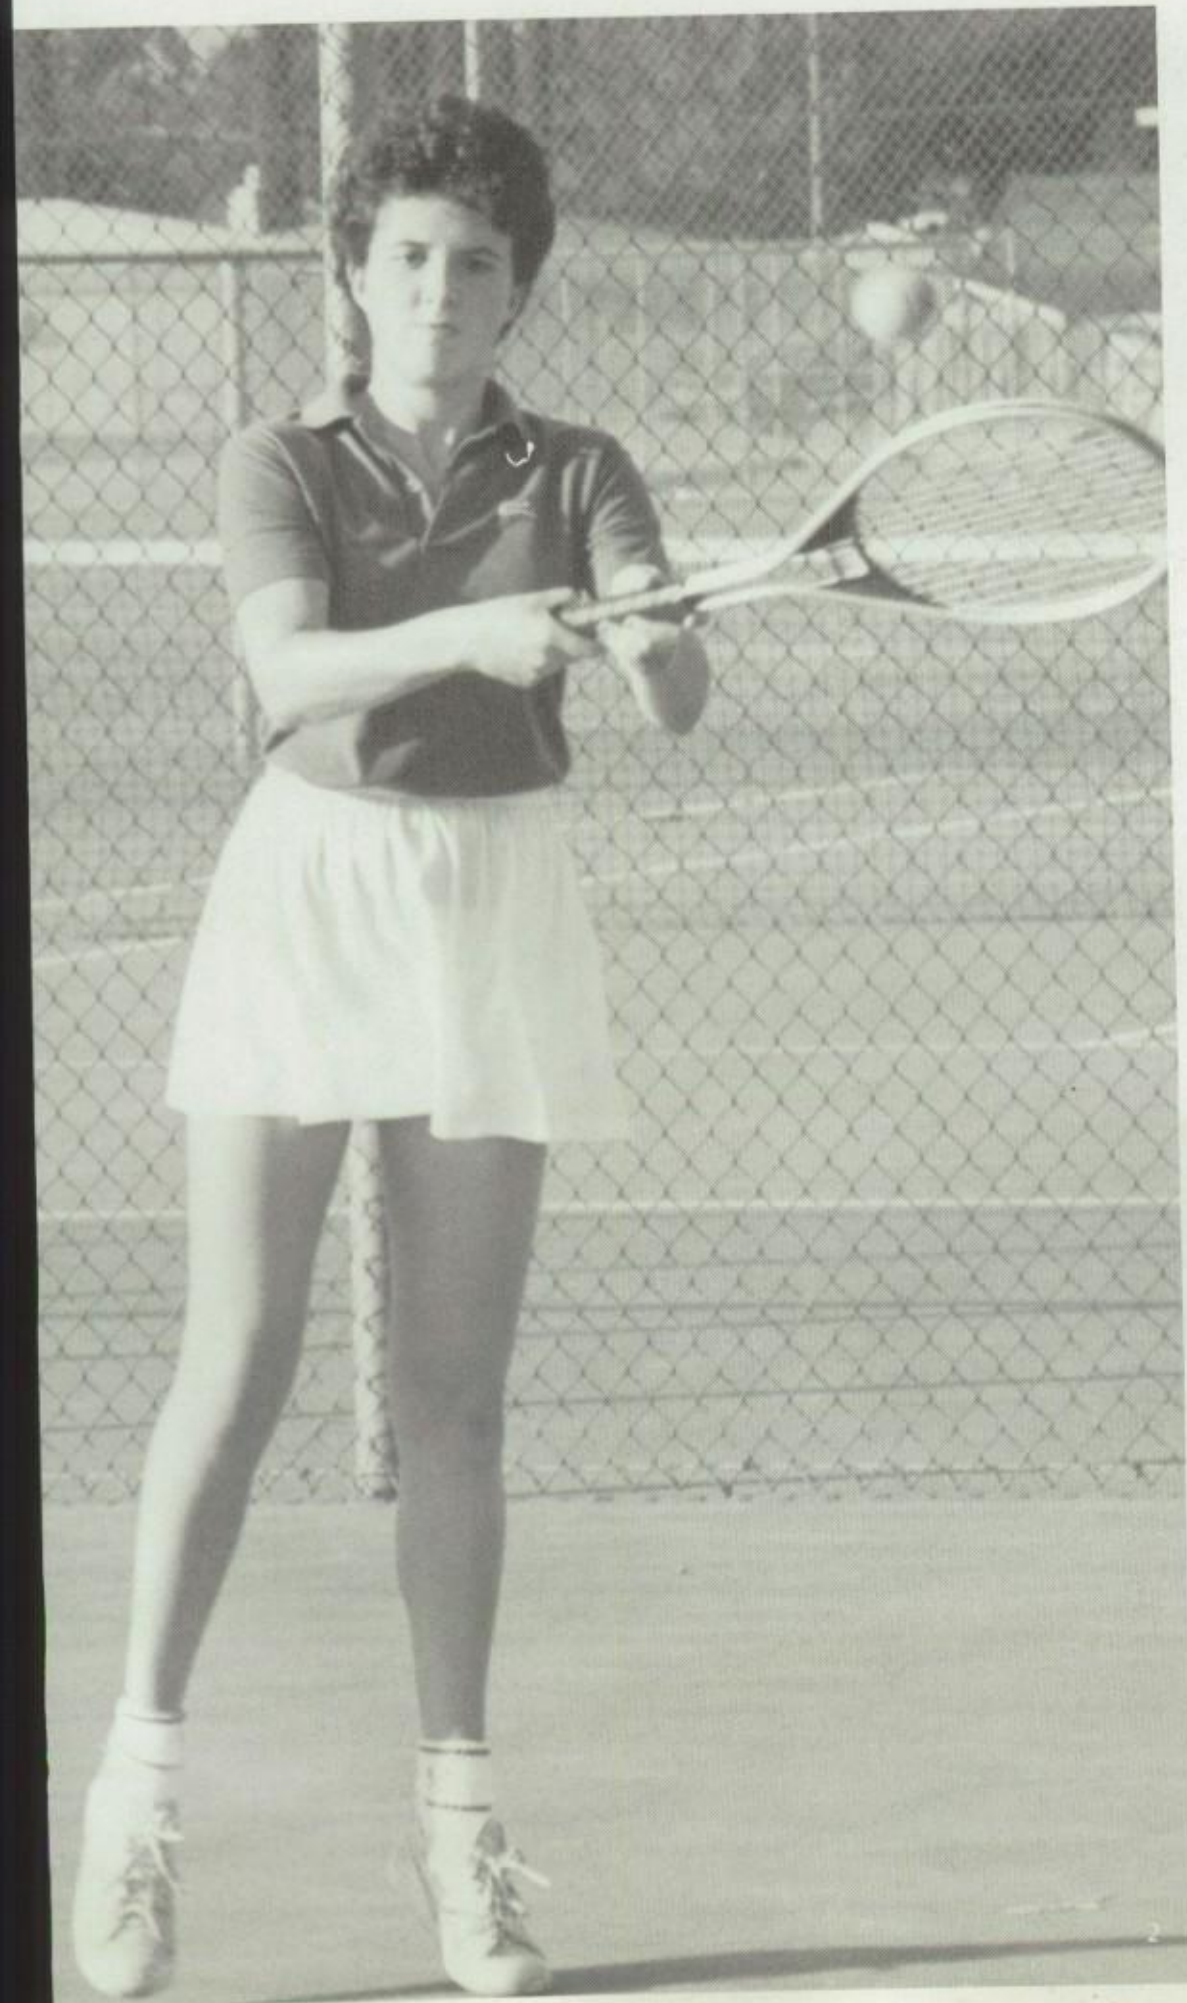

# Tennis Team Gains Confidence

Although this was an unsuccessful season with a record of 0 wins and 10 losses, the 1983-84 girls' tennis team ended the season showing confidence and enthusiasm towards the next year. With the help of their coach, Miss Claudine Casey, the girls devoted this year to improving their skills and technique.

Showing fine individual performances were Sheryl Nguyen, Most Valuable Varsity Singles, and Amita Lugo, Varsity Team Captain. Other outstanding players were Amy Foust and Johanne Quirion who were chosen as the Most Valuable Varsity Doubles.

Next year there will be seven returning players to the Varsity team. Jennifer Cliff, Captain of the Junior Varsity stated, "I think that next year looks very promising with so many experienced girls coming back to play. We have all improved immensely."

6. **Working hard on their tennis** is Georgina Dimasin and Julie Kien.

With another tough season behind them, the Varsity Basketball team finished fourth in league and had a record of 5-16 overall.

The team had a lot of talent but couldn't get the ball in the hoop for the winning points. Many games were lost by only a few baskets. The team always played as a unit, and always came out of the games with their chins up.

At the banquet held on March 14, a few players were given special awards for outstanding achievement. Coach's Award went to Junior Reggie Brown, Most Valuable Player went to Senior Joe Lindsay, and Most Inspirational went to Junior Omar Rodriguez. Junior Reggie Brown was also selected to First Team All-League.

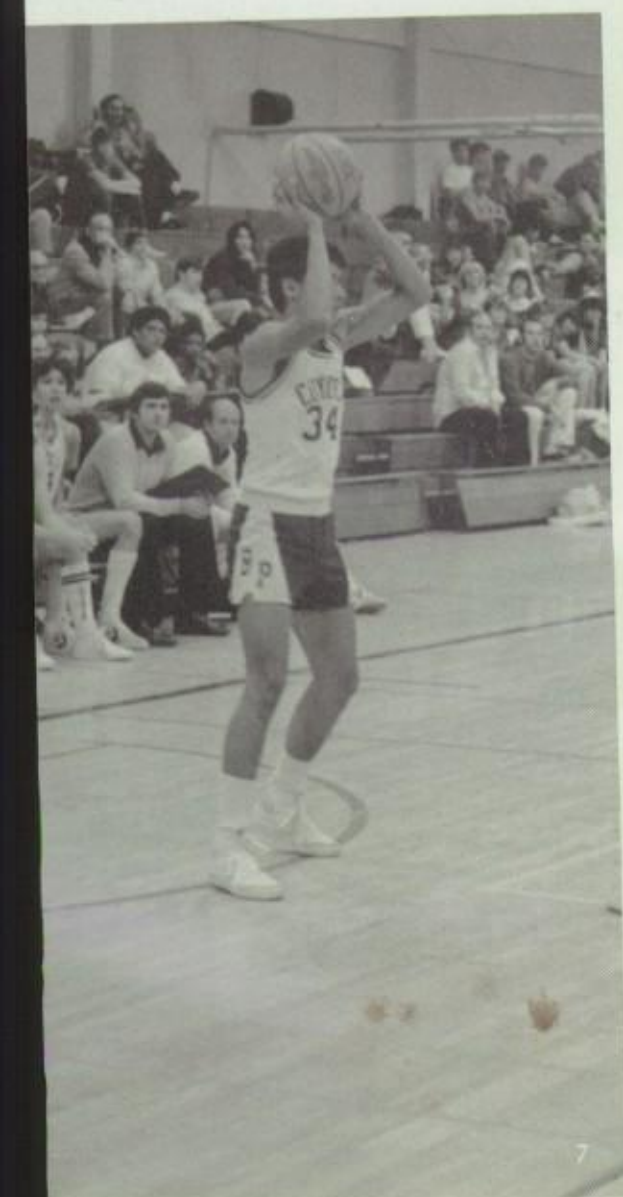

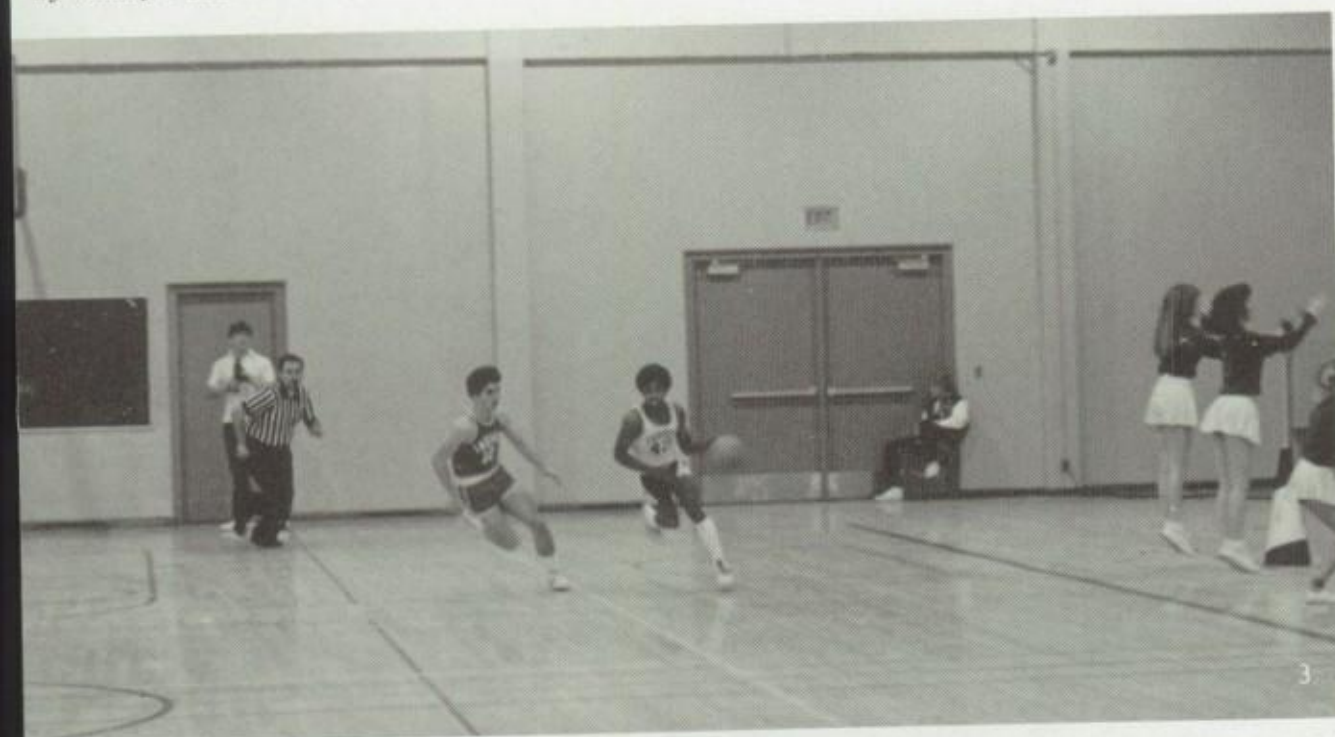

Although the team will be losing starters Joe Lindsay and Hugo Bernardo, along with Seniors Bill Christensen, Brian Glahn, and David Luce, Head Coach Ken Bell has a lot of great talent returning to what promises to be a great season next year.

## JV Cagers Show Pride

Under the leadership of Coach George Fairchild and assistant Coach Marcelo Bernardo the J.V. Basketball team finished with a disappointing 3-7 league record.

This years team captains were Tim Markham and Mike Carr. At the annual awards banquet the award winners were Tim Markham, Most Valuable Player and Tony Badal, Most Inspirational.

The J.V.'s had a very tough season. Although they only won three games in the Freeway League, they played hard all the way to the final buzzer. Wherever they played, they showed much sportsmanship and Coyote spirit.

# Frosh/Soph Rekindle Hopes

Every four years, as nations focus their attention upon their athletes, old hopes are rekindled as new athletes arrive to compete. Such was the case for this year's Frosh/Soph Basketball Team.

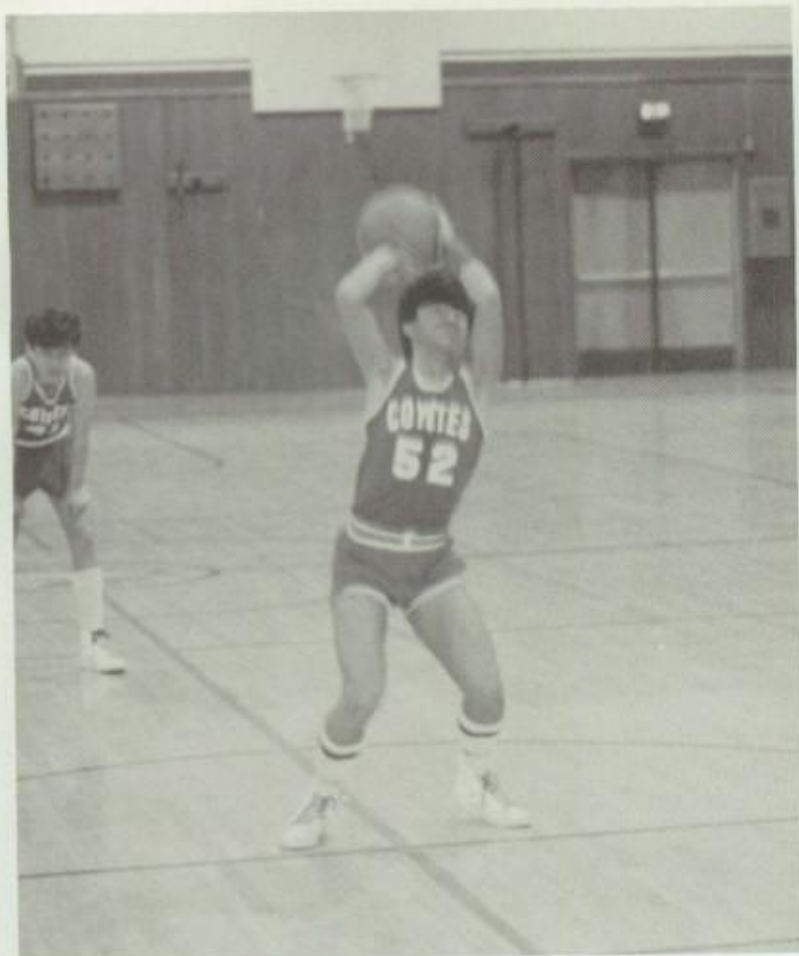

With a new trainer, Coach Bruce Nelson, the team set out for league play with vast ambition and great determination. Thanks to athletes like Khanh Dang, voted Most Valuable Player, the team was able to put up a good fight against such schools as Fullerton and Sonora. After disappointing losses to Troy (in overtime) and cross-town rivals, Sunny Hills, it was due to players like Steve Franklin, voted Most Inspirational, that the team was able to continue with the drive that they had.

Although the team's season ended with a record of 0 wins and 15 losses, the hopes of the future have not dwindled. The players will return again next year to rekindle our hopes once more and to give the opposition some surprising competition.

# Injuries Lead To Slow Season

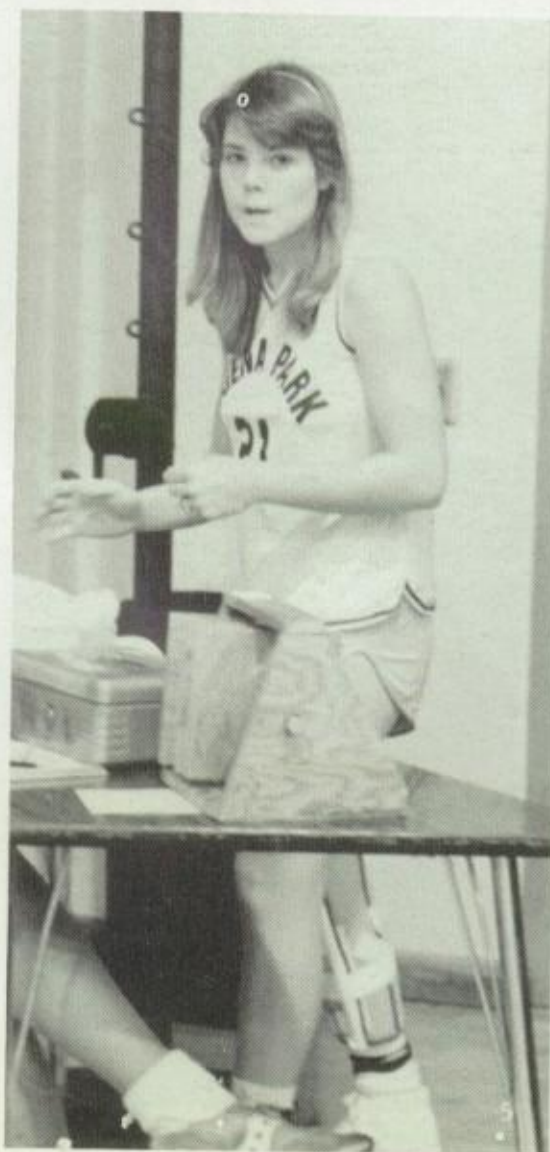

The Girls' Varsity Basketball Team experienced many injuries throughout the season; however, they were able to defeat our rival school, Sunny Hills, twice in league. With an additional win over Sonora, it gave them a league record of 3 wins and 7 losses, and an overall record of 5 wins and 12 losses. The girls still maintained their high spirits during the disappointing season.

Several players were awarded a special merit for their outstanding performances. Among these were Junior Marcy Booth, Most Inspirational Player; Senior Leslie Churan, Most Improved; and Senior Dennice Luce, Most Valuable Player who also made All-League. The captains for this year's team were Senior Dennice Luce and Michelle Martinez who helped inspire their team-mates throughout the season.

When asked what she thought of the team's ability, Coach Paula Dobrowolski said, "We were a much better team than the record showed, but because of the injuries, we were set back." She was also stated as saying that the seniors were true leaders and that they will be missed next year.

Overall, the team showed outstanding unity, with the returning players showing extreme enthusiasm towards the season to come.

## JV Team Progresses

With coaches Cheryl Knault and Becky Garcia's guidance, the JV Girls' Basketball team accomplished another challenging year.

The team had a record of 3 wins and 7 losses this year. Many of the games were extremely close.

This years JV players were as follows: Cheryl Harada, Linda Kawahara, Karen O'Neill, Vevi Smith, Stephanie Taul, Donna Oyos, Yvonne Usmany, Georgia Carrera, Vikki Peterson, Debbie Eide, and Penny Wolford.

The team worked hard throughout the season to improve their many skills. "We had some tough games, but we remained determined and gave it our best shot!", replied JV player Vikki Peterson.

## Third Time Is A Charm

Three times is a charm in any sport, but especially in wrestling. With a 9-1 record the Coyote Wrestlers won the Freeway league Title for the third straight year.

In the beginning of the year the wrestlers had an attitude problem. The team did not think they could win league, but Coach Craven knew they could. He kept saying they would, but no one belived him. When Troy High School beat them by 2 points it seemed that the wrestlers got the "killer" attitude that no one would beat them. When they met again the Coyotes won by 27 points. They carried this attitude into the League Finals Tournament and won by 47½ points.

The Coyotes had four individual league champions. They were: Phil Sanchez 115 lbs., Jim Valenzuela 129 lbs., Ron Kieler 141 lbs., and Ray McCormick, Heavyweight. Second place finishers were: Robert Le 108 lbs. and Mike Perez 135 lbs. Third place finishers were: Chris Calvin 101 lbs., Joe Perez 121 lbs., Thom Pionke 157 lbs, and Tony Helsel 194 lbs. With the first two placers advancing to the C.I.F. finals. In the C.I.F. Finals Tournament Phil Sanchez placed 3rd and Jim Valenzuela placed 4th in their respective weight classes.

With seven varsity wrestlers returning, next year looks to be just as successful as this year.

## JV's Go Undefeated

Successful! That is the word that perfectly describes the 1983-1984 J.V. Wrestling team's season. Their record in league was 10 and 0 which made it the fourth year that the team was undefeated in league.

The closest match of the season came against Troy High School. As usual the Coyotes emerged victoriously and defeated Troy by three points. The J.V. team was made up of outstanding young men who have school pride, team unity, and faith in their coach, Mr. John Craven. With all of these things going for them, it is no wonder that our J.V. wrestling team is the best in the league.

The team did a wonderful job that their school can be proud of. With many of the wrestlers returning, next year promises to be just as successful if not more.

# Soccer: New Sport On Campus

Soccer may be new to our campus but not to most of our players. As a matter of fact, most of our athletes had previously played for many years. Another new part of our team and campus was Coach Armando Cendejas.

Coach Cendejas stated that "For a team picked and expected to come in last this year (by other coaches in the league), it was a great accomplishment to go to C.I.F. I was very pleased with the team's success and the effort given by all the guys."

Even though the team wasn't even supposed to be able to win a single game according to the other coaches in our league, the team did more than just win a game, they managed to defeat every team in the league at least once with the exception of Troy High School.

After finishing league and receiving a respectable 3rd place, the team was on the field again for C.I.F. competition. The first game to be played had to be against the 4th ranked team in C.I.F. due to our accomplishment in league, but our team managed to defeat them by a score of 2-0. In the second round, after ending in regulation time tied 1-1, the over time began and in a questionable goal, our team lost 2-1.

This year's Most Valuable Player all around was Senior Marcos Zavala, he was also this year's Outstanding Goalkeeper. Over all, the team was filled with fantastic talent all over the field like Jeff Saenz, Victor Martin, and First Team All-League Chi Luc. Even though the team will be losing eight seniors next year, we'll have at least ten returning players ranging from Freshmen to Juniors.

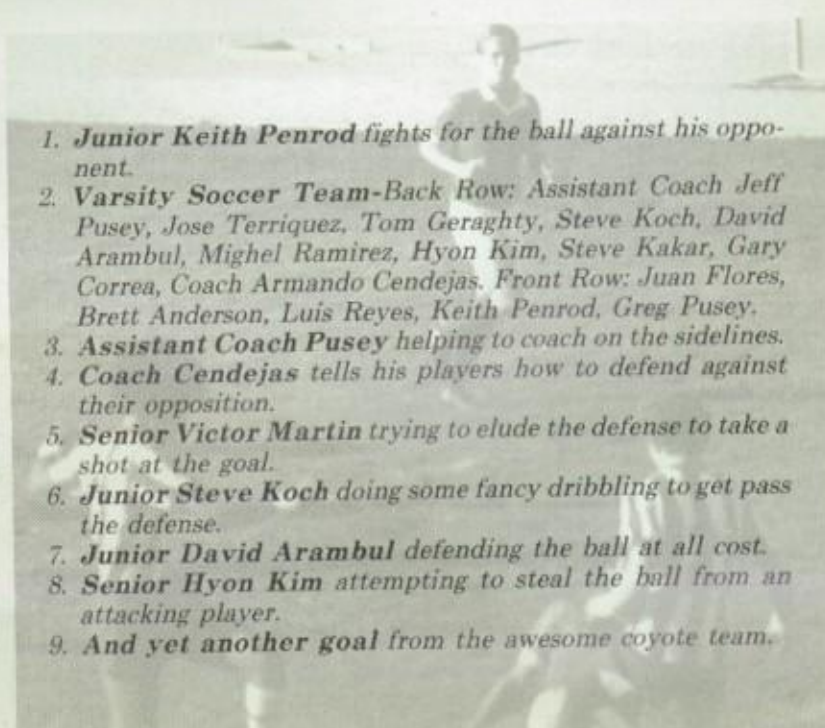

This years J.V. team wasn't as successful as the varsity; however, they will continue to improve, mostly because the players will be playing in a summer league.

The soccer team was somewhat of a Cinderella story, nobody expected the team to win, but they did, and they won big. The team showed everyone what Buena Park Soccer is a force and team they will be dealing with from now on.

Awards at their Soccer Banquet were received by Most Valuable, Angelika Hellmeyer; Most Inspirational, Jennifer Cliff; Most Improved, Michelle Zavala; Best Offensive Player, Marla Force; Most Dedicated Player, Liz Terriquez; Special Coaches Award, Clair Standiford.

This year's team captain was Senior Angelika Hellmeyer who was also the high scorer for the team.

"This was our first year and we played with very little experience. Although we played a double round and lost

every game, the second round we cut the scoring in half by the other team," stated Coach Morris, "Each game showed improvement by every single girl. They all worked hard and tried their very best. It was a disappointing year if you go by the scores and standing which was last place in league, but it was a very enriching and exciting year just getting to work with the girls and see their incredible enthusiasm, dedication and growth skill wise. It was one of the most rewarding seasons I have ever had as a coach."

This year the team consisted of: Sandy Blanton, Joanne Borik, Kim Burrow, Jennifer Cliff, Denise Duncan, Stephanie Duncan, Marla Force, Eloisa Gomez, Angelika Hellmeyer, April Shepherd, Francis Smith, Claire Standeford, Liz Terriquez, Lisa Trembly, and Michelle Zavala.

## Foley Takes Head Position BP Tracksters Lacked Numbers

A new change came to the Buena Park Track team this year. They had a new coach, Rick Foley. Along with the help of Armando Cendejas and BP alumnus Gary Ledbetter, Coach Foley started to prepare the team for the upcoming season. Coach Foley worked with the sprinters, hurdlers, shot putters, and pole vaulters, while Coach Cendejas worked with the middle and long distance runners. Coach Ledbetter worked with the high, triple, and long jumpers, and also assisted Foley and Cendejas.

The major problem for the team was the number of participants. There wasn't enough athletes to form a Frosh-Soph team; therefore, the Frosh-Soph athletes usually ran up on the Varsity level. The Varsity team wasn't even considered to be competitive, but they pulled together to challenge almost every team they faced. Many of the meets came down to the last few races.

The team had many outstanding individuals. They had Senior Steve DiGerlando and Sophomore Craig Rachal in the sprints, Senior Mark Sundelius in the hurdles, Senior Kevin White in the middle distances, along with Junior Wayne Fruneaux, Sophomore Dale McBride in the high, long, and triple jump, Senior Ray McCormick in the shot put, and the long distance duo of Junior Steve Scardina and Sophomore Tom Fortney.

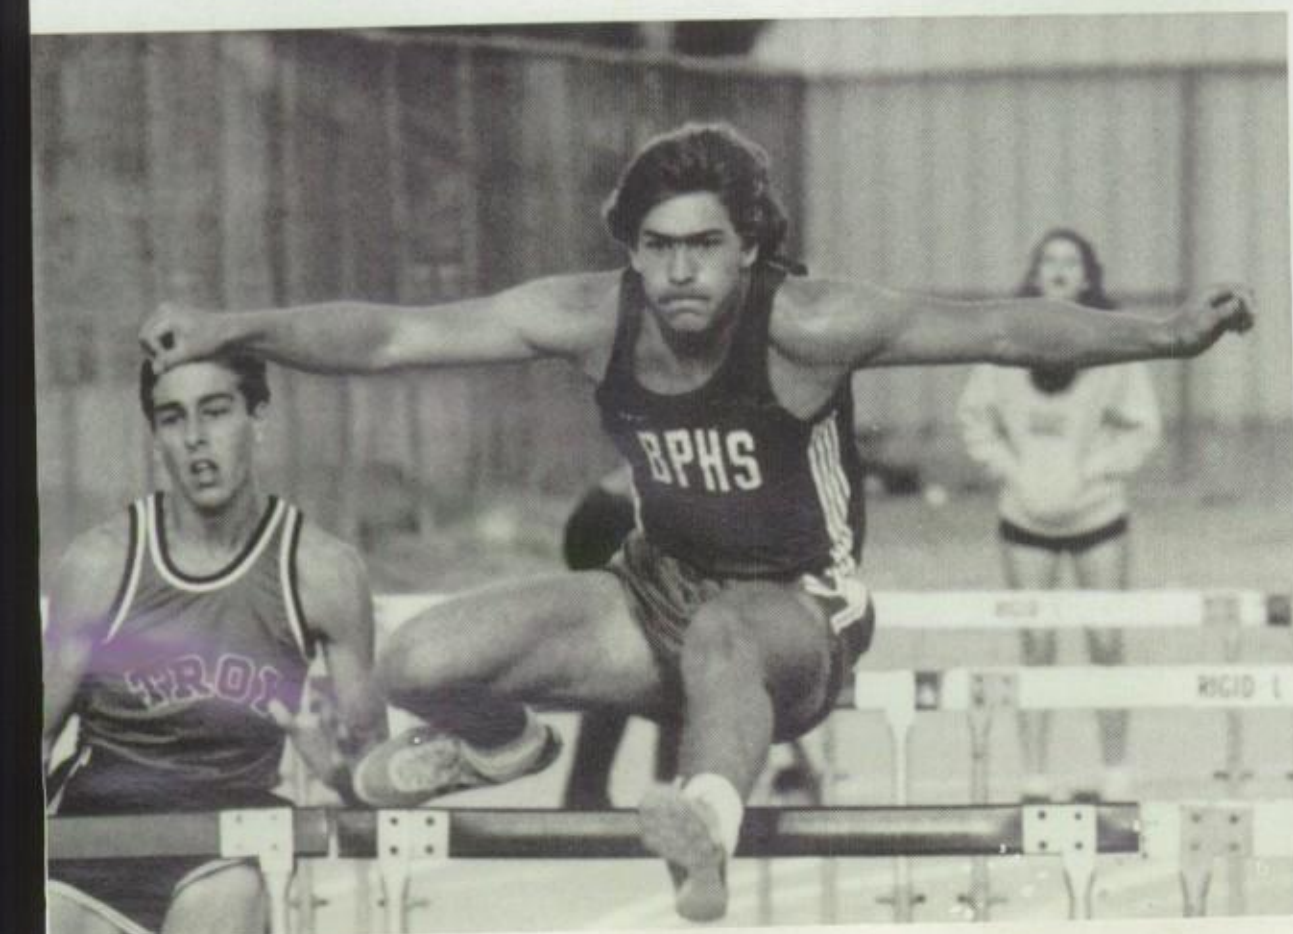

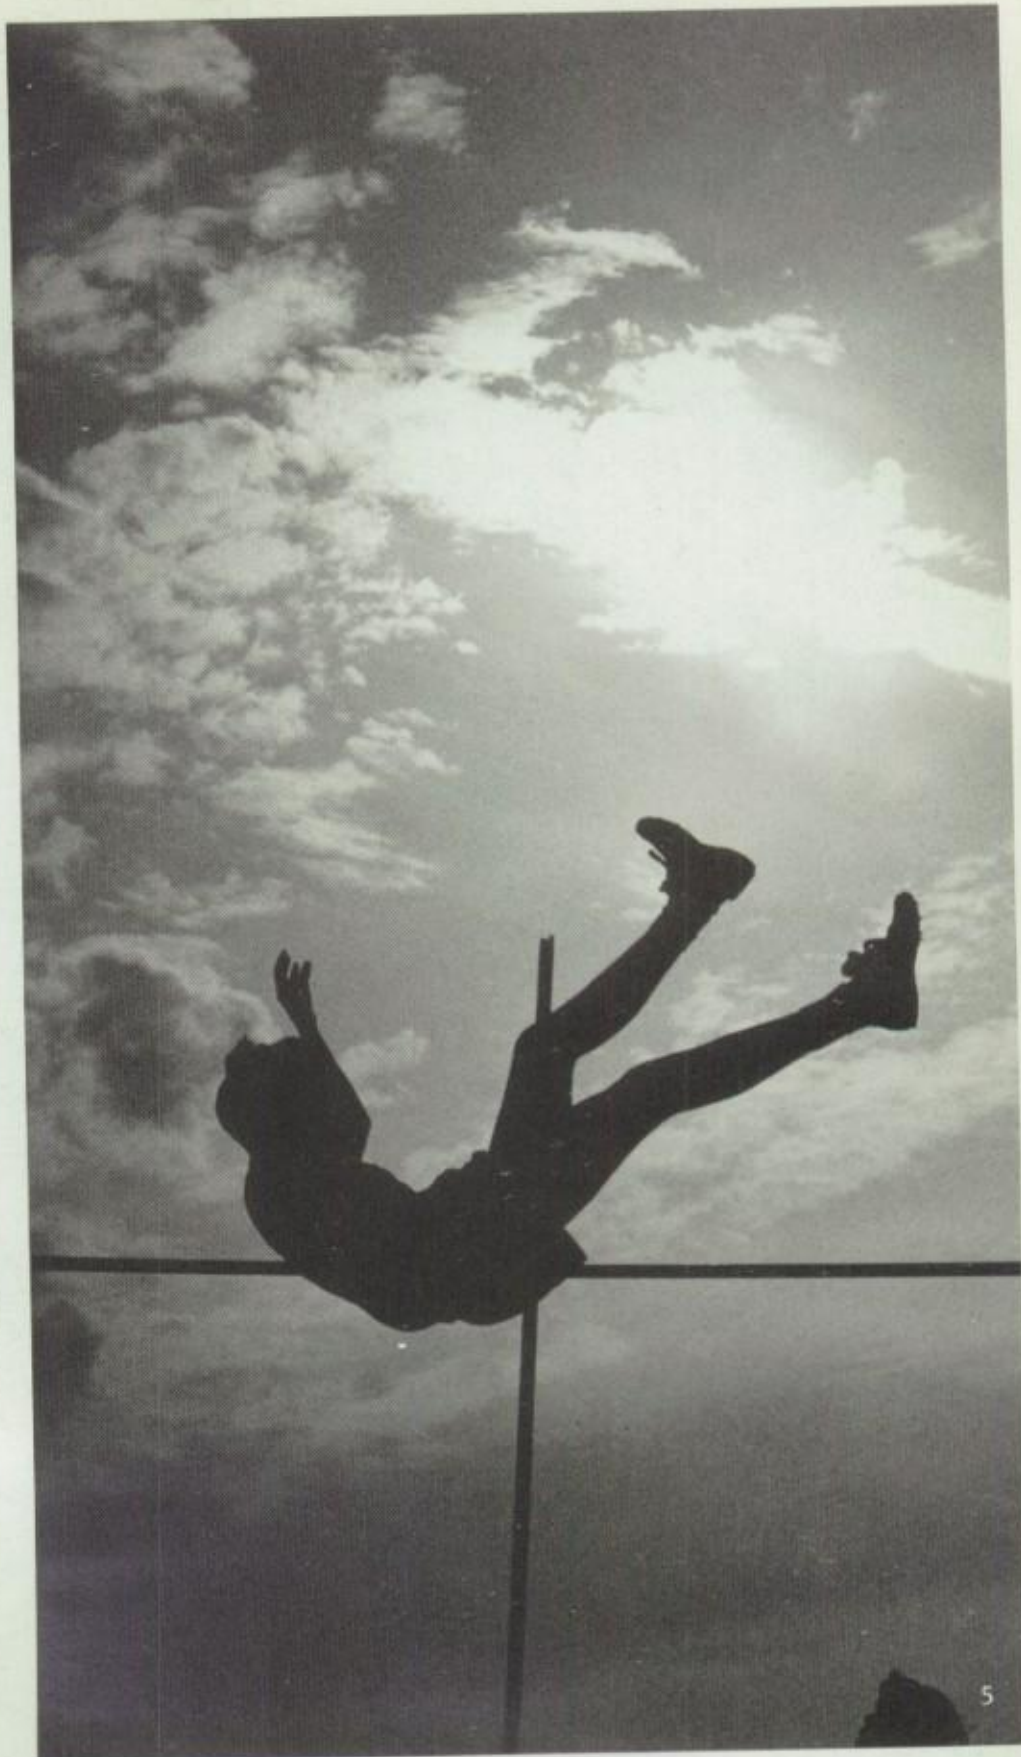

The coaches hope to get more people out next year. Coach Foley stated, "If we would have had more athletes out this year, we probably would have had a shot at the league title. Hopefully I can get more people out next year."

Although the team had a losing record, they had a lot of fun. Most of all, everyone improved 100 percent.

## Girls Stride Ahead

From the very beginning the 1984 Girls' Track Team was headed off on the right foot. They competed against many schools and had an impressive victory over Garden Grove with a score of  $96\frac{1}{2}$  to  $26\frac{1}{2}$ .

Coach Janice Howard commented, "The girls were very devoted and inspirational runners." Much of the team's greatest accomplishments were made by the three seniors who were: Shoko Kitazumi, Liz Terriquez, and Trecey Carrington. The freshmen look very promising and will hopefully bring Buena Park many victories in the near future. With such talented girls the team took a stride ahead and continued to progress throughout the 1984 season.

The team consisted of only 20 members who devoted much of their time after school to practice. These young athletes have shown outstanding effort and school pride that we can all be proud of.

# Badminton Smashes Into CIF

Completing another outstanding season was the 1984 Varsity Badminton Team. The team finished second in league and went to the CIF playoffs.

Because most of the varsity players graduated last year, there were many new players on the varsity team. Despite their inexperience at the varsity level, these team members performed extremely well and gained valuable experience for next year.

Under the guidance of Coach Claudine Casey and Coach Michelle Tafoya, the team put in many hours of practice and game time to achieve the success they had. Practice was spent conditioning and enhancing the various shots in the badminton game. This year more time was spent playing games against each other in practice in order for the newer players to gain more game experience. This extra practicing was evident in the team's winning season.

In the pre-season matches the team was 5-2. The losses were to two tough teams. In league matches the only loss were to rival Sunny Hills. These games were very exciting, and came down to the final match. Sunny Hills squeaked by, with the final score 14-15.

Next year promises to be another outstanding season. With only three members graduating, the team has the potential to have yet another championship season.

# JV Badminton: Provides Potential

Our 1984 J.V. Badminton team was a prime example of great potential. This was due to the fact that many of the J.V. players also had varsity experience. A large portion of the team also played simultaneously on the varsity team and looked forward to comprising it in the following school year. Coach Claudine Casey and Captain Stephanie Taul lead the team through a victorious season and their goal to win league was unquestionably fulfilled. Sophomore Martha Espinoza, was quoted as saying: "J.V. did a great job—we were undefeated this season." The players were rewarded for their efforts through a system in which they gained "stars" for winning all games played in one day. This method of inspiration obviously worked wonderfully in promoting a constant "Quest for the Gold" stars by the players. Stephanie Taul brings it all together by saying this about her team: "Our team worked hard together and managed to get some fun in too!"

## Fish Experience Thrill Of Victory

The saying, "The thrill of victory and the agony of defeat" pertains to almost every sport. Yet, "The thrill of victory" was most commonly used to describe the emotion following our Varsity Swim meets. With nine victories and a lonely one loss our Varsity Swim Team did a great job to finish this years' sports. With many experienced senior swimmers such as Ron Kim, Greg Stoddard and Trent Binger, the team had a good start at the beginning of the season. In time, the players improved and some underclassmen swimmers such as Mark Patron, Ker-nit Seaton and Garth Majjala blossomed into experienced Coyote Swimmers. Sophomore Mark Patron quoted, "We had a pretty good season this year. Hopefully next year will even be better. With next years Varsity Swimmers we should take C.I.F. with no problem."

By Jimmy Studebaker and Lane Tanaka

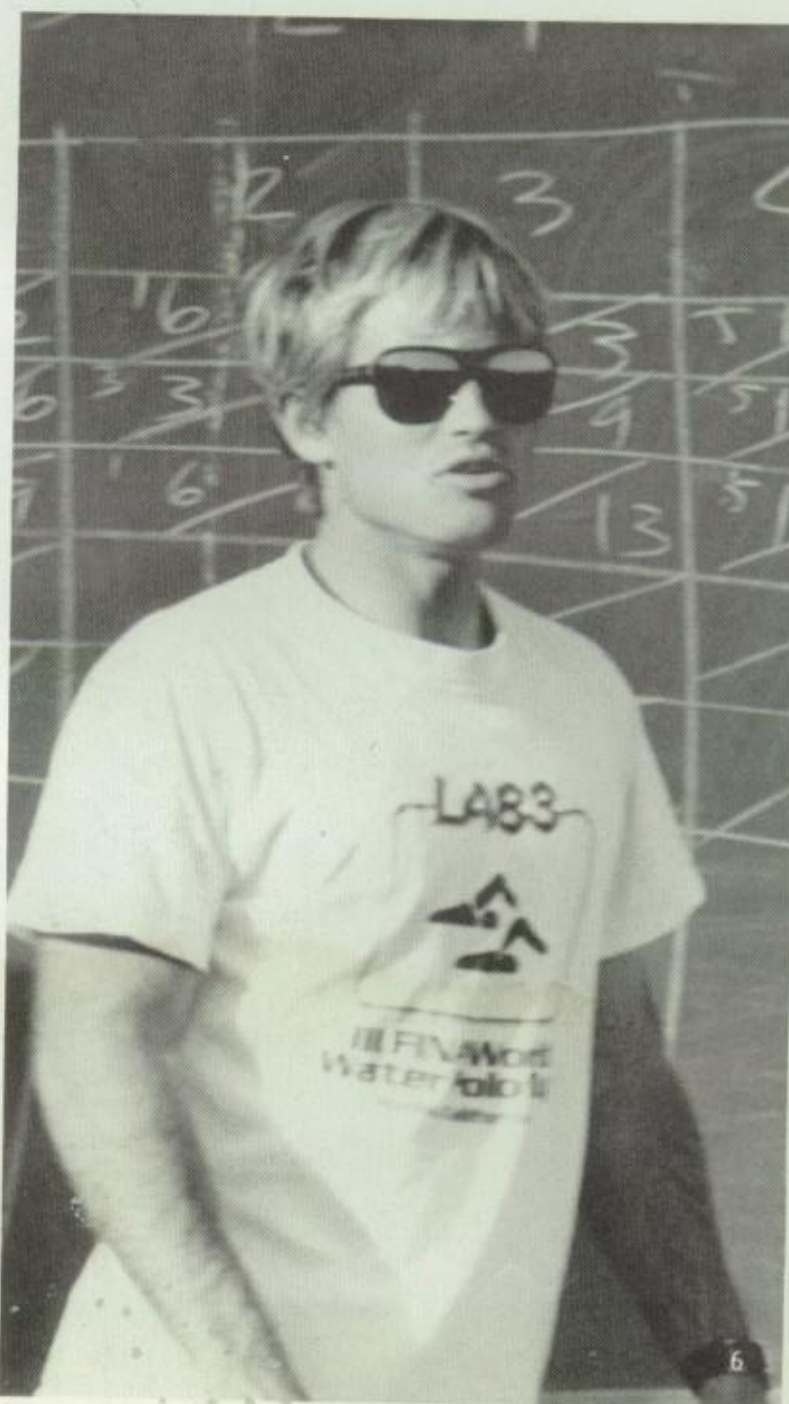

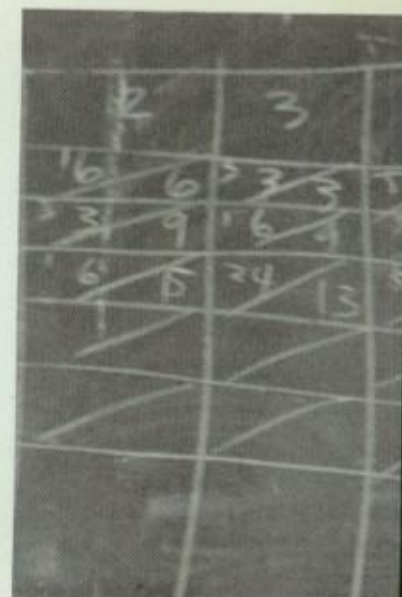

# Frosh/Soph Has Potential

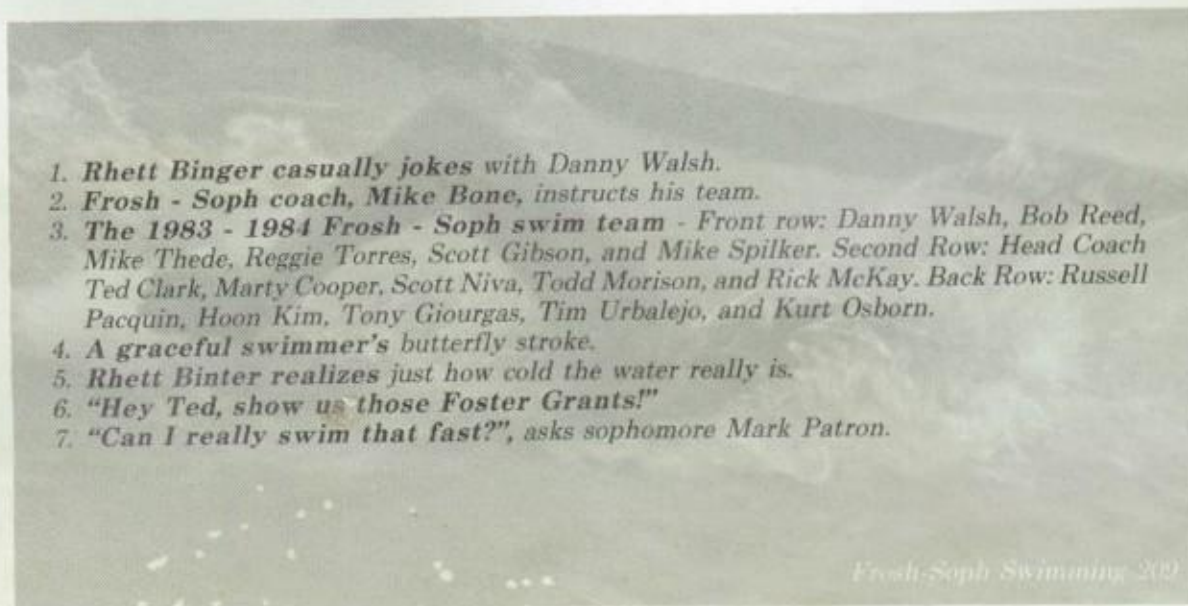

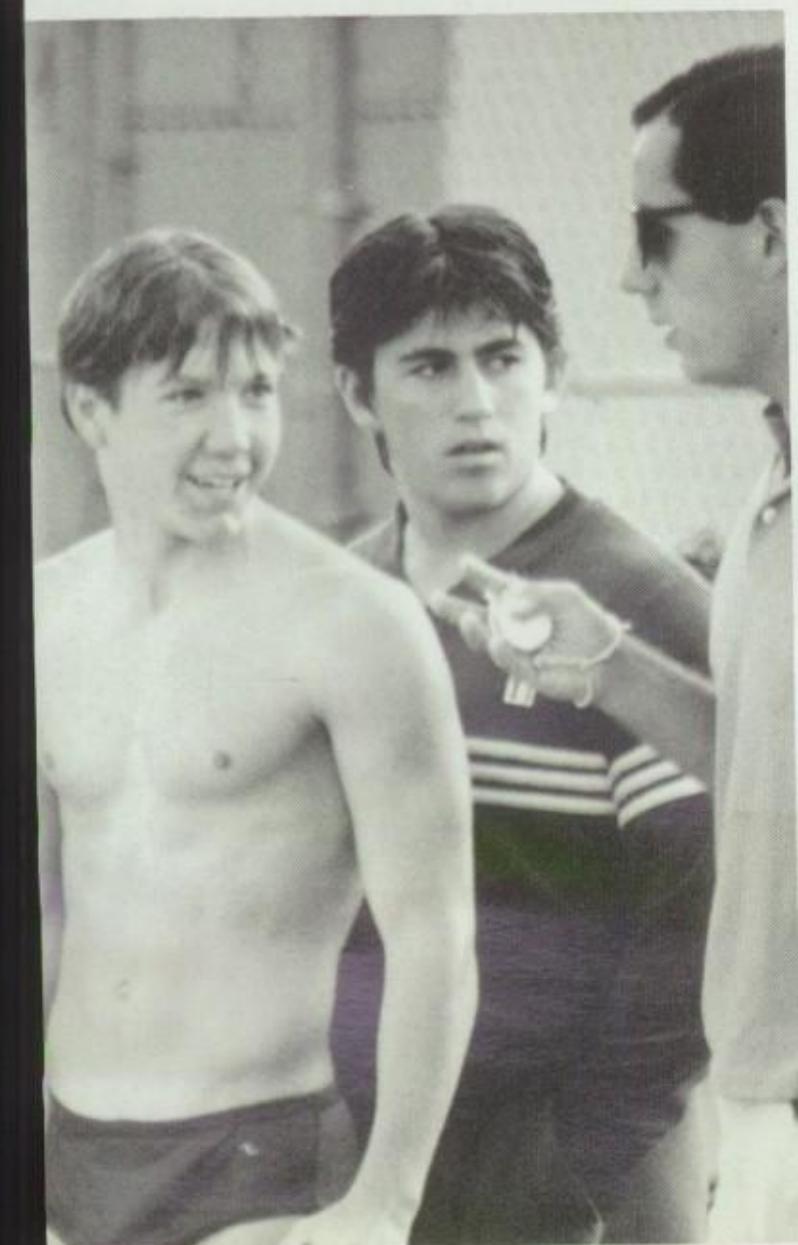

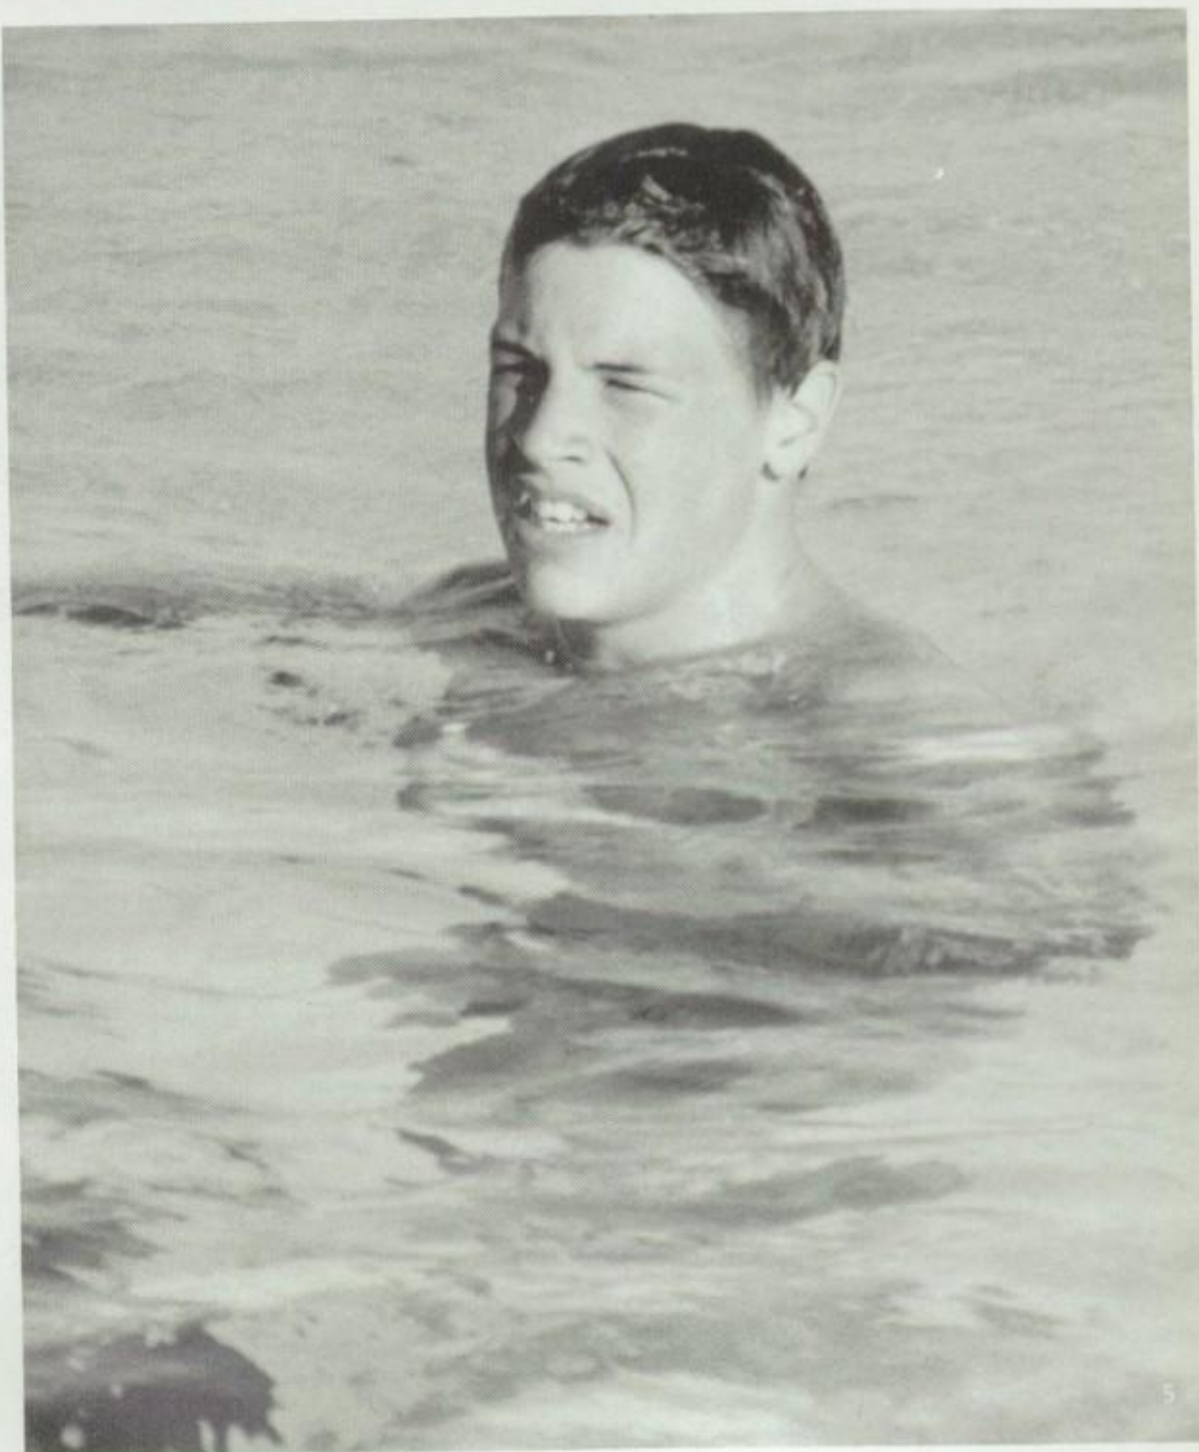

Frosh - Soph swimming had a fairly good season this year. The team was composed of mostly freshmen. Considering this, we can see that these young men have a lot of potential for the future. It takes a lot of commitment from a person to attend all the required after school practices, and still be able to keep up their grades so they can still participate in sports. These young swimmers did a whole lot more. They attended morning workouts also.

With all this practice that their coach Mike Bone directed, the team was able to do fairly well in league. Some of the Coyote victories were against Sunny Hills and La Habra. The Frosh - Soph swimmers hold a lot of promise for the years to come.

With many new freshmen and other new members, the team enlarged tremendously this year. Team captain Nancy Mulitalo said, "The freshmen were really good this year and the team was great. They're just like one big family, and I'm glad I am still swimming." "The team worked their hardest with constant practices, sometimes twice a day. "You know it was all worth it though when you see your own team members winning a race," said Joell Scardina.

The swim team started out the season with 4 wins and 3 losses and continued progressing throughout the season. They also beat Fullerton High whom they hadn't defeated in 22 years.

By Melanie Parker

Starting another year with a fairly new head coach, Mr. Frank Arena, the 1984 Varsity Baseball Team looked forward to this year's season with much optimism. With four sophomores, four juniors and four seniors, the team had a lot of talent, but lacked strength in pitching. The pitching was good, but did not equal the talents of the other players. With the unbalanced talent involved, the team also lacked winning consistency. Led by Rueben Gonzales, Rey Hernandez and Omar Rodriguez, the team pulled through the season to keep up the Coyote name. Coach Arena stated, "Even though we had lack of strength in the pitching area, we had a good season. I hope next year will even be better." Junior Omar Rodriguez added, "We had a good team this year. I hope that next year we can recruit some good players to take the place of the leaving seniors."

## Hitting Makes Up For Fielding

Having a good pre-season and very dominate first game in league, the 1983-84 JV Baseball Team was just overplayed by their opponents.

Sophomore Robert Torrez stated, "We have good talent, but we lost concentration when we fell behind." He followed by saying, "Our fielding was where we lost it, but we got some of it back from our hitting."

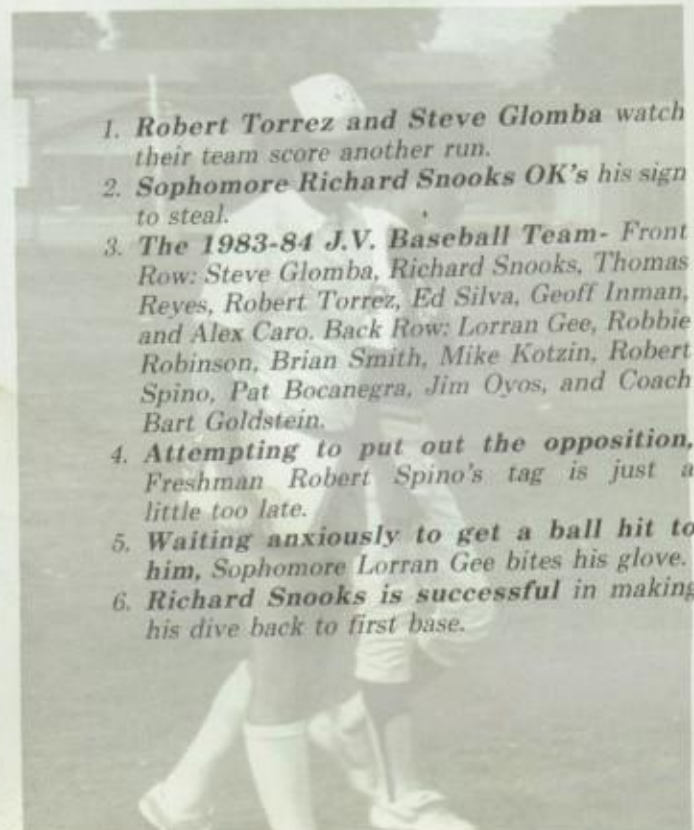

Pitching was another major asset in their losing but improved game by game. A ten inning loss to Fullerton in the concluding of the season seemed to affect the team in many ways, but they improved in their remaining games.

This years team, led by Coach Bart Goldstein, includes: Pat Bocanegra, Alex Caro, Lorrان Gee, Steve Glomba, Geoff Inman, Mike Kotzin, Jim Oynos, Thomas Reyes, Robbie Robinson, Ed Silva, Brian Smith, Richard Snooks, Robert Spino, and Robert Torrez.

# Softball Hits Off To A Great Start

To hit off the beginning of the season the Girls Varsity Softball Team defeated Sunny Hills High School not only once but twice. Their first victory was obtained when Buena Park High School scored six runs while Sunny Hills scored only three. Second upset came when B.P. destroyed S.H. with a score of five to zero.

Devoted players practiced everyday of the week for at least three hours. They put forth all their strength, solidarity, and determination. With these elements in play, Varsity Softball was able to accomplish another successful year.

To assit with the cost of their many expenses, such as new uniforms and equipment, the Softball team promoted a Hit-A-Thon. Each team member asked people of their community to sponsor them. Their sponsors then payed the amount they contributed for every foot that the ball was hit. This was a big part of their team involvement.

This years crew became more than just fellow teammates, they became very good close friends. As examples of their amiable friendship, players were appointed secret pals and were given the nickname "Slugs" by Coach Ruth Morris.

This years remarkable leadership was provided by Coach Morris and Captain Dennice Luce. Their experience and inspiration produced an outstanding group of players. Coach Morris and has been coaching now for about twelve years and has done a fantastic job.

By Paula Crowder

In order to become the best in any sport, athletes must train for long periods of time. Each individual has to strive to perfect their own abilities while all must work together as a team to achieve the best results possible. Such was the case for this year's Junior Varsity Softball Team.

Players such as Amy Foust (a veteran junior), Marcy Carr (sophomore), and Terry Chatreau (freshman), showed not only great promise, but also considerable improvement as league play continued. Each member showed unity by performing key plays and encouraging each other to do their best. Early during the season, the team struggled against tough competition and was able to pull through with victories against Fullerton (9-6) and Rosary (8-7).

Coach Paula Dobrowolski looks upon the group of girls as a hard working team plagued with inexperience. Many friends were made and fun times shared by the girls. The team was best described by Coach Dobrowolski when she entitled the group "Paula's Playpen".

# Tennis Looks To Good Future

Determination was one word to describe the 1983-84 Varsity Tennis Team.

With only three returning Varsity players, Sophomores André Daigle, Roger Hernandez, and Senior Rodney Penrose, the team proved to be exceptionally well. They also had many players which improved throughout the year, and also a good outcome of Freshmen. One new prospect was Billy Drake, who played very well throughout the year.

The team got a lot of competitive experience in pre-season by playing teams such as Mater Dei, Servite, and St. John Bosco. This helped them physically, mentally, and also gave them a good aspect as to how they would do in league.

By coming off a disappointing season, Roger Hernandez stated "Experience was what we lacked, but in years to come we will have a very effective team."

# HAVE A GREAT SUMMER

Completing another successful and productive year was the 1983-84 Varsity Yell Squad.

Although the school year started September 12 for the students; all the cheerleaders and songleaders, including Varsity Yell, began planning for the year long before the class doors opened. They began by attending the United Spirit Association (USA) Camp at the University of Santa Barbara. It was held during the last week of June. The squad gave outstanding performances as a unit and received a Superior trophy for their unity and various achievements.

After camp, the cheerleaders continued to work toward Opening Day. They worked along with the other three squads in order to raise enough money to put together various activities, especially the most-important- Homecoming '83. Their summer fund-raisers included two very successful car washes and the selling of decorative night-lights made from sea-shells.

With the start of school, the six-member squad launched their plan for the promotion of school spirit. Led by Tina Lafond, Head Varsity Cheerleader, the squad carried out this plan by attending the varsity

games, planning successful pep rallies, selling football spirit ribbons, and, of course, cheering at the night-time varsity games. All their hard work was especially apparent when Homecoming '83 expressed the feeling that was present throughout the whole year- "MEMORIES THAT LAST FOREVER. "Memories are what we will keep of this talented, energetic, and congenial Varsity Yell Squad.

Gale - Well we finally made it. We have known each other for such a long time and I have enjoyed every minute of it. You're a real cute + Multi-Talented guy. Nope so see you in the future and take care. Good luck in whatever you wish to accomplish. Keep in touch Gale and maybe we can go out (when your free) and have a blast. Love always Lori S. 5'10"

# Varsity Song Boosts School Spirit High

Spirit is what keeps our school alive. Through the help of the 1983-84 cheerleading squads we have achieved the spirit to be kept high above all other schools.

Corresponding with Varsity Yell, the 1983-84 Varsity Song squad completed a very spirit-filled school year. They managed to keep the Coyote spirits high and to help B.P.H.S. to be one of the most spirited schools in the Freeway League.

With the help of Advisor Mr. John Hufferd, the squad started their school year off to a good start. Long before the class doors were opened, the Varsity Song Squad, along with all other B.P.H.S. cheerleading and song squads, attended the United Spirit Association (USA) camp

at the University of Santa Barbara. The event was held during the last week of June. Varsity Song gave an outstanding performance along with the other B.P.H.S. squads and received a Superior trophy for their unity and a Spirit Stick for their undying spirit.

After attending the USA camp, they continued working to prepare for the Opening Day. Working along with three other squads they completed two successful car washes and a sale of decorative night lights made from seashells. With these fundraisers they put together various activities including the most important-Homecoming '83.

On the Opening Day, the six-member

squad, along with all the other B.P.H.S. song and cheerleading squads, set their plan in action. The plan was to boost school spirit as high as possible. Led by Tammy Todd, Varsity Head Song Leader, they carried out this plan by attending all varsity games, planning pep rallies, selling football spirit ribbons, and of course, cheering at the night football games. All their hard work paid off when Homecoming '83 came. Because of this multi-talented, energetic and congenial group of young women, the theme of Homecoming '83- "Memories That Last Forever" - became true on Homecoming night.

JV Yell And Song

# Spirit Shines Strong

Enthusiasm, high spirits, and vivacious attitudes are just a few words to describe the twelve girls on the Junior Varsity squads. The Junior Varsity squads were Yell and Song. They each consisted of six girls either from the sophomore or junior class. Tryouts were held in May 1983 in order to determine the new '83-'84 cheerleaders.

Although the Junior Varsity cheerleaders attended the same USA Camp, held at UCSB in June, each squad competed differently. J.V. Yell competed as a whole unit. They brought a "Home cheer" with them and learned several new cheers in which they were able to compete with other schools from all over Southern California. As a result of this competition, they received two Superior Ribbons, two Excellent Ribbons, and a Spirit Award. J.V. Song, however, participated in individual competition. They learned several routines in which each girl obtained a Superior Ribbon which led to the receiving of a Superior Trophy for the whole squad. Both squads did extremely well at USA Camp.

Both squads helped earn money for the activities the Pep Squad participated in. The fund-raisers included the selling of

candy and night-lights, in addition to the wrapping of presents at the Broadway and K-Mart. The money from the fund-raisers went toward many things in which Pep Squad participated in. These included the purchasing of sweats for all cheer and song-leaders, and one of the biggest and most important activities at BPHS- Homecoming. The '83-'84 "Memories That Last Forever" Homecoming Dance was an overwhelming success.

Although inexperience is usually associated with Junior Varsity squads, it was proven this year that the stereotype, "lack of experience," was not present in the J.V. squads. They handled the various kinds of cheering at all major, as well as minor, sporting events very well.

To assist them and also the Varsity Squads was Pep Squad Advisor, Mr. John Hufferd. When asked what three words best described the '83-'84 Junior Varsity Squads, Mr. Hufferd replied, "Hardworking, conscientious, and talented."

# MARCHING BAND

# Units Create Color And Fun For BP Fans

## Band Creates Fun

Achieving many goals this year was the 1983-84 Coyote Marching Band which participated in many activities and accomplished many goals.

Senior band member Rose Diaz expressed "I really feel that our band has improved tremendously this year and that this step forward should serve as an inspiration for it's future members."

This years band cabinet consisted of President, Vicky DeLeon; Vice President and Drum Major, Geoff Boissonnault; Drum Major and Sergeant at Arms Bills Christensen; Drum Major, Brian Glahn; and the Band Director, Mr. Ken Lee.

The band participated in many activities this year including festivals, concerts, field shows, and fund raisers. One show they were engaged in took place at Silverado Days at which the band came in third place and drum Major Bill Christensen came in first.

Another show they took place in was the La Habra field show at which the band placed second. Also the band had the opportunity to participate in the All Western Competition and did very well.

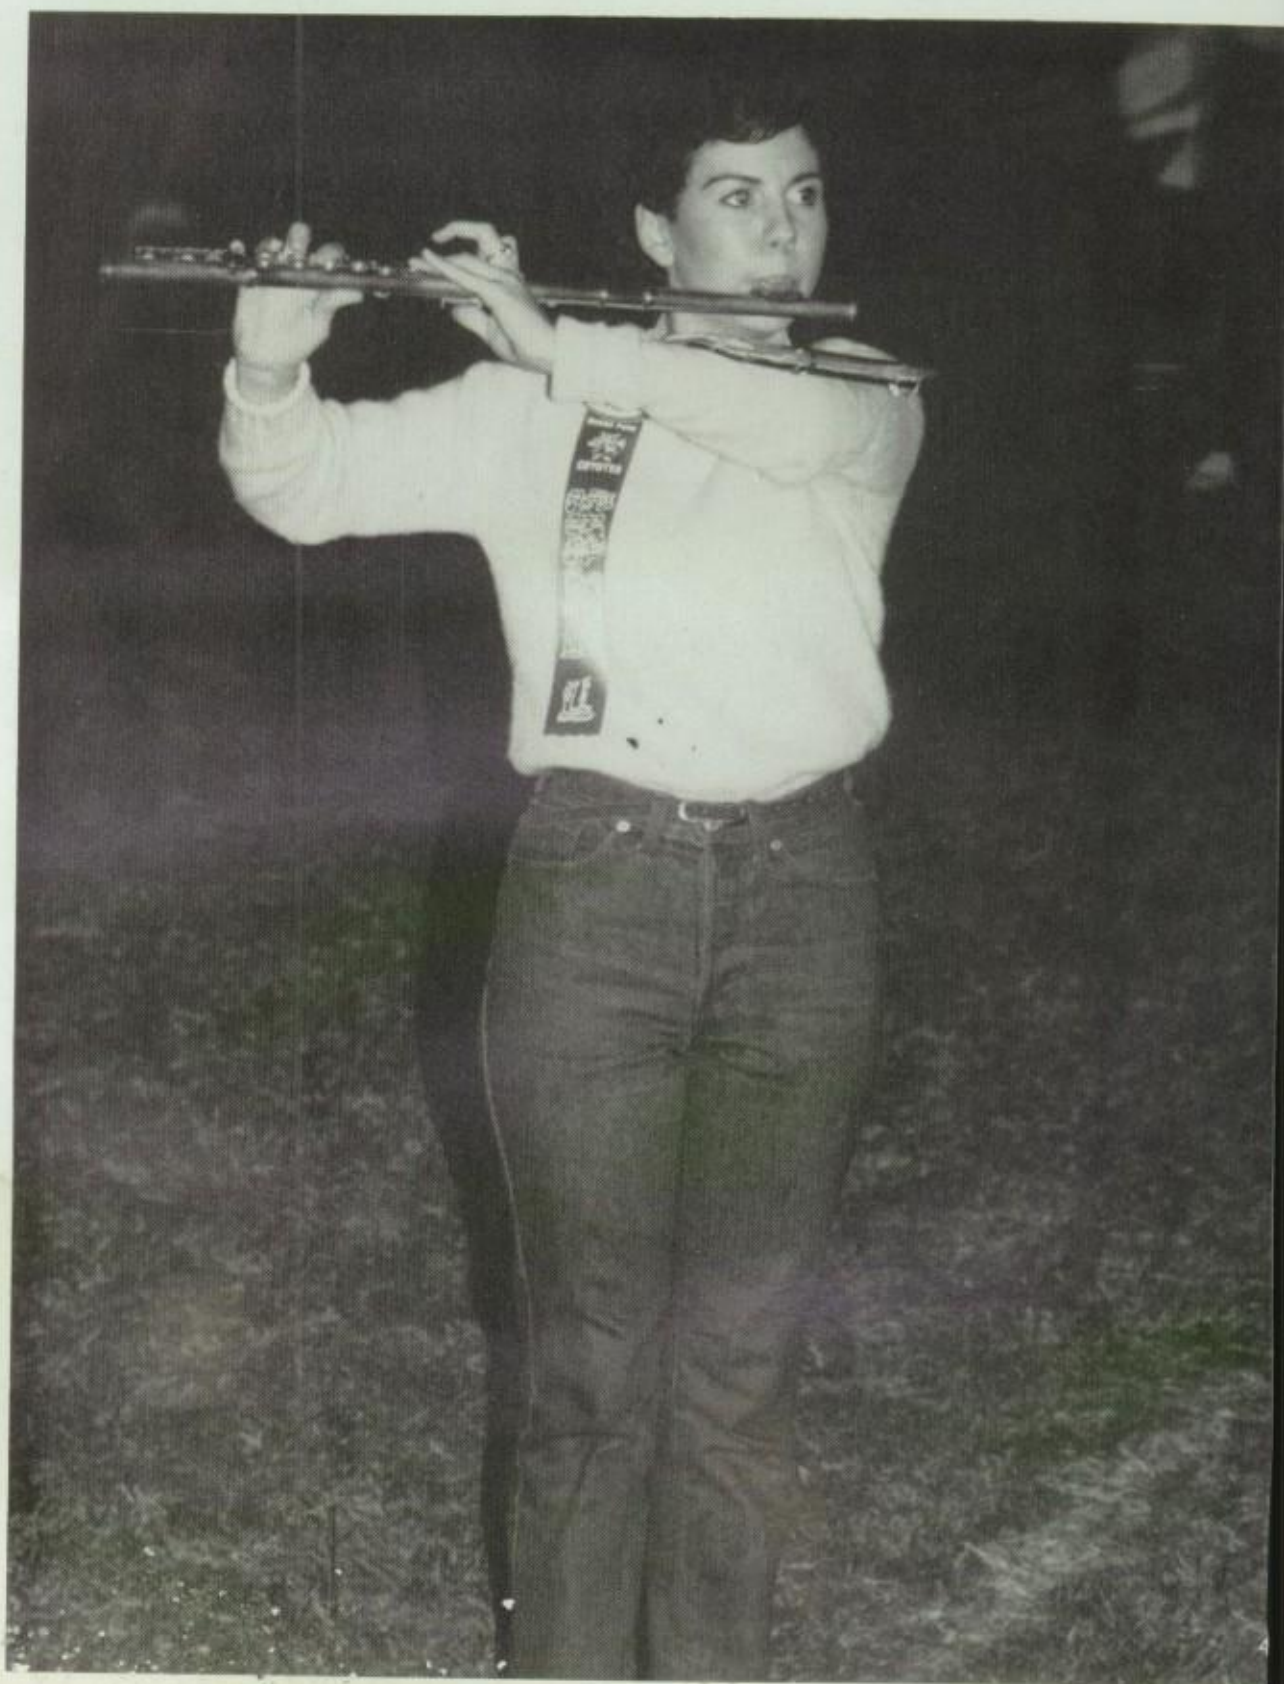

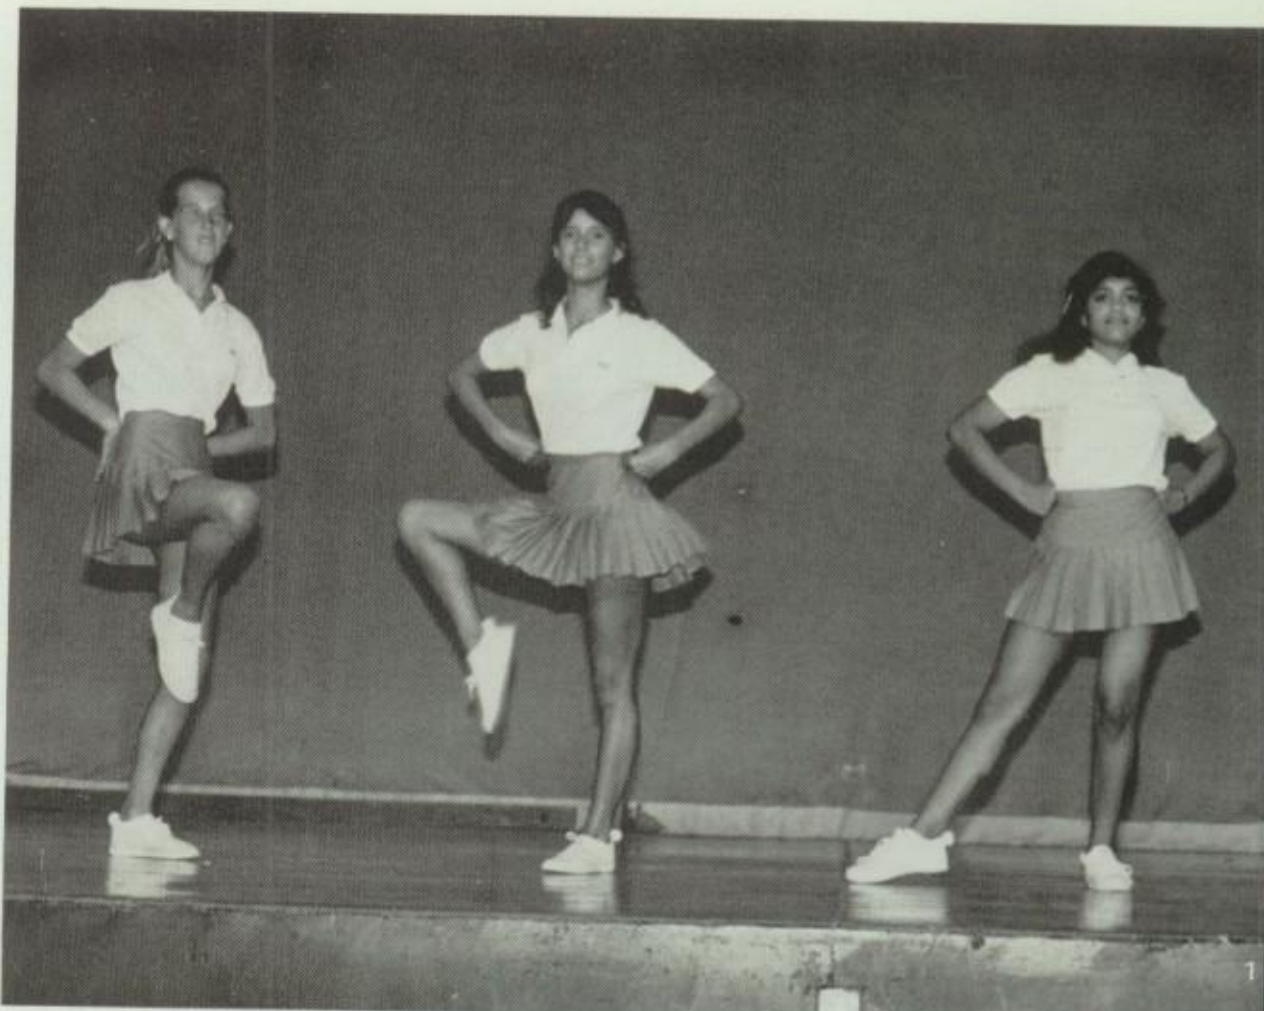

The band has many fund raisers each year. This year one of the most successful fund raisers was the booth at Silverado Days where they sold root beer floats.

By November this years band had received 3 trophies and were on their way to earning many more.

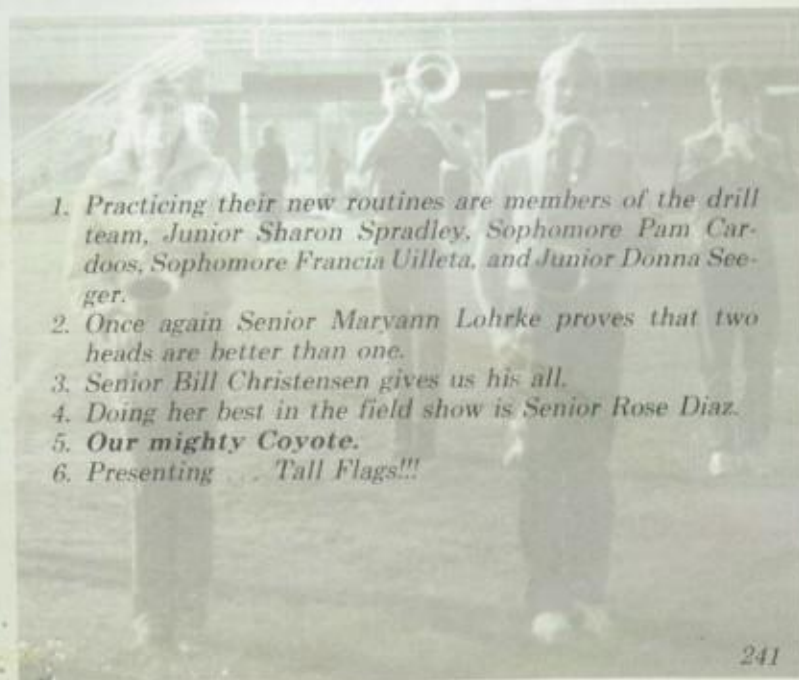

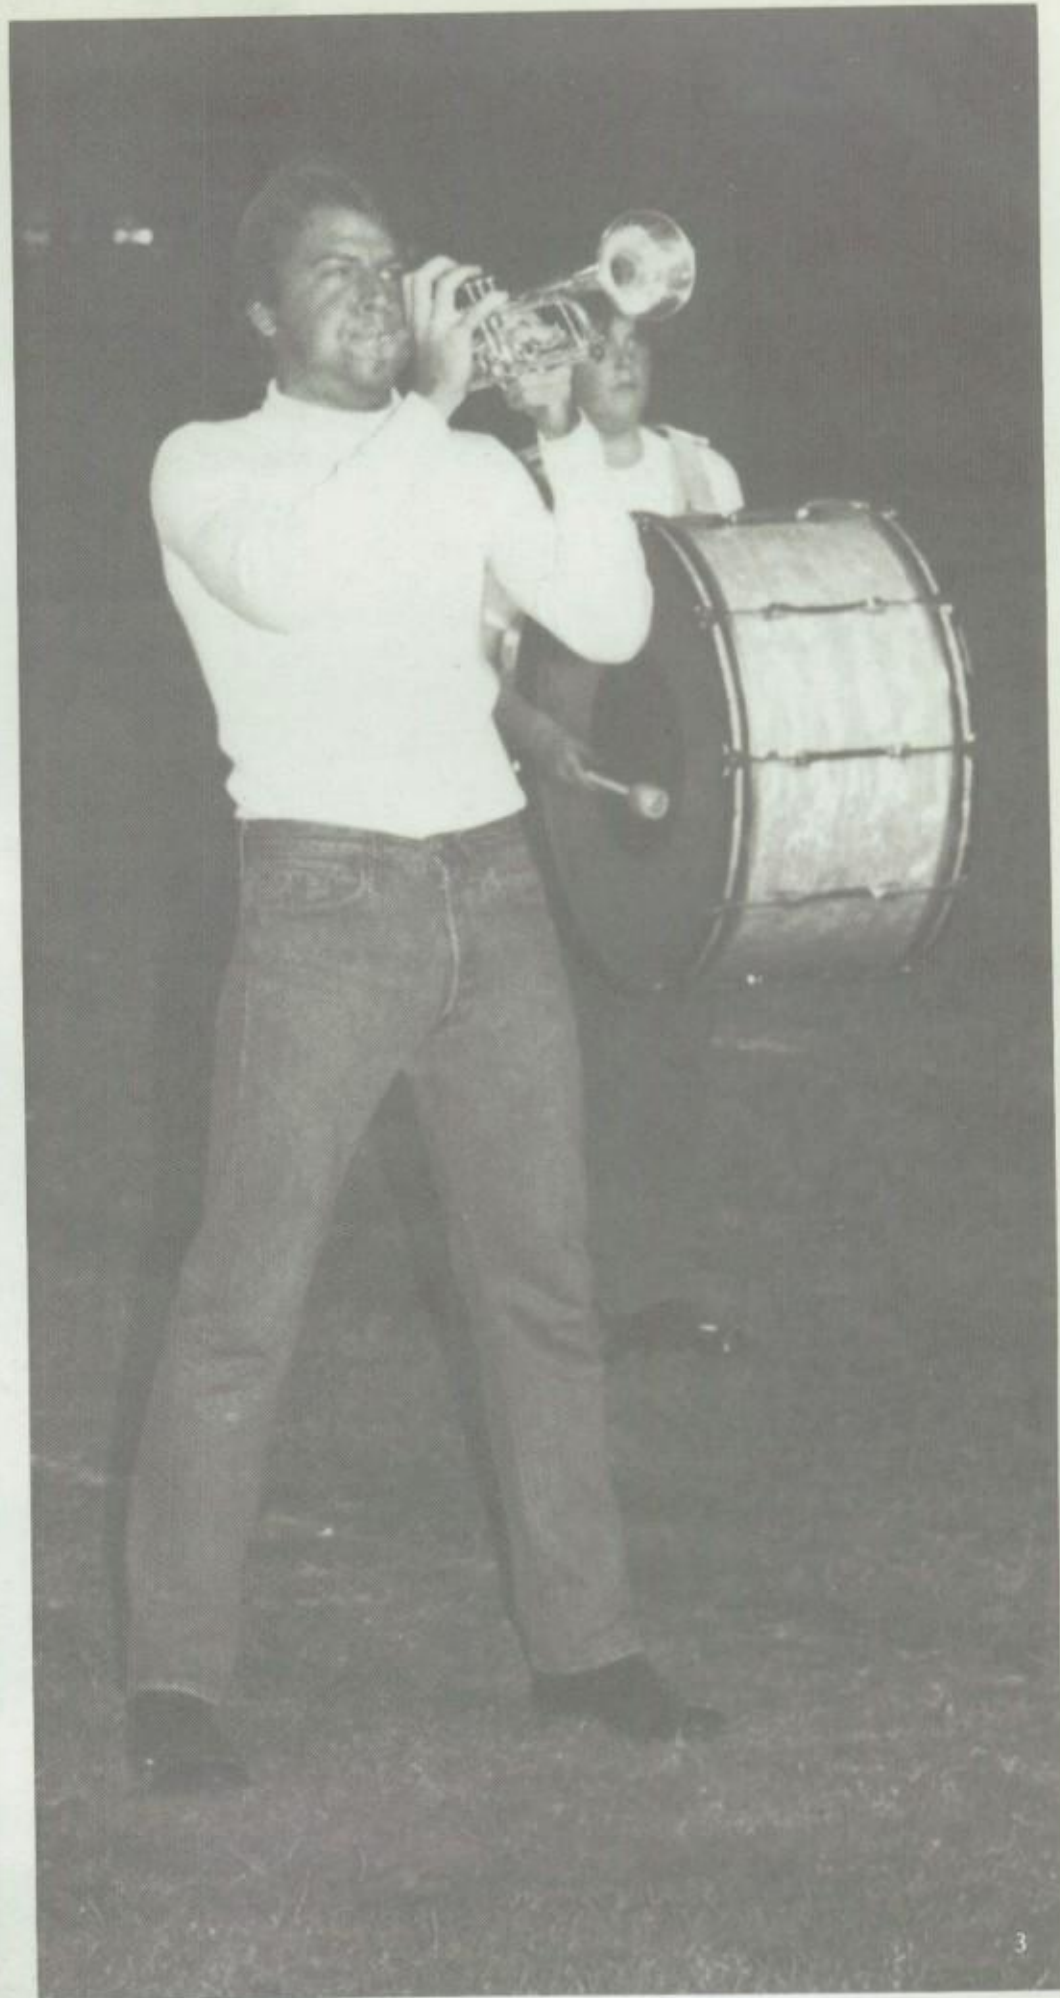

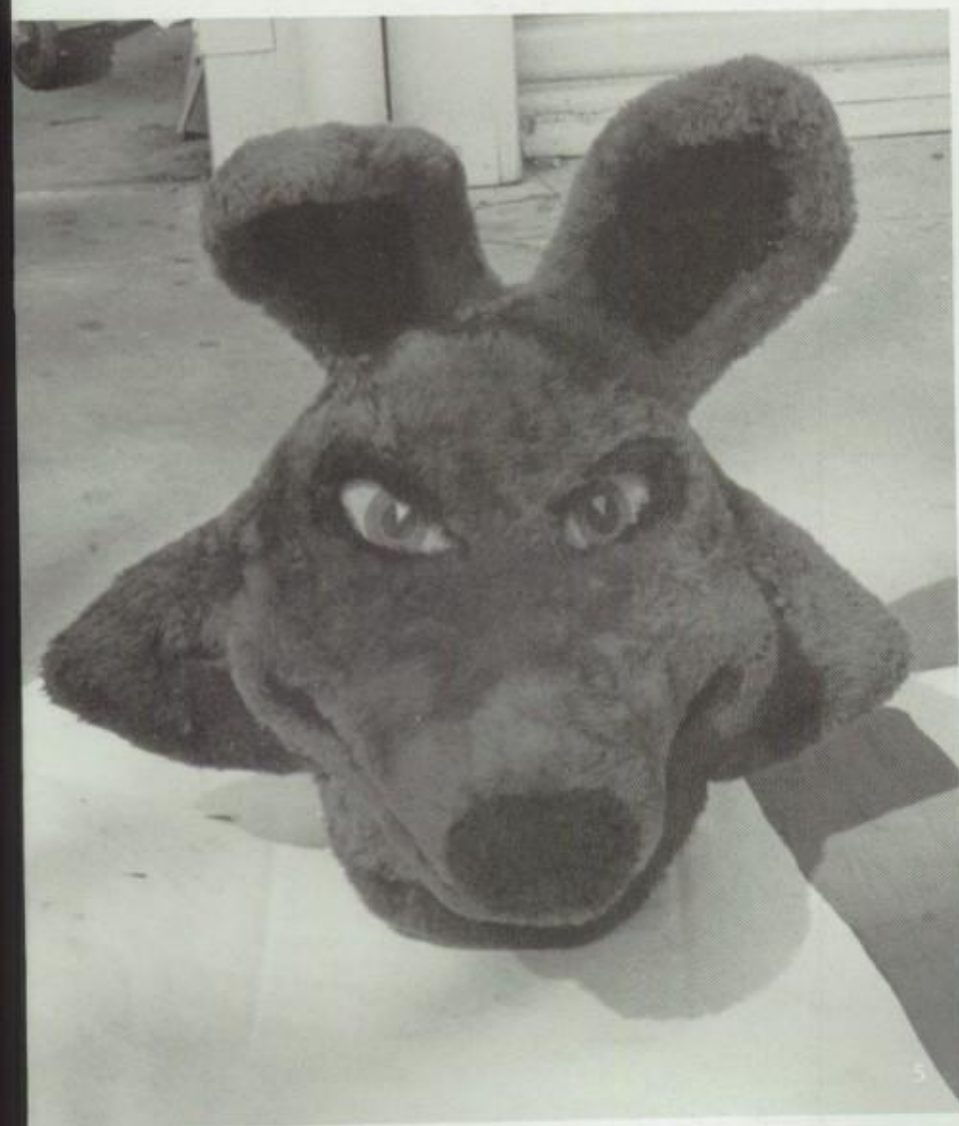

## Auxiliary/Mascot Shimmer With Spirit

Outstanding! is the one word to describe the 1983-84 Auxiliary Units. To ensure that there letters and flags worked equally as hard as drill, there was a couple new additions to the units. Head Liz Martinez for flags and Head Kathy Myers for letters. Then of course, there were heads Donna Seeger and Sharon Spradley, helping along the promising new drill team members. The tutoring and teaching seems to have paid off though. Winning 1st place in the La Habra Field Show and 3rd place in the Silverado Days Parade is an accomplishment we can all be proud of.

For Maryann Lohrke, the ultimate excitement this year was being chosen the new Coyote Mascot. For many long hours Maryann worked alongside the cheerleaders promoting spirit and enthusiasm at the football games and other sports. With the help of advisor, Mr. Hufferd, Maryann proved to be a worthy and helpful addition to the long line of seniors that have taken on the challenge of being mascot.

1. Practicing their new routines are members of the drill team, Junior Sharon Spradley, Sophomore Pam Cardoos, Sophomore Francia Uilleta, and Junior Donna Seeger.
2. Once again Senior Maryann Lohrke proves that two heads are better than one.
3. Senior Bill Christensen gives us his all.
4. Doing her best in the field show is Senior Rose Diaz.

Without the support and help of the above mentioned people and many more there would be no Coyotes Booster Club. It takes more than one person or student to make Buena Park High School a great school. It takes a group of dedicated people to get the job done.

Our congratulations to the class of 84, may they continue to show the greatness they have shown throughout there high school years.

A special thanks to Joe Lafond and John Valenzuela.

It has been hard work but also a lot of fun. We have accomplished alot and hope to pass on what we have learned so the future members and students will continue to make Buena Park High School the school to remember.

Thank you all again for your help and support. May God bless and give you a good future.

Your friend and booster

I would just like to express my appreciation to all those that made this book possible. First of all, my staff, especially those that stayed up late at night working like crazy to make our deadlines. I would also like to thank Mike Lafond, last year's Editor, for teaching me all the ropes, our advisor, Jack Orme, our yearbook representative for Josten's/American Yearbook Company, Jerry Fullerton, and Charlie Barrera, the night janitor. Most of all, thanks Mom and Dad for all your help and understanding.

I would like to wish next year's Editor, Jami Vacek, the best of luck. Don't worry Jami, you'll enjoy it.

Well, **Los Coyotes 1984** is finally completed. It feels like a ton of weight has just been lifted off my shoulders. Now I can sit back and enjoy it. Thank you all, and good luck on your quest; that is, **Quest For The Gold**.

# *A Tribute To Frankie Dell Kill*

*On Wednesday, April 11, Frankie Kill, a teacher for many years at Buena Park High School, passed away. This is a tribute to her.*

*As sunshine in our lives, Frankie Kill has touched us all. She has been an English teacher, a music maker, a gracious lady, an endearing friend, and a gallant, determined woman.*

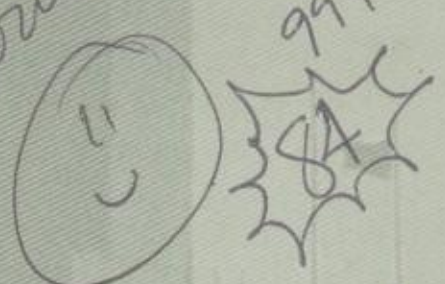

*She fought the good fight against illness. She showed us how to live with dignity in the face of adversity. We all have fond memories of her, and she will be missed in all the quiet places that she touched us.*

*In grateful memory of Frankie Dell Kill, who passed away April 11, 1984, we pay this tribute.*

Hey Dale,  
 Well, it's almost

Gale Wayne Galego,  
You know I've known you  
for five years. Remember when  
you played flag football in  
eighth grade? I had such a  
crush on you, you were so  
cute, and you've just gotten  
cuter! You're such an awesome  
wrestler! Good luck in  
everything you do. I love  
ya lots Gale Wayne.  
Love Lissa Johnson

Gale (Mr. Muzey)  
I real glad I met you  
You I had a lot of  
fun in the summer.  
Going out with everyone,  
and partying at your  
house. I'm going to miss  
you  
love ya lots  
Vickie

Reserved Hi my beautiful baby!! Well, we did  
it! The year's finally over! I can't believe your grad-  
uating already? It seems like I was just a  
freshman dancing with you at the stag dance! ♡  
It seems so funny to think we've known each  
other all this time. And just this year we started  
going out? Gosh!! Look what we missed out on! ♡  
Everything from the stag dance, to butcher jack in  
sweet Ms. Lubin's class, the night before camp last  
year, Christmas vacation, not to mention New Yrs. Eve,  
the big shoot out w/ Dora n' Thom? to me, partying  
it up at your house? We've been through a lot, eh?  
Good and bad times, but mostly good. ♡ And hope-  
fully there's lots more to come!! No one has ever  
meant so much to me as you do? And I'm not  
just saying that!! Everything we've shared and  
been through. I still think you are perfect and  
a beautiful person. I just wish you weren't leaving  
so soon. It seems like we just got started! I'm  
going to miss you so much at school next year!! I  
hope we're together for a long time? What do you  
say? 7 kids?? hee? But if we ever go our sep-  
arate ways. I know I'll never forget you. You  
are someone very special to me and you always will  
be! I'll never forget Godd's 3 Prom? You looked ab-  
solutely gorgeous!! And I was the luckiest girl there!  
Will babe, best of luck in school next year! Try  
not to pick up on too many girls k? I love you  
very much? I love you more!!

Love you always.

Brian XOXO
